Dear Student and Parent/Guardian,

As a prerequisite to being assigned a Chromebook and access to a digital learning environment, students and parents/guardians must sign then submit this ELBC User Agreement form.

By agreeing to this form, students and parents/guardians are affirming they have viewed the Device Care video, read CCPS Parent/Student Handbook, and will abide by the expectations in the Student Code of Conduct and Acceptable Use Policy.

These materials are available at ELBC information. Violation of policies and procedures may result in losing access to CCPS provided digital resources and possible disciplinary action.

By accepting this form you confirm the following:

WE (student and parent/guardian) have viewed and agree to comply with the program and device care guidelines in the ELBC Orientation Video.

WE (student and parent/guardian) have read and agree to comply with the Digital Resources Guidelines in the Student Handbook.

WE (student and parent/guardian) have read and agree to comply with the guidelines set forth by the CCPS BOE in the Acceptable Use Policy.

WE (student and parent/guardian) understand CCPS provided digital resources and devices are for instructional purposes only and, if abused, privileges will be taken away.
