The Webster Groves School District community is committed to the academic and personal success for every student.

WEBSTER GROVES SCHOOL DISTRICT EQUITY RESOLUTION

In 2001, the Webster Groves School District created a resolution which acknowledged historic discrepancies in learning and performance among groups of children in its schools and resolved to eliminate those discrepancies by working together with others. While progress has been made, disparities still exist. The following proclamation is written to declare the district's commitment to creating a safe, nurturing, and supportive culture and environment where everyone feels valued for who he or she is and where discrepancies in learning and performance among groups are no longer found.

WHEREAS, the Webster Groves School District's commitment to equity and justice will be consistently expressed in words and actions.

WHEREAS, we recognize the importance of understanding the aspects of our district community's history which were especially unjust and inequitable for people of color, and the effect they still have on all children and families today.

WHEREAS, we believe in the dignity and worth of every person regardless of his or her race, color, religion, sex, national origin, ancestry, ability, age, sexual orientation, gender identity and expression, socioeconomic status, or any other individual characteristic.

WHEREAS, the mission of the district is to ensure "academic and personal success" for every child.

WHEREAS, the core values of the district include diversity, individuality, community, and courage.

WHEREAS, we believe in fostering equity, justice, acceptance, dignity and equal rights for all children and adults.

WHEREAS, we strive to remove social, cultural and educational barriers that members of our district community may experience through learning, advocacy, and community partnerships.

WHEREAS, we believe we must directly confront issues of bias and social injustice in order to eliminate the inequitable practices and unsafe environments these issues create for everyone.

THEREFORE, BE IT RESOLVED, the Webster Groves School District Board of Education on this date May 31, 2017, affirms its commitment to lead efforts to advance a culture of equity and justice leading to better lives for all, including but not limited to the elimination of disparities which exist across groups of children in this school district.

ANTI-BIAS ANTI-RACISM POLICY

The Webster Groves School District (WGSD) rejects all forms of racism and bias as destructive to the district's mission, vision, values and goals. The district is committed to the following principles: (1) Establishing and sustaining a school district community that shares the collective responsibility and is held accountable to address, eliminate and prevent actions, decisions and outcomes that result from and perpetuate racism and bias; (2) Cultivating the unique gifts, talents and interests of every student; (3) Eliminating inequitable practices to end the predictive value of social or cultural factors such as race, socioeconomic status or gender on student success; (4) Respecting and validating diversity; and (5) Acknowledging that racism and biases are often compounded by other forms of discrimination including, but not limited to, those protective classes referenced in policy AC, which prohibits discrimination or harassment based upon any characteristics protected by law. All WGSD staff members and students are responsible for being in compliance with this policy and actively participating in all related programs, professional learning, activities, etc. The WGSD will not tolerate any racist or biased acts. Students or staff committing such acts will be disciplined in accordance with applicable district policies and will be provided with training. The complete district policy is available on the district website www.webster.k12.mo.us.

GENERAL INFORMATION

After-School Activities	<p>Students are encouraged to participate in after-school activities on Tuesdays, Wednesdays, and Thursdays. Students will be dismissed at 3:25 pm, and if they are staying for an after school activity, they should arrive at that activity no later than 3:35 pm. Students must remain in the activity until 4:20 pm.</p> <p>Students must leave campus at 4:20 pm when after school activities have ended. If you are unable to promptly pick-up your child at 4:20 pm, please make alternate arrangements for your child. The Webster Rec Center next door to Hixson is a great place for students to participate in activities after 4:20 pm. Your timely pick up of your student is critical to his or her safety as we have limited supervision once activities and events are over.</p> <p>After Labor Day, after-school activities will be offered until 4:20 pm on Tuesdays through Thursdays. An activity bus will be available to students participating in the VICC program. Students not riding the activity bus will need to be picked up or begin walking home when after-school activities end at 4:20 pm.</p> <p>Supervision Hixson does not have an after-school supervision program like Adventure Club. Therefore, students should not remain on campus after 3:35 pm on Mondays and Fridays and 4:20 pm on Tuesdays through Thursdays. Students are encouraged to walk to the Rec Center if their transportation is not on time and be picked up at the Rec. We cannot have students unsupervised throughout the building in the late afternoons. It is a critical safety and security issue.</p>
Arrival	<p>Students should not arrive at school prior to 8:05 am. The building doors remain locked until 8:05 am. Students arriving between 8:05 am and 8:20 am, should enter the building through the main office doors, cafeteria doors, or the Student Services (circle drive) doors and report directly to their designated morning meeting locations.</p> <p>6th grade should report to the Auditorium. 7th grade should report to the Old Gym (Gym A). 8th grade should report to the New Gym (Gym B).</p> <p>Students will be dismissed from these locations to go to their lockers, if needed, and then to their first period class.</p> <p>Students arriving between 8:20 am and 8:25 am should go directly to their lockers, if needed, and then to their first period class.</p> <p>Students arriving after 8:25 am should enter through the Main Office doors to receive a late pass and then go directly to their lockers, if needed, and then to their first period class.</p>

<p>Attendance Reporting</p>	<p>How do I report attendance?</p> <ul style="list-style-type: none"> You can email hixson.attendance@wgmail.org to report an absence, early dismissal, and/or late arrival. You can call 314-963-6450 to report an absence, early dismissal, and/or late arrival. Please follow the prompts to get to the correct person. <p>To whom should I report my child's attendance?</p> <ul style="list-style-type: none"> Students with a last name that starts with A-M will report absences, early dismissals, and/or late arrivals to Mrs. Lamar. Students with a last name that starts with L-Z will report absences, early dismissals, and/or late arrivals to Mrs. Budzinski. <p>Late Arrivals</p> <ul style="list-style-type: none"> Parents should not enter the building to sign their student in. Park in the driveway in front of the Main Entrance. Your student should enter the building and come to the Main Office to sign in. After signing in, your student will be given a pass to class. <p>Early Dismissals</p> <ul style="list-style-type: none"> Please email hixson.attendance@wgmail.org or call us at 314-963-6450 as soon as you possibly can to let us know that you need to pick your student up early. This will give us plenty of time to locate your student and get them out to your car. If you wait until the last minute, then you should expect to wait 15 minutes or more for us to locate your student and get them outside to your car. If you need to pick your student up early, please do so by 2:50 pm. Any early dismissal request made after 2:50 pm will be asked to wait until 3:25 pm. Early dismissal processes are not to be used to get ahead of the regular dismissal traffic. Parents should not enter the building to sign their student out. Park in the driveway in front of the Main Entrance. Call 314-963-6450 and follow the prompts to get to the correct administrative assistant according to your last name. Your student will be called to the Main Office, and if you gave us plenty of notice, then your student will already be waiting for you. Your student will sign out, exit the Main Office, and walk out to your car. Your student will not be dismissed to anyone you did not authorize to pick your student up. We use the list you provided in Infinite Campus as verification.
<p>Attendance Standards</p>	<p>Consistent attendance is necessary for students to be successful in school. The Hixson Middle School staff will implement attendance practices and procedures that are consistent with the Webster Groves School District attendance policy (JED). The following intervention strategies and other actions may occur due to an accumulation of verified (parent/guardian contacted the school regarding the absence) and/or unverified (no contact from the parent/guardian regarding the absence) absences:</p> <ol style="list-style-type: none"> A phone call or email home if the school has not been contacted. A letter or call home after five (5) verified and/or unverified absences. A conference with the principal/counselor after eight (8) verified and/or unverified absences. If a student reaches a combined total of 10-15 verified and/or unverified absences, a letter will be sent home and a determination will be made as to whether or not there is reason to suspect educational neglect. If educational neglect is suspected, we will contact the Children's Division.

<p>Bags</p>	<p>Students may bring a reasonably sized bag to school that fits their needs. However, students are not permitted to bring rolling backpacks to school because they are a trip hazard. Large tote bags, duffel bags, and large coats should remain in students' lockers until the end of the day.</p> <p>Because of the nature of some classes, teachers or teams may decide that having bags in the classroom may be a danger to students during some activities (e.g. science labs). Therefore, students should comply with these exceptions. However, if a student is carrying their laptop or Chromebook, an appropriately sized case may be carried to protect the device.</p> <p>Bags larger than a typical lunch container will not be allowed in the cafeteria at lunch because they are a trip hazard.</p>
<p>Bus Transportation</p>	<p>The Webster Groves School District provides free bus transportation for students who live over 2.0 miles from Hixson Middle School according to MapQuest. To access this service, parents/guardians must complete the bus transportation application and then they will receive a bus pass. Students must present their bus passes to the driver upon boarding the bus. Students who do not have their bus pass may be refused a ride home.</p> <p>Students may not ride another student's bus or get off at another student's stop without written permission from both parents or guardians and approval from the student's grade level administrator. 24 hour notice via email or phone call is required. We will not process these requests without proper notification.</p> <p>Students who are a part of the VICC Program receive transportation to and from school daily.</p>
<p>Cell Phone/Earbud/Headphone Policy</p>	<p>Cell Phones</p> <p>In order to protect instructional time and maintain a safe and orderly school environment, cell phones are not permitted to be used during the school day and should not be seen or heard. Cell phones may only be used before and after school. The best way to prevent loss, damage, or theft is for cell phones to be left at home or to be stored in a secure place while at school. Therefore, the Hixson administration strongly recommends that students store their devices in their lockers, which is a secure storage option that is provided to every Hixson student. We do not recommend that students keep their devices in their bags or on their person. Hixson Middle School is not responsible for lost and/or stolen devices (or any other personal property) that are brought to school. Students who need to make a phone call during the school day may request permission to use the phone in the main office or a classroom phone.</p> <p>Use of cell phones during the school day will result in a staff member collecting the device and turning it into the main office. The device will remain locked in the main office until a parent or guardian is able to pick it up.</p> <p>1:1 Technology</p> <p>Students will be issued a Chromebook at the beginning of the year unless they opt to use their personal device. These devices should be used for academic purposes during the school day, when appropriate, and when given permission by the teacher.</p> <p>Earbuds/Headphones, Tablets, Smartwatches</p> <p>Earbuds/headphones, tablets, and smart watches are only permitted during the school day for classroom use with permission from the teacher. If at any time a device becomes a distraction and the student refuses to comply with a teacher's</p>

	<p>direction to put the device away, then the device will be collected and turned into the main office and must be picked up by a parent/guardian.</p> <p>Gaming Devices and Tablets Gaming devices or tablets may not be used during the school day. They can be used during an after school activity if it is necessary for that activity.</p> <p>Please note: Students should never take pictures or videos of other students. Such actions will result in consequences in accordance with the WGSD discipline policy. Chromebooks and other student devices are not allowed in the cafeteria at lunch time.</p>
Communication	<p>The school website is the best source of information. It can be used to direct you to team websites, PTO, and other important school information. The principal sends a weekly newsletter called the Hixson Happenings to parents every Friday. The newsletter will be posted in Parent Square on Friday afternoons.</p> <p>Follow us on Instagram @hixsonmiddleschool and Facebook - Hixson Middle School.</p>
Dismissal	<p>School is dismissed at 3:25 pm. When students are dismissed, they are expected to exit the building in an orderly and timely fashion. Those students attending an after-school activity should report to that activity immediately. Please make alternate arrangements for supervision for your child, should you not be able to arrange prompt transportation. Your timely pick up of your student is critical to his or her safety as we have limited supervision once activities and events are over.</p>
Fines and Fees	<p>Students may be assessed fines for damage to school-owned textbooks, library books, technology, and/or school property and may incur fees for overdrawn lunch accounts. Fines and fees must be paid before students can receive their Chromebooks at the beginning of the year. Exceptions may be made at the discretion of the Hixson administration.</p>
Hallways	<p>Students should walk on the right side of the hallway when transitioning throughout the building. Students should move through the hallways as efficiently as possible, keeping their hands to themselves and using appropriate speed and volume levels. Students should follow the directions of hallway supervisors.</p>
Library	<p>During class periods, students should acquire a pass to read, check out books, and do research. Our students are very responsible; however, it is important to remember to return books on time and take good care of library materials to avoid fines.</p>
Lockers	<p>6th, 7th and 8th grade students are assigned a hall locker. Students may also be assigned a PE, shop, or orchestra locker, if needed. A copy of each locker combination is kept on file. Students should not give their locker combinations to friends or others in the building.</p> <p>All student lockers are the property of the Webster Groves School District. We retain the right to inspect lockers at any time.</p> <p>Students may access their lockers before/after school, before/after lunch and between all passing periods. This access is on an as needed basis. Students have four minutes for all passing periods and need to manage their time accordingly.</p>

<p>Lunch</p>	<p>Students are dismissed from class to lunch and should arrive at the cafeteria within four minutes of being dismissed from class. Students may eat lunch outside (weather permitting) or in the cafeteria. Students who choose to eat lunch in the cafeteria may play outside after they are finished eating. Outside play is dependent on weather and available supervision. Students are dismissed from lunch back to class and should be respectful of other classes in session as they travel through the halls.</p> <p>For the safety of our students, students may not have food delivered to them at school by anyone other than a parent or guardian.</p> <p>For the safety of all students, personal belongings such as backpacks and chromebooks may not be brought into the lunchroom or taken to recess. Students should place these items, and are given ample time to do so, in their lockers before coming to lunch.</p>
<p>Messages for Students</p>	<p>Parents should leave a message with a secretary, counselor, or grade-level principal if they wish to contact a student during school hours. Please call Mrs. Robin Lamar or Mrs. Tracy Budzinski at (314) 963-6450 if you need a message delivered to your student. Texting or calling your student during the school day on their personal device is disruptive to the learning environment and is a direct violation of the cell phone/electronic device policy.</p>
<p>Physical Education/ Fitness Dress</p>	<p>Students may change clothes for PE, if they prefer, in the locker room. Students should wear shoes that are appropriate for physical activity. Crocs, slides, flip flops, and other types of shoes that do not attach securely to the foot pose a safety hazard and should not be worn during PE class.</p>
<p>Student Dress</p>	<p>Hixson students are capable of choosing clothing for school that is conducive to the educational process, and that does not constitute a threat to health or safety. The following are guidelines to assist each student in choosing clothing that is conducive to the educational process:</p> <ul style="list-style-type: none"> ● Students must wear shoes in the building at all times. ● All coats (including trench coats, rain coats and heavy jackets) must remain in the student's locker during the school day. ● Hats and head coverings are permitted to be worn in the building. ● Any clothing that may create or reflect messaging that is unsafe, offensive, or illegal activity should not be worn. Examples include: <ul style="list-style-type: none"> ○ clothing associated with gangs or displaying gang-related symbols, clothing displaying explicit or implicit sexual content, drugs, alcohol, violence, or obscene language. ● Any clothing that could cause a safety issue for self or others should not be worn. ● Anything that obscures a person's identity, including, but not limited to face painting, ski masks, and sunglasses, should not be worn. <p>Should there be a violation of the school dress code, a private conversation will take place with the student regarding the attire and the student may be required to make modifications. Parents/guardians may also be contacted regarding the incident. Consequences for violating the dress code will be in line with the Webster Groves School District discipline (JG) and dress code policy (JFCA).</p>
<p>School Sponsored Events</p>	<p>Only Hixson Middle School students may attend Hixson's after-school events. Parents should pick students up from after school events on time as we have limited supervision once activities and events are over.</p>

School and District Events	Every effort should be made for students to leave promptly after school, after after-school activities, after evening events at Hixson and after games and other events at the high school. Students who do not leave promptly and loiter on school grounds after school or district events may be subject to discipline.
Tardy Policy (Class)	Students must be in their appropriate classrooms by the end of each passing period. When students are held by a faculty or staff member, they will receive a pass to class. Otherwise, they will be subject to the Hixson Middle School Tardy policy: <ul style="list-style-type: none"> ● 1st tardy - warning, teacher documents tardy and discusses with student ● 2nd tardy - teacher documents tardy, discusses with student, and calls home ● 3rd tardy - teacher documents tardy, assigns a lunch detention, calls home ● 4th tardy - referral to grade-level principal
Tardy Policy (School Day)	When a student is tardy to school five (5) times, a letter will be sent home. When a student is tardy to school eight (8) times, a conference will be arranged with the grade level principal and counselor. When a student is tardy to school ten (10) times, a determination will be made as to whether or not there is reason to suspect educational neglect. If educational neglect is suspected, the district will contact the Children's Division.
Valuables	Students who bring cell phones, iPads/tablets, personal computers, electronics, and other valuables to school do so at their own risk. Students who bring these things to school should lock them in their lockers. Although we do our best to recover stolen property and issue consequences for theft, once stolen property leaves the building it is very difficult to recover. Hixson Middle School is not responsible for stolen or misplaced personal property.

STUDENT SERVICES

Counseling	A guidance counselor is assigned to each grade level. Students may sign up to see the counselor through an electronic sign up sheet, located on the school's website. Counselors will contact students and set up a time to meet. Parents may also contact the grade-level counselor for their student to arrange a meeting time.
Nurse and Health Services	Every student must have a signed emergency health care form (Pupil Information Form) on file with the nurse. Parents are responsible for updating immunization records and Pupil Information Forms. Students may not go to the nurse without a pass unless it is an emergency. If the illness is considered to be serious enough for the student to go home, the student's parent/guardian will be contacted by the nurse. Prescription Medication - The student's authorized prescriber shall provide a written request that the student be given medication during school hours. The request shall state the name of the student, name of medication, dosage, frequency of administration, route of administration, and prescriber's name. The diagnosis/indication for use of the medication shall be provided. When possible, the prescriber should state potential adverse effects and applicable emergency instructions. In lieu of the prescriber's written request, the District

	<p>may accept a prescription label properly affixed to the medication in question. Said label must contain the name of medication, dosage, frequency of administration, route of administration, diagnosis and prescriber's name. A parent/guardian shall provide a written request that WGSD comply with the authorized prescriber's request to give medication. The District will not administer the first dose of an initial prescription except in an emergency.</p> <p>Metered dose inhalers for students with asthma may be carried by students provided a licensed professional's order is received and the parent/guardian has signed a WGSD waiver.</p> <p>Over the counter medication may be given for one week with a parent/guardian's signature. If a medication is to be given for more than one week, a written order by a professional licensed to provide in the State of Missouri is required.</p> <p>A parent/guardian or other responsible party designated by the parent/guardian will deliver all medication to be administered at school to the school nurse or designee. All medication, prescription or over-the-counter, must be in a pharmacy or manufacturer labeled container. The District shall provide secure, locked storage for medication to restrict access to authorized personnel only. A protocol for inventory of Schedule II controlled substances is in place. The administration of medication, including over-the-counter medications, is a nursing activity, governed by the State of Missouri Nursing Practice Act.</p>
<p>Parent Involvement</p>	<p>Hixson Middle School has a very active and involved Parent Teacher Organization, PTO. Please visit our school website or follow PTO on Facebook (Hixson Middle School PTO) or more information, meeting dates, and to become a member!</p>
<p>Screenings</p>	<p>The school nurse may screen students at any time. If you do not wish for your child to be screened, please inform the school nurse in writing by the first day of school in August.</p> <p>All new students to the WGSD have a hearing and vision screening done within the first week of attendance.</p> <p>The school nurse will screen your child for scoliosis upon written request.</p>
<p>Special Education</p>	<p>The Special School District (SSD) of St. Louis County provides free special education programs and services to WGSD residents (3 to 21 years of age) with disabilities when it is determined by the SSD that the disability(ies) significantly interferes with his/her learning or school performance/functioning. The SSD is an independent public school system that was constituted in 1957 through state legislation and voter approval. Technology	<p>Students will be assigned and have access to a Chromebook for use in their classes. Students will be responsible for carrying the Chromebooks to each class as needed. Chromebooks are allowed to go home with the students at the end of each day. Students are responsible for the transporting of Chromebooks to and from school. Students who choose to leave their Chromebooks in their lockers at the end of the day may do so. All families utilizing a district issued Chromebook will be required to pay the insurance fee prior to receiving the device and will complete documentation during the registration process. Families also have the option of utilizing their own device instead of a district issued Chromebook. Misuse of any technology, including personal cell phones will result in disciplinary action in accordance with the WGSD discipline policy.</p>

Hixson Middle School Grading Practices

Grading Formula

A student's grade is determined using the following formula:

- 20% Formative Assessments
- 80% Summative Assessments

Grading System

At the end of every quarter, teachers will communicate academic and citizenship progress for each student.

Academic:

- A 100% - 90%
- B 89% - 80%
- C 79% - 70%
- D 69% - 60%
- F 59% - below

Citizenship:

- 3 - Usually
- 2 - Sometimes
- 1 - Seldom

Teachers may decide how to communicate performance on an assignment or assessment - with a proficiency scale or points/percentages. However, all grades must be entered into SIS as a point or percentage. If using a proficiency scale, the following conversion must be utilized to enter into SIS.

Descriptor	Scale Score	Conversion		Letter Grade
No major errors or omissions regarding the 4.0 content	4	10	100%	A
PARTIAL SUCCESS at 4.0 content	3.5	9.5	95%	
No major errors or omissions regarding the 3.0 content	3	9	90%	
PARTIAL SUCCESS at 3.0 content	2.5	8.5	85%	B
No major errors or omissions regarding the 2.0 content	2	8	80%	
PARTIAL SUCCESS at 2.0 content	1.5	7	70%	C
No major errors or omissions regarding the 1.0 content	1	6	60%	D
With help, PARTIAL SUCCESS at 1.0 content	.5	5	50%	F
Student makes no attempt to show mastery	0	0	0%	

Grade Communication and Frequency

While teachers may choose to enter grades in the Canvas Learning Management system, all final grades must be entered into Infinite Campus. Teachers should consistently communicate to students and families to check Infinite Campus for the final grade.

Teachers are expected to update grades in Infinite Campus every two weeks.

Reassessments/Retakes

Reassessment is an important element of showing mastery of learning components. All students will be provided with one opportunity to reassess on summative assessments only. The highest of the two grades will be entered into Infinite Campus to communicate the current level of mastery.

The following requirements must be met before a student will be given the opportunity to reassess:

1. The student has been engaged in the majority of formative work (classwork, homework, and/or study guide) prior to the benchmark.
2. The student requests a reassessment opportunity within one week after receiving the initial feedback on the assessment.
3. The student has conferenced with the teacher to secure their plan for reassessment to be completed within two weeks after receiving the initial feedback on the assessment.
 - a. The conference may be an email, one-on-one conversation, or a small-group conference.
 - b. The student will complete teacher-created remediation and/or reflection before reassessment. Examples:
 - i. Make corrections to the original study guide or new study guide
 - ii. Complete missing formative assessments
 - iii. Test reflection

Late Work

Penalties distort the achievement record the grade is intended to communicate.

- Teachers will accept late work from students without penalty within the time constraints established by the teacher.
 - There are time constraints for grading purposes or grade cut-offs that could limit the students ability to turn in late work.
 - Quarter end dates are grade cut-offs (not the day teachers grades are due).

Harassment, Intimidation, and Bullying

Bullying that occurs off school premises and not at a school activity may be subject to appropriate discipline if such conduct interferes with the educational environment of the student subjected to the bullying.

Hixson Middle School advises all parents to know their child's passwords for any email and all social networking apps. Further, parents are encouraged to review emails, texts, posts, and online chats frequently on behalf of their student's Internet safety.

Students and parents must be diligent about reporting acts and suspected acts of bullying, cyber-bullying, cyber-threats, and harassment. All school officials follow through on these reports in a variety of ways, including, but not limited to, individual counseling, counselor-facilitated mediations, peer-mediations, disciplinary action from a principal, or any combination of the foregoing.

Hixson Middle School works to prevent bullying and harassment. We work specifically with students who bully and are victims of or bystanders to bullying. For more information, contact your child's grade level principal and/or counselor.
