

4th Grade Families,

This is an exciting year for your child, as they will travel between all fourth grade homerooms for classes. This requires independence and organizational skills that we will work on with your child during the first few weeks of school.

Fidgets have become a popular item with students. Your child may keep one small fidget in their desk if it assists them with attention or anxiety. Please keep all other toys at home.

These are supplies that would be helpful for your child to have in the classroom. If you are unable to purchase any or all of these items, I will do my best to make sure your child has what they need to have a great year in 4th grade. If you would like to contribute to our classroom, any of these supplies are helpful to have on hand throughout the year. Thank you for your support!

Mrs. Guevarez, Mrs. Lorditch and Mrs. Southall
