## **EHS February 2024 Senior Spotlight: Meet Isabelle Hanlin**

**What are you most looking forward to this semester?**

I am looking forward to participating in senior experience as well as the senior activities near the end of the year, including prom and graduation.

**What is your favorite subject?**

My favorite subjects are art and history.

**You are a gifted artist. How did you first find your passion for art?**

I have always enjoyed drawing, painting, and anything to do with arts and crafts. Both my sister and my mom are also very talented at art, so I have always been surrounded by it.

**What was your most rewarding experience being a Peer Leader this year?**

Getting the chance to go to Antheil Elementary School as a service project to read and do crafts with the kindergarteners before our winter break.

**Who is your favorite teacher or coach and why?**

My favorite teacher is Mr. DeCavalcante, also known as Mr. D. He never fails to help me better my artwork, and he is able to give me honest criticism, which I really appreciate. He also creates a great class environment and every class of his I have taken has been my favorite during my time at EHS.

**What activities do you participate in school?**

During school, I am a member of the National Honor Society. I have been on the varsity fall cheerleading team for four years and was a captain for two of them.

I was a dance captain for the school musical both my sophomore and junior year, and I am a Peer Leader.

### **What activities do you participate in outside of school?**

The main activity I participate in outside of school is competitive dance. I dance at Glen Roc Dance Shoppe and have been dancing there since I was young. I also have two jobs, Rita's and Carvel.

### **What accomplishments are you most proud of?**

I am most proud of my artwork being selected to move on to states at the teen arts festivals both my sophomore and junior year. Most recently I am proud of myself for being accepted into several competitive nursing programs and getting the chance to be able to select where I would like to go after high school.

### **How do you define success?**

Success to me is setting goals for your future self and working hard to accomplish them.

### **What is your favorite memory of high school to date?**

Participating in powderpuff football games and pep rallies have been my favorite memories of high school.

### **What is your favorite memory from kindergarten at Lore Elementary School?**

I have wonderful memories of my teacher, Ms. Kalamas who would always dress up as characters who would teach us different lessons. I will always remember how Mrs. Kucker comforted me those first few months when I was nervous to go to school.

### **What are your plans after you graduate from Ewing High School?**

After graduating from Ewing High School, I will attend a four-year university to get my Bachelor's in Nursing. With my degree, I hope to become either an aesthetic nurse or a maternity nurse.

**What do you want people to remember about you after you graduate from high school?**

I hope people remember me as a good friend and a fun, caring, and genuine person to be around.
