Please contact Park Hill Technology Services Help Desk at (816) 359-5000 if you have any questions.

Important Details

- Students will be issued hotspots as they become available. Early signup is recommended.
- Hotspots have 100GB of data for the entire year, which is about 1,200 hours of basic internet browsing. Please note that streaming and downloads use up more data than basic browsing. Once the data is used up there is no way to renew, so please use the hotspot for learning only.
- Students who are returning to school the following year may keep their hotspot through the summer. If a student leaves the district, they must return their hotspot along with their school-issued device.

Park Hill Staff Instructions:

Upon receipt of signed form, please submit a Help Desk ticket with this information at bit.ly/phsd-hotspot-request.
