

Scholarship Application

Mission:

Enable all youth, especially those that need us the most, to reach their full potential as productive, responsible and caring adults.

Scholarships:

To fulfill our mission, the Club raises millions of dollars each year to award scholarships to enable youth to enroll in our programs and services. Unfortunately, we have more demand for Club programs than donations, and therefore scholarships are awarded based on the date you apply, and available funds. We encourage parents to apply early to ensure participation.

Eligibility:

- Being a youth agency, scholarships are only awarded for youth programs
- Scholarships are awarded based on Family income, number of people in the family, and circumstances.
