

Safe Driving Orientation for Students & Parents

Learn how to cut your teen's crash risk in half!

Share the Keys is a 60- to 90-minute research-based, data-driven orientation on:

- Understanding the GDL laws
- Supporting the GDL at home
- Being a good role model
- Increasing practice driving hours
- Controlling the keys

Parents can reduce their teen's crash risk by 50% when they set rules, offer support, and monitor their teen's driving.

"This is the best program that I have had come to our school in a very long time." Jill Saul, Educator Bristol Township, PA
