Therefore, never hesitate to ask us if you need additional information.**

### Student Arrival

Students may enter the building at 7:00 AM and should enter through the cafetorium doors. Between 7:00 and 7:20 all students will be directed to a designated waiting area. At 7:20 students will be excused to their homerooms.

The cafetorium doors will close promptly at the 7:35 bell. All students who are arriving at school after this

time will need to enter through the main office and be given a late arrival pass.

### Student Dismissal

Upon dismissal (2:37), all students should exit the building unless they are staying after school for a supervised activity. Students **must** communicate to their parents/guardian any changes in their afterschool activities.

Parents who bring their child to/from school by car, should utilize the drop-off circle, which is the first right turn upon entering the school complex, or the sidewalks by the field house. Students must be picked up along the sidewalk / outer perimeter to avoid crossing in front of vehicles. Parents, please pull ahead along the outer lane as you wait for your child.

### Six-Day Cycle

The school operates on a six-day cycle rather than using days of the week. The first day of school is Day 1 of the first cycle. Each school day thereafter is numbered 2 through 6, with the cycle starting over after Day 6. Holidays and vacations do not interrupt the days of the cycle. For instance, if the last day before a vacation is Day 3, the day students return from that vacation is Day 4.

### School Delays and Closings

In the event it becomes necessary to cancel or delay school due to inclement weather or other emergency reasons, announcements will be made over television and radio stations. In addition, notifications will be made on the district website ([www.ldsd.org](http://www.ldsd.org)), informaline (566-5320), and on the school messenger notification system.

### Flexible Instructional Days (FIDS)

The Lower Dauphin School District has been approved to use up to five (5) Flexible Instructional Days during the 2024-2025 school year. These days are to be used for inclement weather only..

When the District designates a day as a Flexible Instructional Day, the students will be provided with online instruction. Flexible Instructional Days can be used in lieu of using a scheduled Make-Up Day on the school calendar.

### **School Safety**

Regardless of its size and location, no school is immune from emergencies or crises. Lower Dauphin School District has been committed to developing and implementing school safety measures throughout the district. In addition to having a district Crisis Response & Communication Plan, the middle school has its own safety program and emergency plans.

Consistent with their proactive approach to safety, all district employees wear security badges. All entrances to the school from the outside are locked at the start of homeroom each day. Once the building is secured, visitors must ring a bell located outside the door to the main office in order to enter the secured office area. After admitting the visitor, a secretary will ask the visitor to sign in and to pick up a visitor's badge.

To prepare teachers and students to react appropriately in an emergency, fire drills, severe weather drills, and intruder drills are conducted regularly.

### **Emergency Evacuation Procedures**

Under certain emergency circumstances, the middle school may be instructed to evacuate its students to either Lower Dauphin High School or another off site location.

Should evacuation be necessary, parents may pick up their students at the evacuation site using the normal sign-out procedures.

### **Parent Visits**

The middle school faculty and administrative staff welcome parents to visit the school on a regular basis. To ensure that their visits are worthwhile, parents are encouraged to call the school to schedule their visit in advance. Like all visitors to the school, parents must register at the office and must wear a visitor's badge prior to visiting a classroom. Parent volunteers are required to obtain clearances pursuant Board Policy #916.

Parents who want to schedule a conference with a specific teacher or a team should email the teacher or team.

### **Parent-Teacher Organization (P.T.O.)**

The P.T.O. endeavors to improve communication between school and home, assist the faculty, and provide additional opportunities for middle school students above and beyond those funded by the school budget. Parents are encouraged to take an active part in P.T.O. by attending meetings and helping on one or more committees. These meetings occur on the first Thursday of each month. Reminders are posted.

## ***About Academics . . .***

### **Philosophy**

The Lower Dauphin Middle School program is an exploratory one where students, as young adolescents, are introduced to many unique programs and opportunities.

LDMS offers a comprehensive education that includes a balance of academic and co-curricular offerings.

### **Introduction to Curriculum**

Comprised of both "core" and "encore" courses, the middle school curriculum is intended to provide the foundation students will need for more specific study in senior high school. Core courses for all students include English, mathematics, science, and social studies. Core courses may include foreign language classes and reading classes. Encore courses for all students include art, family and consumer science, music, and technology education.

All students are required to take physical education every year. Sixth and eighth grade students also take health. Sixth, seventh, and eighth grade students may elect band, chorus, and/or orchestra.

Specific courses by grade are as follows:

Each student is given a course syllabus by each teacher during the first week of school. The purpose of the syllabus is to provide both students and parents with an outline of course content and course requirements.

Following is a synopsis of curriculum offerings by discipline:

#### **English and Language Arts**

Sixth grade language arts integrates the fundamentals of reading, composition, literature, grammar, and speech. This will be accomplished through 2 separate periods. One period will be working on reading while the other period will be working on writing and parts of speech.

The seventh and eighth grade English curriculum is designed to provide a basic program for all students on their level. Students are taught the fundamentals of grammar, composition, speech, and literature.

#### **Foreign Language**

The Exploratory Spanish course is an exploratory approach to foreign language utilized to familiarize students with languages prior to their electing a language for further study. In 8th grade, all Level I Foreign Languages are high school level courses but do not count for HS credit.

#### **Health**

With a focus on daily living, the sixth grade course of study includes the Drug Abuse Resistance Education program (D.A.R.E.). Taught by an officer of the Hummelstown Borough Police Department, D.A.R.E. helps students to recognize and resist the pressures to experiment with drugs, gangs, or violent activity.

The eighth grade curriculum emphasizes wellness and the development of a healthy lifestyle.

A co-educational approach is taken with both sixth and eighth grade health courses.

#### **Mathematics**

In sixth grade, students take Sixth Grade Mathematics. In Seventh Grade, students take Math 7. In eighth grade, students take Pre-Algebra or Algebra I.

#### **Physical Education, Dress for Physical Education, and Gym Lockers**

Sixth grade physical education is designed to aid in students becoming healthy, and physically fit, through a variety of activities. Activities will include team sports, as well as various fitness activities in order for students to develop leadership, cooperation and teamwork skills.

Seventh and eighth grade physical education continues to build upon the skills that are developed in sixth grade physical education, with more of an emphasis placed on lifetime activities. Through team sports, individual sports, as well as fitness activities, students will be introduced to activities they can carry

with them throughout their lives. Students will also learn to dance styles from around the world and the different cultures those dances represent.

**Dress for Physical Education:** All students must bring a **change of clothing** for physical education class. The dress for physical education is a LD t-shirt, athletic shorts (that meet LD dress code), socks, and non-marking sneakers.

It is strongly recommended that all items of clothing worn in physical education and other personal items needed for hygiene be marked with the student's name using a permanent marker. All personal hygiene products must be of a non-aerosol variety.

**Gym Lockers:** Lockers are provided in the locker room for student use; however, they do not have locks and therefore it is the responsibility of each student to secure his or her gym locker. Students may keep clothes in gym lockers only during physical education class. The rest of the day, clothes should be kept in students' pod lockers or backpacks.

**The school will assume no responsibility for articles stolen from or misplaced in the locker room.**

### **Practical and Fine Arts**

Students are provided with nine weeks of instruction in Art, Family and Consumer Science (FACS), Technology Education, and Music during their 6<sup>th</sup> grade year. Students will be assigned 2 or these courses during their 7<sup>th</sup> and 8<sup>th</sup> grade years based on scheduling availability. Emphasis in all fine and practical arts courses use hands-on activities and creativity.

### **Reading**

Reading in sixth grade is an integral part of the Language Arts Program.

Reading in 7<sup>th</sup> and 8<sup>th</sup> grade concentrates on developing basic reading skills using a content area approach. Additionally, students are encouraged to read for pleasure.

### **Science**

The sixth grade science curriculum is comprised

Of six units: Introduction to Science, Geology, Meteorology, Natural Resources, Structure of the Universe, and Water.

In seventh grade, Life Science is taught. Emphasis in life science is on helping students to understand their relationship to the environment.

Physical Science, a study of chemistry and physics, is the course offered in eighth grade.

Emphasis in all science courses is on hands-on activities including labs to reinforce scientific concepts.

### **Social Studies**

Sixth grade social studies cover aspects of economics, through JA BIZTOWN, geography and the study of the Americas.

Seventh grade social studies covers geography and the study of Early Civilizations. The curriculum travels through history and culminates during the Renaissance time period.

Eighth grade social studies continue after the Renaissance with expansion into the New World. Emphasis is on American history up through the Civil War.

### **Honors**

Additional information related to LDMS Honors courses can be found on the school website.

### **Grading and Report Card System**

At the beginning of the school year, each teacher will explain the grading procedures to each of their classes. Those procedures will also be a part of the course syllabus.

Report cards for the first and third marking period will be able to be accessed via PowerSchool. These grades should be finalized one week after the close of the nine-week marking period.

Physical report cards will be provided to students after the second marking period and then again at the end of the school year. These report cards will be issued within two weeks after the close of the nine-week marking period. Report cards will be

mailed home at the end of the second and fourth marking period.

The middle school courses use the grading system that appears below:

Lower Dauphin School District uses PowerSchool for its student information management system. As a component of PowerSchool, parents can access real time information regarding their child's academic records, including grades and attendance records, via the internet. The website location is <http://powerschool.lds.k12.pa.us>. All parents are issued a confidential ID and password to access their child's records from the PowerSchool Parent Portal. It is recommended to choose the weekly updates and not daily. Each student is also given a unique log-in. For further information, please contact your child's school counselor or the middle school office.

### **Canvas**

In addition to Powerschool, teachers use Canvas as their classroom management system. This is a great resource for classroom information such as syllabus, classroom policies and procedures, homework, assignments and resources.

Parents are able to create an account to have access to view their student's courses.

For further information on how to do this please refer to the references on the LDS website.

## **Discipline**

### **After School Detention**

When students engage in disruptive behavior that affects the learning environment.

After school detention provides an opportunity for students to catch up on work under supervision. If a student chooses not to attend after school detention, additional consequences will be assigned.

After school detention will be held on Mondays and Wednesdays from 2:37 till 4:30 and activity buses are available for transportation home.

### **In-School Suspension**

Student behaviors may require removal from the regular day program and into In-School Suspension.

Students assigned to In-school suspension are required to complete academic assignments from their subject teachers while in the program.

### **Out of School Suspension**

Students may be excluded from school and school activities for a period of from one (1) to ten (10) consecutive school days. No student shall be suspended without due process.

Students under suspension are not permitted to participate in or attend any school sponsored activities both on and off Lower Dauphin School District property.

Students shall have the responsibility to make up exams and work missed while under suspension.

### **Homeroom**

At 7:20 AM, students are excused from the cafetorium or gym to their homerooms. All students are expected to be in their homerooms by 7:35 AM. At the start of the homeroom period, the teacher will take roll.

### **Announcements**

Announcements are posted daily on Canvas for all students to access. Daily announcements will also be made via the PA system.

### **Activity and Resource Period**

Period 4 of each day is utilized either for study hall or activities such as clubs, remediation, or enrichment. Performing music groups including the bands, choruses, and orchestras rehearse during this period.

### **Homebound Instruction**

In cases where students are ill or recovering from injuries for a long period of time, the school will arrange for instruction in the home. Parents should call their child's school counselor for information on how to apply for this service should it be needed.

### **Homework**

The purpose of homework is to provide students with an opportunity to practice new learning independent of the teacher. Homework is developmental in nature, and increases in scope and difficulty with the maturity of the student.

Each middle school student is given a planner at the beginning of the year in which to record assignments for each class. Students are also encouraged to actively use their Canvas account for homework as well. Parents can be very helpful in seeing that homework is completed each evening.

Some projects are long-term and require students to budget time over an extended number of days in order to complete the project successfully. These assignments should also be recorded in a student's planner.

Students who lose their planners may purchase replacement copies in the office.

### **Honor Code**

Honesty in the completion of school work is expected of all students. Every student has an obligation to do his/her own work on tests and other classroom assignments. Plagiarism violates the honor code. Therefore, students who plagiarize work will be subject to disciplinary action just as they would with more obvious forms of cheating. Should a student break the honor code, he/she may receive a modified grade for the test or assignment in question and be subject to other disciplinary consequences as appropriate.

### **Honor Roll**

Honor Roll recognizes individual student achievement. Comprised of two levels, Distinguished Honors and Honors, the Honor Roll is compiled each nine weeks.

To achieve Distinguished Honors status, a student must earn all grades of A- (90%) or above. To achieve Honors status, he/she must earn all grades of B- (80%) or above.

In the courses that utilize a pass/fail system, a grade of "pass" is required for either honor roll.

Students who achieve Distinguished Honors from the first MP of 6<sup>th</sup> grade through the 3<sup>rd</sup> MP of 8<sup>th</sup> grade will be recognized by the school board for their outstanding academic achievement.

### **Interscholastic Sports Eligibility**

All student athletes must pass at least 3 core subjects in order to be eligible to compete. Eligibility will be checked on Fridays. Students who are determined to be ineligible may participate in team practices, but may not play in scrimmages or games involving other schools for the following week Sunday through Saturday. Students who do not pass at the end of the marking period shall be ineligible for fifteen school days of the next marking period.

A student who is absent from school during a semester for a total of twenty or more days shall not be eligible to participate in any athletic contest until he or she has been in attendance for a total of sixty consecutive school days following his or her twentieth day of absence.

### **Making Up Missed Academic Work**

It is the student's responsibility to contact teachers, and review each Teacher's Canvas course upon return to school concerning schoolwork missed because of absence. Students must communicate with their teachers within 3 days after returning to school. Work must be completed within a reasonable time period established by individual teachers.

### **Promotion and Retention**

When a student fails two of the core subjects (i.e., English, mathematics, science, social studies), he/she may be promoted only if the student makes up one of the courses in summer school.

When a student fails three core subjects, he/she may be promoted only if the student makes up two of those courses in summer school.

When a student fails more than three core subjects, he/she must repeat the year.

The principal will consider on a case-by-case basis, requests from students who have failed the year to attend summer school for make-up work.

To make arrangements to attend summer school, students should contact their school counselor.

### **Student Records**

Each student has a cumulative file that includes grades, test scores, and attendance records of his/her school career. Those records are available for review by parents with the assistance of the school counselor. To see a child's records, parents should contact their child's school counselor.

### **Textbooks and Equipment (Computers)**

Students are responsible for the safekeeping and care of all textbooks and equipment (computers) issued to them on loan at the opening of the school year or upon their enrollment. Students are expected to use the case provided for their computer as well.

At the end of the school year or upon a student's withdrawal from school, students are required to return all books and equipment. Students will be assessed an amount equivalent to the item's replacement value for anything not returned or damaged.

### **Academic Assistance**

Academic Academy, an after-school, teacher-staffed academic assistance opportunity provided for students from 2:45 until 4:30 PM on Wednesdays. For additional information, contact the Guidance Office.

### **Volunteers/Chaperones for Lower Dauphin School District**

Lower Dauphin recognizes and encourages the selection and use of parents, community members, and others as volunteers to assist and supplement currently employed Lower Dauphin staff. The basic requirement of volunteer service shall be an interest in the educational program, enjoyment in helping children, and a sincere belief that by volunteering, a contribution will be made to the learning process. As per School Board Policy #916, due to changes in state law, volunteers who have "direct contact" with Lower

Dauphin students will be required to have updated background checks.

Volunteers need to be approved by officials at the District Administrative Center (291 E. Main Street, Hummelstown) in order to volunteer. This applies to all volunteers who have direct contact with children, which is defined as the care, supervision, guidance or control of children, or routine interaction with children.

Upon successfully presenting the required documents, volunteers will be issued a Lower Dauphin "Approved Volunteer" badge that is to be worn at all times while volunteering.

As required by the state's new Child Protective Services Law, all individuals who do not provide the district with up-to-date clearances will not be permitted to volunteer.

## ***About Attendance...***

### **Attendance & Enrollment**

Regular school attendance is not only a prerequisite for a successful experience, but it is also mandated by the Pennsylvania Public School Code. It should be viewed as an inherent responsibility on the part of the student, parent, and school because of its relationship to the academic and social realms of the learning process.

### **Categories of Attendance**

#### **Excusable Absences (School Board Policy 204)**

The following conditions constitute reasonable cause for absence from school according to School Board Policy 204: Illness, including if a student is dismissed by district staff during school hours for health-related reasons; Obtaining professional health care or therapy service rendered by a licensed health practitioner in any state, commonwealth or territory; Quarantine; Family emergency; Recovery from accident; Required court attendance; Death in the family; Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request; Observance of a

religious holiday observed by bona fide religious group, upon prior written request from the person in parental relation; Nonschool-sponsored educational tours or trips (under certain conditions); Other urgent reasons that may reasonably cause a student's absence, as well as circumstances related to homelessness or foster care; Participation in a musical performance in conjunction with a national veterans' organization or incorporated unit, as defined in law, for an event or funeral.

#### **ALL OTHER ABSENCES ARE UNEXCUSED.**

##### **Unexcused Absences – Parental Notice of Absence**

(School Board Policy 204) When a student has been absent for three (3) days during the current school year without a lawful excuse, district staff shall provide notice to the person in parental relation who resides in the same household as the student within ten (10) school days of the student's third unexcused absence. The notice to parents/guardians of the student's third unexcused absence may include an offer of a School Attendance Improvement Conference. If attendance does not improve after notification, the student may be placed on doctor's excuse required. This means that every absence thereafter will require a doctor's verification of illness.

If the student incurs additional unexcused absences after issuance of the notice of the student's third unexcused absence, and a School Attendance Improvement Conference was not previously held, District staff shall offer a School Attendance Improvement Conference. The outcome of the SAIC shall be documented in a written School Attendance Improvement Plan (The Plan). The Plan shall be retained in the student's file. A copy of the Plan shall be provided to the person in parental relation, the student, and appropriate District staff.

When a student under fifteen (15) years of age is habitually truant, District staff shall refer the student to a school-based or community-based attendance improvement program; or the local children and youth agency; and may file a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the student.

#### **Chronic Absenteeism**

Parents of students who are excessively absent during the year will be notified by letter that the school is concerned at the number of absences. The district considers excessive absences as follows:

1st marking period.....10 days

2nd marking period.....12 days

3rd marking period.....16 days

4th marking period.....18 days

If attendance does not improve after notification, the student may be placed on "Doctor's Excuse," which means that every absence thereafter will require a doctor's verification of illness. Failure to produce the required doctor's excuse will result in the absence being recorded as unexcused or truant, as appropriate. A Doctor's Excuse means that the Licensed Health Care Provider, one who prescribes medications, must certify that a student was under his/her care for the period of the absence and must include all dates for which the student is to be excused.

When a student accumulates one truant absence, parents will be sent what is termed a "First Absence Notice." Three or more truant absences will result in an "Official Notice of Truancy" notice sent to parents and/or guardians. The district's Home and School Visitor may meet with any student who accumulates four or more truant absences to discuss reason for absences. Six or more truant absences will result in a final "Official Notice of Truancy" and the scheduling of a School Attendance Improvement Conference. Subsequent truant absences will result in a citation submitted to the local district magistrate's office. See policy 204 for more information.

#### **Procedures When Absent**

The following procedures are set forth to promote and encourage understanding concerning absences from school.

- When a student returns to school from an absence, they must always present an excuse signed by a parent or guardian or parents can email [MSAttend@ldsd.org](mailto:MSAttend@ldsd.org) to submit an electronic excuse note. Failure to bring a written excuse will result in an unexcused absence. If a student fails to bring in an excuse signed by his/her parent or guardian within five days of their absence, the absence will remain "unexcused" for the remainder of the year.

- When a student returns to school after an absence of five or more consecutive days, he/she must present a signed note from the physician before re-entering the classroom.

- A note and a parent signature at time of signout must accompany all requests for early dismissals/late arrivals. A note from the doctor, dentist, etc., may be required if there are excessive requests for early dismissals/late arrivals.

- Any child who has been absent with a communicable disease should have a doctor's note to return to school and must be seen by the school nurse.

### **Educational Tours and Trips**

(School Board Policy 204.1)

The educational program offered by the Lower Dauphin School District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The School District also recognizes that there will be times that families will want to participate in educational tours and trips independent from the School District during the school year. We ask that any family planning a trip during the school year follow these guidelines for approval for the sole purpose of obtaining an excused absence from the educational program.

Prior to the trip you should obtain a request form for approval of the educational tour or trip. These forms are available in the school office. The request form must be received by the building representative at least five (5) days prior to the departure date of the tour or trip. The student is then responsible for obtaining all course work that will be missed during the departure and for completing such work within a timeframe specified by the teacher. The building representative may approve a family educational tour or trip not to exceed seven (7) consecutive school days in length, or a combination of several trips which do not exceed a total of seven (7) school days during any one (1) school year. **No trips are to be excused during state testing dates.**

### **Tardy to School**

Arriving late to school is a serious matter. Any student who arrives late for the homeroom attendance

check must report immediately to the main office. Students who are habitually tardy may be subject to truancy guidelines stated above. In order for the tardy to be excused, a note must accompany the student.

### **Change of Address**

Any student who has a change of address, telephone number, or other information which should be known by the school must report the change immediately to the middle school office. In the event that the school needs to contact the parent by phone or letter, it is critical that the school's information on each student be accurate and up to date.

### **Non-Resident Tuition**

Parents must pay special attention to moving dates to avoid non-resident tuition. Parents who are planning to move into or out of Lower Dauphin School District during the school year need to be aware of the school board policy #202 that requires tuition for students whose families live outside the district for a certain portion of the school year.

The tuition applies to parents who are relocating **during** a school year but want their child enrolled at Lower Dauphin for that **entire year**. If your child is currently enrolled at Lower Dauphin Middle School and you are planning to move out of the district during the school year, you must move out on or after April 1 in order to avoid paying tuition for the remainder of the school year. Resident students who move out of the district prior to April 1 of a school year may be permitted, with Superintendent approval, to complete the remainder of the school year in this district. If permission is granted, the parent/guardian shall be subject to the statutory tuition charge. This may be adjusted by the Board unless the district of residence offers to pay the tuition. If your family is planning to move into Lower Dauphin School District after the start of the school year but want to enroll your child in Lower Dauphin Middle School from the beginning of the school year, you must move into the district before or on November 1 of the current school year. If your family moves in any day after November 1 but your child already has been enrolled and attending Lower Dauphin Middle School, you will be charged tuition costs per child from the first day of attendance.

It is the parent's sole responsibility to notify the principal of any intended move and to discuss other requirements of the move, such as transportation. Any custodial parent moving into or out of the District is required to demonstrate proof of their anticipated move when tuition costs become an issue.

### **Withdrawal from School**

Parents who need to withdraw their child from Lower Dauphin Middle School should contact the attendance secretary at least two days in advance of the actual withdrawal from school. The parent or guardian must come in to the school to sign the withdrawal form.

Students will follow the steps below in withdrawing from school:

- 1) Return all textbooks, money owed, computer and components, equipment borrowed, etc., to each teacher/advisor, and secure the teacher/advisor's initials on the withdrawal form given to them by the attendance secretary.
- 2) Secure their school counselor's signature on the withdrawal form. At that time, the counselor will conduct an exit interview.
- 3) Return the completed form to the attendance secretary who will obtain the principal's signature, indicating his permission for the student to withdraw from school.

The Grill - Hot sandwich meal of burgers or chicken patty sandwich, fries, salads, yogurt parfaits, fruit and milk.

Monthly menus are posted in the cafetorium.

Seasonal changes, special school programs, or shifts in student preferences are all taken into consideration in menu preparation.

The Lower Dauphin School District operates on a computerized debit system. This system allows you to pay in advance for meals by check or online at [www.myschoolbucks.com](http://www.myschoolbucks.com) by using the Student's ID number. Students are still able to pay cash at the register.

Students must enter their student ID number into a keypad to pay for lunch regardless of their meal status (paid, free, or reduced) or paying cash.

Students may deposit money into their established debit account by placing cash or check into a pre-printed envelope. Students/parents are expected to stay current on lunch payments. Failure to do so will result in administrative actions.

### **School Lunch Charges**

(School Board Policy 808.1)

No student who requests a meal will be denied a main lunch option, unless the student's parent/guardian has provided written permission to withhold a lunch.

A-la-carte items are not part of the main lunch and can only be purchased with positive lunch account funds or cash. Parents/Guardians are solely responsible for providing their children with money for lunch.

*Parents will receive a letter from the school principal when the outstanding balance on the cafeteria account exceeds \$25. For accounts with a negative balance of more than \$75, parents will receive a letter from the district superintendent and a notice that if payment arrangements are not made within 14 days, the balance will be turned over to a collection agency.*

### **Fundraising**

All school-related fundraising is coordinated through the principal's office. Students may not sell items at school which have no connection with the middle school.

### **Insurance**

Parents may purchase a low-cost accident insurance plan by completing the insurance form at the beginning of the school year, which is available on the school website.

Parents whose child is participating in athletics must purchase this insurance or sign a statement indicating that the athlete is covered by a family insurance policy.

Two types of Student Accident Insurance will be available:

1. **School-time Protection** – This plan covers the student on the way to and from school as well as while school is in session. It also includes school-sponsored field trips and participation in school events (athletics, clubs) with the exception of interscholastic football.
2. **24-Hour Protection** – Under this plan, a student receives coverage whether or not school is in session. This policy extends until the Master Policy expires.

If a student has an accident at school, a report must be filed by a teacher or activity advisor with the principal's office on the same day, or as soon as possible thereafter. If there are any medical bills from a hospital, parents must be sure that the hospital completes the forms, which the school provides. The hospital must, in turn, send the insurance company an itemized listing of expenses so that payment can be made in a timely manner.

### **Lockers**

Each student will be offered a locker by his/her homeroom teacher. Students must use only the locker that is assigned to them and must keep their lockers locked at all times. Placing stickers and pictures on or in lockers is prohibited. "Rigging" the lock to keep it from locking damages the lock and is considered to be an act of vandalism. Students are prohibited from sharing lockers with fellow students or switching lockers without a teacher or administrator's permission.

Lower Dauphin Board Policy #226.1, the Board acknowledges the need for safe in-school storage for students' belongings. In addition, the Board recognizes that the storage of weapons, drugs, or unsanitary materials in lockers constitutes a health, safety, and welfare concern to the school community. Balancing these competing interests, the Board places students on notice that their lockers may be periodically and randomly inspected and searched by officers, agents, and employees of the school district, and illegal or prohibited materials shall be seized and may be used as evidence against the student in disciplinary, juvenile or criminal proceedings.

Lockers are and shall remain the sole and exclusive property of the school district. Lockers are not places of privacy for the belongings of the students, and students should not expect that their lockers or the contents thereof will be kept private from the district; they may be opened for a variety of administrative reasons. No student permission is necessary to enter a locker, and the locker is not to be considered private property of the student.

The Board authorizes designated administrators to inspect a student's locker when such administrator

has reason to believe that the locker is improperly used for the storage of contraband, of a substance or object the possession of which is illegal, or of any material, that poses a hazard to the safety, health and good order of the schools. The Board further authorizes the use of canine “sniff” searches or other detection devices of lockers to identify lockers that should be opened to be searched. Students are expected to keep their lockers clean and the contents organized. They are also expected to keep their lockers locked at all times. The school will assume no responsibility for articles stolen or removed from students’ lockers.

### **Telephone Use by Students**

Should a student need to use a telephone during the school day, a phone is available in the school office for that purpose. Students can secure permission from any secretary to make a call; however, calls deemed by administrator or secretaries as being unnecessary will not be permitted. A reminder that cell phones must be away during the school day unless used for an academic purpose with teacher permission.

### **Transportation Services**

Lower Dauphin School District has contracted Rohrer Bus Services to provide transportation services for students.

Bus routes are established during the summer months and parents are notified prior to the start of school. Students may ride only the bus to which they are assigned and may use only the bus stop to which they are assigned.

Bus passes will be issued for emergency use only and are not to be used as a regular weekly event or convenience. Passes are not to be used for events such as but not limited to, play dates, school project work, study days, parents to go on vacation, etc. Emergency use is defined as things which could include a death in the family or unplanned hospitalizations that require alternate transportation arrangements with a friend or relative. Passes may not be written for students to ride different buses unless the school has cleared this through transportation to ensure space is available on the other bus.

All pass requests must be submitted to the school office by the parent in writing prior to permission being given to ride. Telephone requests will not be honored. The school office must verify that the request is legitimate and meets the acceptable guidelines. Weekly passes will not be permitted. Drivers will not accept notes from parents at any time.

Questions about transportation, bus routes, or bus stops should be directed to the Lower Dauphin School District’s transportation office by calling 566-5340.

Activity Bus: Late buses are available on Mondays and Wednesdays for those students who participate in after-school activities. Late bus routes are established according to each day’s riders. Drivers are instructed to take the most reasonable route possible in driving students home.

Activity bus stops are established within general areas. In the event of bad weather or absence of student demand, activity bus runs are canceled.

Students must secure a bus pass from a teacher, coach, or advisor in order to ride an activity bus. There are daily and permanent passes, both of which may be used only for the activity for which they are given, and only on the dates indicated.

Daily passes may be used only on the date issued and are collected by the driver. Permanent passes remain the property of the school and must be turned in at the conclusion of the activity for which they were issued.

### **Working Papers**

Working papers are not available at the middle school. You can only apply for working papers at the high school office. Any questions, please call (717)566-5327.

## ***About Student Services...***

A variety of support services are available to middle school students. Two of those services are directly related to academics. A description follows:

Gifted Program: Although gifted students are heterogeneously grouped with other students for regular instruction, they will receive enrichment and acceleration programming.

Learning Support Program: Direct instruction for learning support students occurs in learning support classrooms that are taught by certified learning support teachers. Instructional support is available to those students who need occasional help to complete assignments or take tests given by the regular education teachers. Learning support teachers are an integral part of each teaching team, for they advise and assist regular education teachers in helping learning support students be successful in every class in which they participate.

### **Guidance Program**

Three full-time, certified school counselors serve middle school students, parents, and teachers. Functioning as student advocates, the counselors provide both individual and group counseling.

The school counselors are available to help students with their problems, whether problems are school-related, vocational, social, or personal in nature. If a student's counselor is unavailable when a student asks to see him/her, the student should request a guidance pass from the secretary.

Counselors also are responsible for student orientation, scheduling, report cards, administration of standardized tests, and new student-parent consultation.

An extension of the guidance office is the district's school psychologist. A counselor may involve the psychologist for diagnostic and prescriptive services, consultation, or securing a referral to the intermediate unit or community services.

### **Health Services**

The school is staffed by a full-time, certified school nurse who administers first aid treatment, medications, emergency care, and referral. The Lower Dauphin School District maintains a comprehensive health program which integrates health and education. The following health services are provided to students each year:

#### Grade 6

- Body Mass Index (BMI) Screening
- Scoliosis Screening
- Vision Screening

#### Grade 7

- Body Mass Index (BMI) Screening
- Scoliosis Screening
- Hearing & Vision Screening
- Dental Examination (It is recommended that students have their family dentist complete this exam, and bring the completed report to the nurse's office at the start of school.)
- PIAA Sports Physicals

#### Grade 8

- Body Mass Index (BMI) Screening
- Vision Screening
- PIAA Sports Physicals

Health Room Use: A student wishing to see the nurse must first obtain a pass from his/her teacher.

**7:30 to 7:45 AM**: Students should first report to homeroom for attendance and a pass.

Students who are ill and want to go home must report to the nurse's office. **It is the responsibility of health room personnel to notify parents and excuse an ill student from school. Students using their cell phone and leaving school for illness without the approval of the nurse will be subject to disciplinary action, and their absence will not be school nurse excused but rather a parent note required.**

Health-related emergencies: When a doctor's care is required, the school will contact the parent, who must arrange for transportation to a doctor or medical facility. When a parent cannot be reached, the school may arrange for ambulance transportation to the nearest hospital.

In the event of a life-threatening emergency, the student will be transported by ambulance to the nearest hospital.

**It is important that the computerized annual emergency health information in InfoSnap be completed so the necessary people can be contacted in the event of a medical emergency. Please keep the school informed of any new phone numbers throughout the school year.**

#### **Medication Policy**

If possible, parents should ask their physician to schedule their child's medication administration so that it may be given at home. When it is necessary for your child to receive medication during school hours, please complete the "Authorization to Take Medications During School Hours" form signed by your physician, and attach it to the medication. Forms are available on the LD website under school nurse, or by contacting the nurse directly.

Prescribed medication must be presented in a secure and properly labeled container. Any medication to be taken at school must be brought by the parent to the nurse's office. Students are not permitted to transport medication to and from school. Individually prescribed inhalers and Epi-pens may be carried by student with proper authorization forms.

The nurse may also provide a few "over the counter" medications for the comfort of students during the school day. The use of these medications is very specifically directed by the school physician consultant, *Dr. Glen S. Bartlett*. The annual health update, in InfoSnap, lists these medications and requires parent permission for each medication the nurse can administer to their child.

Epinephrine (Adrenalin) is not listed and would only be used in a life or death situation for an allergic reaction or for an asthma attack. Aspirin will not be used as it could precipitate Reye's Syndrome.

#### **Education Rights of Homeless Children and Youth**

The Lower Dauphin School District encourages children and youth who are homeless to enroll in school. The district will make reasonable efforts to identify homeless children within the district, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulation.

If you are homeless or know of a child or youth that is homeless and not attending school, please contact the district director of pupil services, at 717-566-5318.

#### **Who is Considered Homeless?**

Any child or youth not attending school who lacks a fixed, regular and adequate nighttime residence is considered homeless and includes those who are sharing housing with others due to loss of housing or economic hardship. Also included in the definition are children and youth who are living in hotels, camping grounds, emergency shelters, cars, bus or train stations, abandoned in hospitals, awaiting foster care placement, living as migratory children in conditions described in previous examples, living as run-away children, abandoned or forced out of homes by parents or caretakers, or similar settings.

#### **What are the Education Rights of Homeless Children?**

Our schools provide equal and comparable access to all students regardless of their home living situation. Homeless children and youth have specific rights that include: • Immediate enrollment in school and, when desired or feasible, at the school of origin, and • Prompt provision of necessary services such as transportation. • Appropriate support services and programs for which they are eligible such as programs for gifted, children with disabilities, vocational education, preschool, meal programs and the federally funded Title I program.

#### **Library/Media Center**

Throughout the course of the year, students in all grades receive instruction on information literacy skills to help them complete research assigned in their subject classes. Students are encouraged to utilize the media center frequently and exercise their privilege to borrow materials. Out of consideration for others, materials should be promptly returned in good condition.

### Safe2Say Something

Safe2Say Something (S2SS) is an anonymous reporting system for school-related concerns. The S2SS program enables students to report something to protect themselves, their classmates, and the community and to help prevent violence, suicides or threats. We strongly encourage students to talk to trusted adults about their concerns; however, if a student is not in school or does not have an adult they can tell, they can choose to report their concerns through the S2SS program. There are 3 ways to submit a tip in S2SS:

1. The Mobile App(Safe2Say Something PA)
2. Website – [Safe2SayPA.org](http://Safe2SayPA.org)  
Hotline – 1-844-SAF2Say

### Student Assistance Program (SAP)

SAP is a program which identifies students who are having school-related difficulties because of either

substance abuse issues or mental health issues. Comprised of a core team of trained school personnel, the student assistance team refers students and their families to those community agencies that can offer assistance and support. Referrals to the Student Assistance Program may be made by parents, teachers, or individual students by contacting any of the school counselors or the school nurse.

## Code of Conduct Manual

2024-2025

## **Code of Conduct**

Student conduct is closely related to learning. An effective educational program requires a safe and orderly learning environment. Our mission is to create a learning environment that respects all students, provides them with opportunities to access our educational environment and prepares them to be responsible, contributing members of society. For this reason, students are responsible for understanding and complying with our Code of Conduct during academic, extra-curricular, athletic activities, and other school sponsored events.

Students who do not uphold the guidelines of the Code of Conduct will be subject to disciplinary consequences. These consequences may include detention, suspension, and possibly expulsion from school when students are guilty of infractions. Further, students who do not conform to these expectations may be excluded from any school function including extra-curricular activities, athletics, or school trips.

The school code of conduct will be reviewed with all students at the beginning of the year and periodically throughout the school year as needed. New entrants will meet with their School Counselor and review school guidelines upon enrollment.

## **Progression of Disciplinary Actions**

The intention of progressive disciplinary actions (listed in the table below) is to promote meaningful reflection and responsible ownership in order to affect positive change and prevent future infractions. These guidelines and the examples listed in the chart below, may not address all possible issues. Therefore, it may be necessary for the Administration or faculty to make a determination of additional support and/or consequences in some instances (e.g., SAP referral). As for responding to student conduct, the Administration reserves the right to modify disciplinary action based on individual circumstances and investigation. Multiple violations of behavior at each level will demonstrate a pattern of behavior, therefore students will be held accountable for the next progressive level.

Any offense that is suspected to be a violation of law will be referred to the School Resource Officer and/or local law enforcement.

The student handbook and related consequences will be adjusted periodically to align with changes made to school board policy.

## **Dress Code (Adopted 06-10-24)**

### **DRESS CODE**

Lower Dauphin School District recognizes that each student and their parent/guardian hold the primary responsibility for determining the student's personal attire, hairstyle, jewelry, and personal items (e.g., backpacks, book bags). The District and its schools are responsible for ensuring that student attire, hairstyle, jewelry, and personal items do not interfere with the health or safety of any student and does not contribute to disrupting the learning environment for any student.

Students have the right to be treated equitably. Students should be able to dress and style their hair for school in a manner that expresses their individuality without fear of discipline. Enforcement of the Dress Code will not create disparities, reinforce or increase marginalization of any group, nor will it be more strictly enforced because of race, racial identity, ethnicity, gender, gender identity, gender expression, gender nonconformity, sexual orientation, cultural or religious identity, socio-economic status, body size/type, or body maturity.

Students **must** wear (see illustration below):

- Top (shirt, blouse, sweater, sweatshirt, etc.) extending to the bottom (defined below) with shoulder straps (no spaghetti straps). The top must cover the entire area from armpit to armpit and extend down, in one continuous piece, to the top of the bottom (see illustration below); Undergarments should not be visible.
- Bottom (pants, shorts, skirt, dress, etc.) that cover all private parts at all times; Undergarments should not be visible.
- Footwear; and
- Any additional student attire, when necessary, to ensure safety in certain academic settings (e.g., physical activity, science, or Career and Technical Education courses).

Students are **not permitted** to wear clothing, headwear, glasses, jewelry, or personal items that:

- Displays vulgar, lewd, pornographic, profane or sexually suggestive content.
- Displays racist references, threats, unlawful activity, violent conduct, gang membership or affiliation, weapons, drugs, alcohol, tobacco, or drug paraphernalia.

- Demonstrate hate group association/affiliation and/or use hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or other protected groups.
- Have spikes or chains of any length for safety reasons.
- Conceal the identity of the student (including but not limited to hoods, hats/head coverings, sunglasses)

Attire worn in observance of a student's religion is not subject to this Student Dress Code.

#### Enforcement:

- Though initially not disciplinary in nature, a student may be taken aside and instructed to leave their classroom briefly to change clothes and return promptly to minimize loss of instructional time. Staff and administration will use reasonable efforts to avoid a discussion concerning dress code violations in front of other students. Further, no student shall be referred to as “a distraction” due to their appearance or attire.
- Dress Code violations may result in a Level One violation.
