Pride Honor Success

At Pearland High School we believe in cultivating a culture of excellence that nurtures our students' empathy, education, and passion. We feel it is vital in the 21st century to educate the whole student. Students are constantly encouraged by our staff to push themselves beyond what they feel they can accomplish. We encourage them to dare greatly and overcome failure that we truly find our greatness. This concept of overcoming our shortcomings is called Oiler Drive.

To be an Oiler means you live out our motto: **Pride, Honor, and Success**. Our students take pride in their effort and accomplishments and in being a part of Oiler Nation. We instill pride in every aspect of what we do at Pearland High School. Our students are taught to take on the challenges they face in an honorable manner. Honor themselves, their families, and the community. By putting Oiler Drive into practice our students are set up to be successful both while they are here and once they graduated. Most of all our students know that, once and Oiler – always an Oiler. This concept of family and community brings our campus together in a unique manner. We show care and concern for one another. We have a very rigorous educational program, and our students walk away with a passion for Pride, Honor, and Success.
