

As used in this policy, diabetes management and treatment plan means a plan prepared and implemented for a student with diabetes which is prescribed by a physician licensed to practice medicine and surgery; a certified, advanced registered nurse practitioner who has authority to prescribe drugs; or a licensed physician assistant who has authority to prescribe drugs pursuant to a written protocol with a responsible physician.

Student Eligibility

Self-care of diabetes may be allowed for students in grades K-12. To be eligible, a student shall meet all requirements of this policy.

Parents or guardians shall submit a written diabetes management and treatment plan from the student's health care provider.

The student shall provide written authorization from the student's health care provider and parent or guardian stating the student has been instructed on managing and caring for their diabetes and is authorized to do so in school. An annual written renewal of parental authorization for the self-care of diabetes shall be required.

While at school, each student capable of managing and caring for the student's diabetes will be allowed to:

- Perform blood glucose level check;
- Administer insulin through the delivery system the student uses;
- Treat hypoglycemia and hyperglycemia;
- Possess the supplies or equipment necessary to monitor and care for their diabetes; and
- Otherwise attend to the management and care of the student's diabetes in the classroom, in any area of the school, on school grounds, or at any school-related activity.

Notwithstanding the above, the district reserves the right to put reasonable place and manner procedural safeguards in place for the safe and nondisruptive exercise of such rights by students with diabetes.

Employee Immunity

The board and its employees and agents, who authorize the self-administration of medication and treatment for diabetes in compliance with the provision of this policy, shall not be liable in any action for any injury resulting from the self-administration of medication. The district shall provide written notification to the parent or guardian of a student for whom this policy is applicable that the board and its employees and agents are not liable for any injury resulting from the self-administration of medication. The parent or guardian shall sign such notice and acknowledge that the district incurs no liability for any injury resulting from the self-administration of medication and agrees to indemnify and hold the board and its employees and agents harmless against any claims relating to the self-administration of medication pursuant to this policy.
