Policies for New London Public Schools

The Board of Education shall maintain a manual of policies as the base for the governance of the school system. The policies must be reviewed and revised through the Board of Education's Policy Committee regularly to ensure policies are updated to be in harmony with applicable laws.

All of the Board of Education's policies shall, in addition, have their sources in the Board-adopted Mission and Goals of the New London Public Schools (0000) pertaining both to student learning and school system operations.

The Board of Education views its policies as aids to decision making and will to the best of its abilities make all its actions consistent with those policies.
