

First Grade

Dear Parents,

We are asking for your help in donating items that your first grader will be using in their classroom during the year. Some items have **specific brands** listed as these are the best products. Many non-brand items don't work well.

Kindly place items in a plastic bag, label it with your child's name and bring the items on the first day of school. Enjoy your summer and we look forward to a great year!

Your donations are very much appreciated. Thank you!
