While attending GV, Erich batted .460 his sophomore year and was named to Allegany County 1st team All-Star. His on base percentage was off the charts. He could hit anywhere in the lineup from 1 to 4 and help the team win. He was a great defensive player and never received enough credit for his work as a pitcher. He just won games, nothing flashy. He was a '5 tool' player....Hit, Throw, Field, Run and Intelligent."
