Help fund programs for Conewago students!

Fall 2023

Dear Conewago families,

This past year, thanks to continued support from community members like you, the Lower Dauphin Falcon Foundation (LDFD) awarded 18 new grants benefitting students across all grade levels; a total of 191 grants over the past 15 years! These grants support innovative programs and projects that assist our students in achieving their goals in academics, the arts, community service and athletics.

2nd Grade STEAM Day—May 17, 2023 Districtwide

Held at Conewago, the day consisted of five stations—one for each discipline: science, technology, engineering, arts and mathematics.

We fund our grant program through community donations. **Please consider giving to this year's Annual Campaign. The success of the LDFD and the continued support of our students are possible only with your help.** You can use PayPal, credit or debit cards to make your donation by going to <https://tinyurl.com/LDFFevents> or use the QR code below. Every dollar supports our mission of enhancing and expanding enrichment opportunities for our students.

There are several other ways to support LDFD in the coming year including attending our Annual Falcon Fling on February 10, Musical Dinner Theatre on March 1 and our annual golf outing on May 3. Please mark these dates in your calendars and consider joining us.

Also, if you have a fifth grader in your family, keep an eye out for **Falcon Foundation Camp** held for three weeks each summer. This free camp is provided for incoming 6th-8th grade students.

Thank you again for supporting our Foundation and the future of Lower Dauphin students!

Sincerely,

Dr. Lia Belanger Book, LDFD President
