Help fund programs for Conewago students!

October 2021

Dear Conewago parents and guardians,

The past year has continued to be challenging for all of us. However, fall has arrived and our schools are in session with the common goal of keeping our children safe and engaged in the classroom. Lower Dauphin Falcon Foundation (LDFD) is looking forward to a year filled with possibility! Thanks to continued support from community members like you, LDFD is able to provide many new and exciting opportunities for our students across the Lower Dauphin community.

The LDFD anticipates grant requests geared toward STEAM (Science, Technology, Engineering, Arts and Mathematics) as well as other projects. We fund our grant program through community donations. **Now, more than ever, we are asking you to please consider giving to this year's Annual Campaign. The success of the LDFD and our ability to continue to support our students are only possible with your help.**

This past year, the Foundation awarded 8 new grants benefitting students across all grade levels. This makes a total of 169 grants during the past 13 years. These grants support innovative programs and projects to assist our students in achieving their goals in academics, the arts, community service and athletics. For more information regarding the grants allocated this past year or to view our annual report, please visit our website at ldfalconfoundation.org.

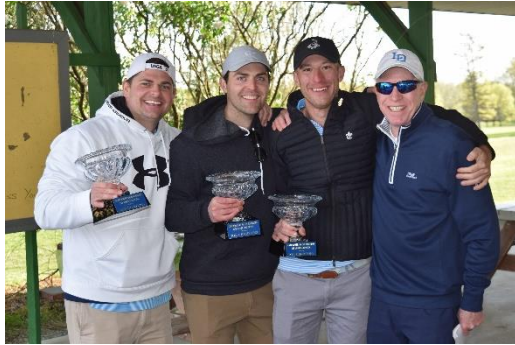

*Coffee Cart, Brenda Caruso,
Conewago, 2019*

(please turn over)

*Circuit Stickers for Greeting Cards,
Bowser's 4th grade class, Conewago, 2021*

We also fund our activities through special events. Our annual Falcon Fling in January and Musical Dinner Theatre in March had to be cancelled due to

Golf Outing, April 30, 2021, Winning Foursome (l.to r., Cole Conway, Andrew Legro and Nick Macrina with Terry Basehore, LD Golf Coach (not pictured—Doug Bream)

continued COVID-19 concerns. Combined, these events usually raise approximately \$17,000 for the LDFF to use in funding grants. Fortunately, we were able to hold our April golf outing and experienced higher than normal

winds and golfer participation! Thanks to the generous support of local businesses and our players, the event raised more than \$18,000. Lastly, new this year, we held a Food Truck Fundraiser at LD Middle School on August 19 during sports team practices and raised nearly \$500.

We still need your help! You can use PayPal to make your donation by using our link paypal.me/LDFFdonate or save time and use the QR code below. Every dollar helps us to support our mission of enhancing and expanding enrichment opportunities for our students!

We are hopeful that our Musical Dinner Theatre on March 4, 2022 and our annual golf outing on May 6, 2022 will be held, offering you additional ways to support LDFF. Please mark your calendars and consider joining us for these events.

Lastly, if you have a fifth grader, keep your eye out for Falcon Foundation Camp held for three weeks in the summer for incoming 6th-8th grade students.

Thank you again for supporting our Foundation and the future of Lower Dauphin students!

Sincerely,

A handwritten signature in cursive script that reads "Patricia Gordon".
