The South Lane School Board appreciates hearing from our citizens. We value the ideas, opinions, questions, concerns, suggestions and input from parents and community members. The Board of Directors allows time on their agenda for testimony regarding a published agenda item to its designated place on the agenda. A visitor may introduce another topic not on the published agenda during Public Comment. The Board Chair usually allows three minutes per speaker.

At this time, due to the spread of the COVID-19 virus, our meetings will be conducted in a hybrid format until further notice. This means that all Board members and the Superintendent will be present online and when possible, in-person in the boardroom. Citizens are invited to join the Board meeting online. Meetings will also be broadcast on South Lane Community Broadcasting 14.4. If you wish to speak to the Board, about an agenda item or another topic, please submit an email request to public.comment@slane.k12.or.us to the Board Secretary prior to noon on the day of the Board meeting. Request to speak must include the following: Full name, address, email address, date, agenda item or topic. If you want to submit written testimony, either attach a separate document or include the message in the email request.

Board meetings by Oregon State statute are public, in order for citizens to observe the Board conducting the district business. The meetings are not opportunities for the public to join the Board's discussion. For this reason, when public testimony is provided, Board members do not respond or interact with those providing testimony. This process is often confusing and feels like the Board is unresponsive, but this process is a legal process. If a question is asked, the Superintendent will follow up or ask a Cabinet member to follow-up to respond on her behalf.

We look forward to hearing from our community.
