Help fund programs for Londonderry students!

Fall 2022

Dear Londonderry families,

This past year, thanks to continued support from community members like you, the Lower Dauphin Falcon Foundation (LDFF) awarded six new grants benefitting students across all grade levels; a total of 175 grants over the past 14 years! These grants support innovative programs and projects that assist our students in achieving their goals in academics, the arts, community service and athletics.

Many Drums, One Sound— grant funded spring 2022 Londonderry

The bucket drum grant has enabled the 5th graders to prepare a Latin American 2-beat drumming ensemble to accompany a song in the winter concert and the 2nd graders to play an accompaniment for a sound narration for a story as well.

We fund our grant program through community donations. **Please consider giving to this year's Annual Campaign. The success of the LDFF and the continued support of our students are possible only with your help.** You can use PayPal, Venmo, credit or debit cards to make your donation by going to <https://tinyurl.com/LDFFevents> or use the QR code below. Every dollar supports our mission of enhancing and expanding enrichment opportunities for our students.

There are several other ways to support LDFF in the coming year including attending our Annual Falcon Fling on January 28, Musical Dinner Theatre on March 3 and our annual golf outing on May 5. Please mark these dates in your calendars and consider joining us.

Lastly, if you have a fifth grader in your family, keep an eye out for **Falcon Foundation Camp** held for three weeks in the summer for incoming 6th-8th grade students.

Thank you again for supporting our Foundation and the future of Lower Dauphin students!

Sincerely,

Dr. Lia Belanger Book, LDFF President
