LDAA's Distinguished Alumna 2009

The Lower Dauphin Alumni Association presented its Distinguished Alumna Award at the Homecoming Gathering. We took delight in the fact that this could be awarded in conjunction with the Opening of the 50th Anniversary Celebration of Lower Dauphin High School because its recipient is so much a part of the school, both as a graduate and as an employee of the school district. It is also particularly appropriate to make the award this year because the honoree's class is celebrating its 35th graduation anniversary.

The following description appears in the 1974 *Falconaire* about this honoree, in words that are just as true today. In everything she does "…she is the soft effervescence of an eternal spring." Her enthusiasm is renewed with each class she greets as its members enter the Guidance Office in the fall of each year. It was with great honor that we named this year's honoree: **Kathleen Dawn Imhof Weber, Class of 1974.**

Kathy has been a board member of the Lower Dauphin Alumni Association since the early 1990s and has served as its secretary since 1996. She has been involved in every endeavor undertaken by LDAA and she is the person at the high school who is the record-keeper of names and addresses for all alumni. In addition, she donates many additional personal hours to the Association and serves on various Alumni Association committees that provide services for alumni and for current students at LD.

Most of all, the Lower Dauphin Alumni Association honored its daughter for her work ethic, dedication, humility, good humor, kindness, and loyalty to her Alma Mater. Friends, colleagues, fellow alumni, family, and the community of Lower Dauphin High School salute Kathy as the Lower Dauphin Alumni Association's 2009 Distinguished Alumna.
