FEDERAL WAY PUBLIC SCHOOLS  
STRATEGIC PLAN, 2021-2025

# LIMITLESS POTENTIAL

It is an **honor and privilege for our nearly 3000 staff** to serve our scholars, families, and the richly diverse community that makes up Federal Way Public Schools. Parents, caregivers, and community members rely on us to take great care of our most precious resources – our children. **Each and every scholar** in our district brings **limitless potential, gifts, and talents**. As staff, it is our **responsibility** to create the conditions for scholars to **learn, thrive, and succeed**. We are committed to providing each scholar rigorous standards-based, culturally responsive instruction, and ensuring that they are **seen, valued, heard, and feel a strong sense of belonging** at school.

Guided by our Strategic Plan, we will continue to place scholars at the center of all decisions, elevate their voices, which will ensure

## A BRIGHT FUTURE FOR EACH SCHOLAR

Dr. Dani Pfeiffer, Superintendent

# OUR MISSION

*In an environment of high expectations, high support, and no excuses, the staff of Federal Way Public Schools will continually learn, lead, utilize data, and collaborate to ensure our scholars have a voice, a dream, and a BRIGHT future.*

# OUR CORE BELIEFS

- We believe that EVERY scholar can learn at the highest level.
- We believe that race, socioeconomics, language, cultural background, and other exceptionalities should not be predictors of student achievement.
- We believe that our scholars must have a voice, see themselves in their schooling, and be connected to the adults that teach them.
- We believe that what we do in the classroom every day has the greatest impact on student learning.
- We believe that we must continually learn and grow in our practice if we are to meet the needs of all scholars.
- We believe that we must intentionally collaborate and use data as a guide to improve our practice.
- We believe that our families are critical partners in each child's learning.

# FOUR PILLARS

Our four Pillars are the building blocks of our work on behalf of all our scholars. The Pillars are the capabilities we must develop continuously to nurture effective instruction and a mission-focused, empowering organizational infrastructure.

1

## STANDARDS-ALIGNED CULTURALLY RESPONSIVE TEACHING & LEARNING

Our first Pillar is about **TEACHING & LEARNING**, the most important function of our organization. We will ensure that all scholars have access to challenging, on-standard curriculum, and that instructional strategies are differentiated to meet the individualized learning needs of each scholar. Our instructional practices will reflect our scholars' prior knowledge and cultural and linguistic backgrounds.

2

## SAFE CLIMATE AND STRONG RELATIONSHIPS WITH FAMILIES AND COMMUNITY

Our second Pillar recognizes that **"SCHOOLS CAN'T DO IT ALONE."** Therefore, we will embrace parents, caregivers, and the entire Federal Way community as vital partners in the education of all our scholars. We will nurture trust and mutual respect among home-school-community through shared responsibility for student success, proactive communication, and meaningful stakeholder voice.

3

## EFFECTIVE, CARING, CULTURALLY COMPETENT TEACHERS, LEADERS & STAFF

Our third Pillar focuses on **INVESTING IN PEOPLE**. It emphasizes the importance of attracting, developing, and retaining talented and committed staff in every part of our school system, so that Federal Way Public Schools is the place where great talent chooses to work. We will establish clear standards of professional practice and accountability, and we will provide opportunities for differentiated continuous learning for teachers, leaders, and staff.

4

## DATA-INFORMED CONTINUOUS IMPROVEMENT

Our fourth Pillar is about **"MANAGING THE WHOLE"** in ways that foster alignment, disciplined implementation, and a focus on our mission at every level. We will make decisions based on fact, not opinion. Furthermore, we will use frequent and timely assessments to adjust teaching, learning, and leadership, and we will promote continuous improvement as an ethic throughout our school system.

# VISION FOR EXCELLENCE AND EQUITY

FWPS believes that each and every scholar has limitless potential and is committed to ensuring that all scholars, of every race, class, linguistic background, disability, gender identity/expression, sexual orientation, and other exceptionalities, thrive and achieve at high levels. We will engage in anti-racist and inclusionary practices to identify and eliminate the barriers that cause disproportionality.

## EACH AND EVERY SCHOLAR WILL:

- Know they have limitless potential and can achieve at the highest levels
- Actively engage in rigorous learning and coursework
- Own and influence their learning
- Engage in culturally sustaining conversations and interactions
- Be seen, heard, valued, and celebrated for who they are
- Be socially and emotionally safe at school in the educational environment: curriculum, instruction, school and classroom culture, and activities

## EACH AND EVERY STAFF WILL:

- Value and incorporate representative scholar voice
- Commit to integrating culturally responsive, data-informed anti-racist practices and removing barriers to improve scholar learning, leading to increased achievement
- Facilitate culturally sustaining conversations and interactions
- Feel seen, valued, and heard as professionals and individuals
- Welcome, communicate, and partner with families for scholar success
- Live out our district's values and beliefs

## EACH AND EVERY FAMILY WILL:

- Know they are seen, heard, and valued as partners in their scholar's education
- Feel welcomed, connected with, and have a sense of belonging to our schools and district
- Feel empowered to communicate with staff around scholar academic and social-emotional goals and progress
- Be provided the information and resources necessary to support their scholar's success

# OUR THEORY OF ACTION

## CENTRAL OFFICE

**If ALL central office team members** lead with equity-driven, evidence-based practices, collaborate to create and align data-driven systems of support, develop culturally responsive instructional leadership capacity, and engage families and community members

## PRINCIPALS

**Then, as instructional leaders, ALL principals will** create an equity-driven culture of high expectations by aligning resources, providing high-quality PD and courageous feedback that builds staff capacity to implement standards-based, data-driven, rigorous, culturally responsive instruction grounded in scholar and family voice

## TEACHERS & SUPPORT STAFF

**Which will support ALL teachers and support staff** to deeply know, value, and elevate the voice of each and every scholar in order to implement standards-based, data-driven, rigorous, culturally responsive instruction that supports scholars' academic and social emotional learning

## SCHOLARS

**Which will ensure that EACH and EVERY scholar** graduates college and career ready and achieves at high levels as a result of actively engaging in rigorous instruction, seeing themselves in their learning, using their voice and feeling a sense of ownership, safety and belonging in a culturally sustaining environment

\*The Theory of Action is **HOW** we will realize our Vision for Excellence and Equity in FWPS.
