24-25 ATHLETIC CLEARANCE

What is my Username?

- Your username is the email address that you registered with.

How do I register for multiple Sports?

- If you know you are going to play multiple sports when registering, it is best to add all sports on the first step where you also select the school year and school. If you are registering for additional sports after completing your initial clearance for the year, you will have to complete the process again. The good news is that if you select the student & parent/guardian info from the dropdown on those respective pages, the information will autofill.

What is the 'Physicals' Page?

- This is where you will submit your EL2 physical form for clearance. The physical form can also be downloaded on the Medical History page should you need to access it later.

What is 'Your Files'?

- This area is meant to store your files so they can be accessed later in the year or perhaps years following.

Why haven't I been cleared?

- Your school will review the information you have submitted before clearing you for participation. Once they review your clearance, they will change the status. You will receive an email when you have been cleared for participation.

What if my sport is not listed?

- Please contact your school's athletic department and ask for your sport to be activated.

I was "Denied" clearance, now what?

- You should have received an email with the reason for denial. Please update your clearance accordingly then contact your school's athletic department and ask them to review your information again.
