LDYBA League for Boys grades 3 to 6

The goal and vision of the Lower Dauphin Youth Basketball Association (LDYBA) is to provide a district wide developmental basketball program for boys in grades K through 6. The program will teach skills and fundamentals in a positive, fun and educational environment.

For grades 3 to 6 there will be multiple weekly practices and/or games using PIAA officials at the elementary schools and the LD Middle School in the evening at times that are "age appropriate" or on a Saturday. The program will run from November 2017 to February 2018. All attempts will be made to geographically split the boys into teams to minimize drive time. (**more details are on the website**)

After School program for Boys grades K-2 starting in January

For grades K to 2 there will be a after school program at the elementary schools starting in January 2018. The program will be 1 day per week over 6 weeks with a time slot of 3:40 pm to 4:45 pm.
