

Dear Parent/Guardian,

We are thrilled to serve your child for the 2024-2025 school year!

All students at Centreville Public Schools will be able to receive BREAKFAST AND LUNCH AT NO COST for the School Year 2024-2025.

- Additional items can be purchased at cost: extra entrees, drinks, snacks, etc.
- Purchasing milk alone costs \$.50/carton. However, students who bring their lunch from home can also get a free complete meal that includes 1/2 cup vegetable, 1/2 cup fruit, **and** milk. This is a good way to pack a light lunch at home **and** participate in school lunches at no additional cost.
- Education Benefit Forms are still being requested even though breakfast and lunch are free. The state uses information from these forms to provide funds to the district for supplementary educational programs that benefit all Centreville students. **PLEASE** take the time to fill out this form.
- Parents or guardians can complete the EBF sent home, print one from the PDF link on the Food Service page on the district website, or online at <https://centreville.familyportal.cloud/>. It's an easy and confidential way to ensure your child receives all the benefits that are available.
