Principal Message

The year is off to a great start and we thank you for your partnership. Your children are our WHY each day and seeing them return to us has brought us so much joy! Thank you to all the families who have been handing out water to our staff members on duty. We appreciate your patience as we work out the typical beginning of year dismissal kinks. By the end of the week, we should be down to our typical time for drive up lane. Please share your first day of school pictures with me --- we would like to put on Facebook! Have a great weekend!
