

KINGSWAY REGIONAL SCHOOL DISTRICT JOB DESCRIPTION

School Physician

(Adopted: 08/16/2018)

Qualifications:

1. Valid Medical Certificate; Licenses to practice medicine and surgery in the State of New Jersey;
2. Broad knowledge of child health and development and understanding of laws and code governing school health programs;
3. Experience in the delivery of medical services as determined by the Board of Education;
4. Strong interpersonal and communication skills;
5. Required criminal history background check

Reports To:

Director of Athletics

Performance Responsibilities:

1. Consultation in the development and implementation of school district policies, procedures and mechanisms related to health, safety and medical emergencies pursuant to N.J.A.C. 6A:16-2.1(a);
2. Consultation to school district medical staff regarding the delivery of school health services, which includes special health care needs of technology-supported and medically fragile children;
3. Physical examinations conducted in the school physician's office or other comparably equipped facility for students who do not have a medical home;
4. Successful completion of the Student Athlete Cardiac Screening professional development module and provision of a written certification statement on each PPE form attesting to the completion, pursuant to 18A:40-41(d).
5. Provision of written notification to the parent stating approval or disapproval of the student's participation in athletics based upon medical report;
6. Direction for professional duties of other medical staff;
7. Written standing orders that shall be reviewed and reissued before the beginning of each school year;
8. Establishment of standards and care for emergency situations and medically related care involving students and school staff;

9. Assistance to the certified school nurse in conducting health screenings of students and staff and assistance in the delivery of school health services;
10. Review, as needed, of reports and orders from a student's medical home regarding student health concerns;
11. Authorization of tuberculin testing for conditions outlined in N.J.A.C. 6A:16-2.2(c);
12. Review, approval, or denial with reasons of a medical home determination of a student's anticipated confinement and resulting need for home instruction;
13. Consultation with the school district certified school nurse(s) to obtain input for the development of the school nursing services plan, pursuant to N.J.A.C. 6A:16-2.1(b); and
14. Performs other such duties as may be necessary in an effort to ensure the health, safety and welfare of all students and staff.
