I want people to know that Ewing High School is full of many motivating teachers and staff. Growing a close relationship with the Ewing High staff has played a huge role in my desire to attend college and further my education. Ewing High also has many school activities, clubs, and social events. I've been to the Black Student Alliance (BSA) festivals and events, I danced on the dance team, Haunted Halls was fun but scary, and the pep rallies are always my favorite.

My favorite teacher is Mrs. Hewlett because she genuinely cares about her students and her work. No matter what Mrs. Hewlett is dealing with outside of school, she never fails to positively share her passion for teaching with her students. She treats everyone as if they are one of her own, she takes the time out of class to explain the lessons, and she makes learning fun and easy to understand.

What is your Senior Experience this semester?

This semester my Senior Experience is working at the Big Easy of Ewing, a southern soul food restaurant. I have been working there for about four years, and I am a junior manager and trainee at the restaurant.

What activities do you participate in school?

In school, I participated in National Honors Society, Black Student Alliance Afro Arts events, Ewing High Varsity softball, and I was on the Ewing High "Blue Flames" dance team.

You have been a member of the EHS Varsity Softball team since freshman year. What are you looking forward to this spring season? What position do you play? Any goals for the season?

This spring season I am looking forward to, growing a closer relationship with my coaches and teammates. I am looking forward to being on the field, in the nice weather, playing the sport I love. I play first base and outfield for the Ewing High School team. My goal this season is to reach the 100th hits club, so I can put my name up on the banner in the school gym. I also want to get better at playing first base because the position is still new to me.

What activities do you participate in outside of school?

Outside of school, I play for the Philadelphia Phillies Urban Youth Academy Softball Team. I own a clothing brand called VIVOapparel.co. I work at Big Easy of Ewing restaurant, I work in real estate, and I am a Greater Mount Zion Church and Change Church member. I do volunteer work at the Young Scholars Institute and AFSCME Union as well.

What awards or acknowledgments have you received in school or outside of school?

I have received honorable mention my entire high school career. I have been selected to be a part of the National Honor Society, I have received the "Most Improved Player" and MVP awards on the Ewing High softball team, and I was elected the BSA MC of the Black History Month Afro Arts event. What do you want people to remember about you after you graduate from high school?

After I graduate from Ewing High School, I want people to remember me as the young woman that worked hard, stayed focused on her academics, loved fashion, always threw the best high school parties, was outspoken, and anything she wanted she hustled and worked to get it. When I graduate and move into my next chapter of life, I want to be so inspirational and influential to the next generation. My plan is to come back to Ewing High School and motivate students to chase their dreams and live their purpose.
