

ParentSquare

The Great Neck Public Schools invites you to join us on ParentSquare. We are very excited to bring this unified platform for communication to our school district. ParentSquare provides an effective, efficient way for administrators, principals, teachers, staff and parents to communicate.

By signing up for ParentSquare, you will have the ability to customize both the method by which you receive notifications (email, text, app notification, or any combination of those) and the time at which they are delivered (instantly or a digest at the end of the day).

If you have any problems signing up, please contact our Parent Support team at parentsupport@greatneck.k12.ny.us.
