## **Switching Teachers**

Some staff will have more than 1 teacher assigned to their user accounts. If more than 1 Teacher is assigned to your Genesis User Login, you will need to switch between the different teachers in your Gradebook to access other classes you may teach.

"Joint Teachers" have been created in Genesis to accommodate inclusion classes as well as any class that has two teachers who both need access to the student roster in their individual Gradebooks.

Users can switch between the different teachers assigned to their Gradebooks by navigating to the "Gradebook -> Home" menu and clicking on the "Switch Teacher" drop down, located directly underneath the "Teacher Resources" heading. See Below:
