

BASE: Before and After School Enrichment

Lakeland Joint School District is offering the BASE program at Athol Elementary, John Brown Elementary and Garwood Elementary for the 2024-2025 school year. If your child is zoned for one of our other schools and you need access to the BASE program, please fill out a Zone Transfer request form. We will honor Zone Transfer Requests as class sizes permit. We apologize for any inconvenience this may cause our families.

BASE is an Idaho State licensed childcare provider designed to provide quality and affordable care in a safe and familiar school setting. We are funded and supported by family fees.

BASE employees receive an enhanced criminal background check and have ongoing professional development through training that covers specialized topics such as child development, organizational skills, safety issues, activity planning, and first aid. BASE professionals come to us from varied backgrounds and have experience as teachers in childcare centers, classroom aides, coaches, leaders of youth groups, and abuse intervention trainers.

Our Why

Every day we strive to enhance and celebrate the uniqueness of each child in our program with enrichment activities that are fun, creative, healthy, and educational. Our mission is to provide a fun and safe atmosphere for children.
