

Registration Information:

Because of the new consolidated district, we are having to streamline our records. Therefore, you will need to register your child in 2 different systems. The first one is connected to the new website. You can follow the steps below to get that registration completed this week. The second one is connected to PowerSchool, which is not up and running yet.

1. Go to <https://bsd45net.finalsite.com/enrollment>
2. On the right of the screen, click on NEW STUDENT REGISTRATION.
3. It will direct you to a Google form for you to complete (You have already submitted the needed documents listed at the top, so just scroll down to fill in the blanks). Make sure to choose Barnwell Primary School on the pull down menu and click SUBMIT.
4. Go back to the website listed in step 1, and look at the right side of the screen

5. Click on BCSD Enrollment Survey. It will pull up a Google Form for you to fill out, click NEXT to make sure to fill out each page, and click submit. (Make sure you have answered all questions with a red asterisk.)
6. Continue going back to the website in step 1 until you have completed all the following documents:
 - a. BCSD New Student Registration
 - b. BCSD Enrollment Survey
 - c. BCSD Student Consent and Acknowledgment
 - d. BCSD Student Emergency Contact

- e. BCSD Student Media Release & Internet Use
- f. BCSD Student Health Information
- g. BCSD Privacy & Security - Directory & Military Information-Opt Out Survey
