

Hello Parents and Players!

Welcome to 2024 Orange Middle School Golf! These next 7/8 weeks will be very exciting for the development of our 7-12 golf program. Hopefully this email answers any questions you may have.

Schedule: The schedule is on the second page of this email. I am hoping to have about 12-14 matches. I am still waiting to hear back from a couple coaches. Also, keep in mind that we are at the mercy of the golf course - and weather. As changes occur I will send out info promptly. My goal is to give you at least a two day heads-up on any non-weather related schedule changes.

Matches: Matches include 6 players at a time. Depending on the amount of players we have on our roster, every player might not participate every match. We will discuss this with the team and parents once we are aware of the amount of players trying out!

Tryouts: Tryouts will be August 5th and 6th. The times and courses are listed on the schedule. If you are out of town or cannot make the tryouts, it is your responsibility to reach out to coach Houston as soon as possible. Contact is listed below. Scores will be used to determine the team. We can only have a max of 10 players on our roster.

STUDENT ATHLETES WILL PAY FOR THEIR OWN TRYOUTS.

Transportation: There is no school-provided transportation throughout the season. Players are welcome to carpool. Please arrive at least 20 minutes prior to each match. Please let me know if transportation is an issue and I will work to help solve this!

Team Apparel: Closer to the season, I will have a link sent out of team apparel that you can buy. We will all buy the same polo shirt and have an optional hat. The team store will have other options. Expect the team shirt to be around \$20-30.

Greens Fees: After the pay-to-play fee, there will not be any extra fees.

Fundraising: We will have a fundraiser at some point in time to help pay for this season. Any ideas or help from parents and players would be greatly appreciated. More details to come.

Final Forms: *Please please be sure you are in Final Forms with an updated physical. Golfers cannot participate if this is not complete.*

Results: After each match I will send out an email with scores from the round.

Pay to Participate: The district-required K-12 sports fee can be taken care of via PowerSchool.

Coaches Note: I will plan to send a weekly email on Sunday that outlines results from the previous week and plans for the future. This email will be sent through Final Forms. This email will be the best place to keep track of any additions to the schedule.

If you ever have any questions, please feel free to reach out!

Family Scramble: Each golfer will play with a family member or friend of their choosing. This will be our banquet! We will have food and enjoy our time together!
