

# MEET THE TEACHER

MS. RICE

## For the PARENTS/GUARDIANS:

Hello, Parents/Guardians! My name is Kalie Rice and I will be your child's special education teacher for the 2022-2023 school year. I am returning to the LDSO as the middle school emotional support teacher.

I have been teaching emotional support since 2019. I completed my first year and a half of teaching as an elementary emotional support teacher within the Perkiomen Valley School District, and then I had the opportunity to move up to the middle school level during the 2020-2021 school year. I then moved to the LDMS half way through the year and I have been working at LD since. I have a passion for working with children, and I am excited to help them grow – no matter what school I am working in.

If you have any questions during our time working together, please do not hesitate to reach out ☺

Kindly,  
Ms. Rice

## For the STUDENTS:

Hello, Students! My name is Ms. Rice and I will be one of your teachers this school year. I am beyond excited to start working with you all. I know we are going to have a great learning experience together!

I am going to do my best to make this school year fun and exciting for you. With that being said, I would love if you promised me you will give your all during our time working together. I want you to be the best version of yourself that you can be! We will continue to get to know each other more during our first couple weeks of school. I hope you are just as excited as I am! Enjoy your last few days of summer ☺

Kindly,  
Ms. Rice

## My Favorites
