Employees enrolling or making changes in their elections during the annual open enrollment period should be aware that they cannot make changes during the benefit plan year, September 1, 2024 through August 31, 2025 unless they have a Qualifying Event per IRS Section 125 regulations. Health Savings Account

HSA Bank | <https://www.hsabank.com/> | 1-800-357-6246

A Health Savings Account (HSA) is a great way to help control healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows participants to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money saved in monthly insurance premiums is reserved for eligible medical expenses incurred in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Health Savings Account Highlights

- Balances roll over from year to year.
- Portable – Funds remain with employee even after leaving employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives immediate access to your funds at the time of purchase.
- Expenses also can be reimbursed through the online portal by online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

Who Can Participate in an HSA?

- Must be enrolled in a qualified High Deductible Health Plan (HDHP)
- Cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan
- Cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only)
- Cannot participate if your spouse has a general purpose FSA or HRA at their place of employment
- Cannot participate if you are being claimed as a dependent on another person's tax return

Employer-Paid & Voluntary

Voya Financial | <https://www.voya.com> | 1-800-955-7736

Employer-Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. CFISD provides all part-time and full-time employees working a minimum of 15 hours per week \$30,000 for the basic life policy and \$30,000 for the AD&D Benefit. An accidental death and dismemberment policy provides financial benefits to the insured or their beneficiaries in the event of accidental death, serious injury, or dismemberment resulting from an accident. Benefit reduces to \$19,500 at age 65 and \$15,000 at age 70.

The cost of this policy is paid for 100% by your employer. This is a term life and AD&D policy that is in effect while you are employed.

Additional Benefits

- Accelerated Death Benefit
 - 75% coverage for life Expectancy less than 12 months
- Everest Funeral Planning
- Travel Assistance

Supplemental Term Life & AD&D Term Life - Group #69486-0

Supplemental life insurance is term life coverage that can be purchased in addition to the basic life plan provided by CFISD. It will cover you for a specific period of time while you are employed. Plan amounts are offered in tiers so employees can choose the amount of coverage that works best for them. Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of income to replace, and the waiting period for receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Highlights

- **Plan A** pays for disabling injury or illness to the age of 65
- **Plan B** pays for disabling illness up to 5 years; injury to age 65
- Benefits available over age 65 – reduced benefit schedule applies
- Employees should re-evaluate their monthly disability benefit at least every two years to keep their benefit in pace with their salary
- Provides a maximum benefit of 66 2/3% of your monthly earnings up to \$7,500 if you are disabled and unable to work. **Treats pregnancy as any other illness**
- You do NOT have to use your leave days prior to filing a claim
- Elimination period options for injury/sickness: 0 days for injury/7 days for sickness; 14 days/14 days; 30 days/30 days
- Elimination periods are waived on the first day of hospital confinement
- Rates vary depending on the elimination period and the benefit amount

Guaranteed Issue

- A 3 month/12 month pre-existing condition exclusion limitation exists for the first 12 months after the effective date of coverage

Hospital Indemnity Insurance

Aetna | <https://www.aetna.com> | 1-800-607-3366

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion. A Hospital Indemnity plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or delivering a baby. It also pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

Medical plans help pay providers for services and treatment, but they don't cover unexpected costs that might come with a stay in the hospital. The Aetna Hospital Indemnity Plan pays benefits directly to you, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

Identity Theft Protection

iLock360 | <https://www.ilock360.com> | 1-855-287-8888

Millions of Americans report having their identity stolen each year. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

It takes years to establish a good reputation with credit lenders and employers. Make sure it remains yours by taking advantage of the identity theft insurance offered through your employer.

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income.
