

# BACK to SCHOOL

2024-2025

## Back to School Checklist

### ○ Complete the Enrollment Paperwork

Make sure your incoming Kindergartener or new-to-district student is enrolled!

[biglakeschools.org/enroll](https://biglakeschools.org/enroll)

### ○ Complete the Annual Updater

Required for all students entering gr. 1-12. Update contact info, request bussing, update immunizations, submit the technology agreement, and more.

Complete Via Infinite Campus (Instructions: [biglakeschools.org/back-to-school](https://biglakeschools.org/back-to-school))

### ○ Submit the Educational Benefits Form

Optional (but encouraged) for all families. Filling out the Educational Benefits form can lead to school-related discounts for you, and boosted funding for your school!

### ○ Request Bussing/Review Routes

Request transportation through the Annual Updater. If you do not request bussing, your child will not be assigned a route! In mid to late August, you will be able to view routes in Infinite Campus and will receive an email to set up BusWhere.

Recheck routes the night before school starts in case of any last-minute changes!

### ○ Buy School Supplies

[biglakeschools.org/supply-lists](https://biglakeschools.org/supply-lists)

### ○ Mark Your Calendars for Back-to-School Events

Review open house/first day schedules and the school year calendar.

### ○ Watch for Building-Level Communications

You can expect to receive information from your child's building around mid-August.

### ○ Review Student Handbooks and Annual Notifications
