DEDICATION

When the extra step
was needed you went
the extra mile.

We thank you and
Congratulations,
Coach Obuhanich!!!

ADMINISTRATION

TO THE CLASS OF 1991:

There's no thrill in easy sailing,
 When the sky is clear and blue,
 There's no joy in merely doing
 Things which anyone can do.
 But there is some satisfaction
 That is mighty sweet to take,
 When you've reached a destination
 That you thought you couldn't
 make.

-Author Unknown

You made it! That is all!
 Mr. Backer

TO THE CLASS OF 1991:

It has been my privilege to
 work with each of you this year.
 I have only one regret and that is
 that I had only one year. You are
 a great class; my first class here
 at Angelica and a very memorable
 one at that. I leave you with
 these words of wisdom:

Each is given a bag of tools,
 A shapeless mass,
 A book of rules,
 And each must make
 Ere life is flown
 A stumbling block
 Or a stepping stone

- Author Unknown

May God bless you! Six Clear!

Today we'll start a new life- And we'll say our last goodbyes to all the friends we've grown to love with whom we've laughed and cried, remembering the fun and laughter - the problems and the fears and watching all our memories grow throughout our high school years. The memories of the dances - and the new friends that we've met, vacations, teachers, talking- and exams we'd rather forget. Yes, high school days are precious but brief - where all our dreams come true; it is not the end, but the beginning - of a life we'll start anew.

Sonya -

The time to let go is approaching. As graduation and the end of your days at ACS become a reality, I think of when you were born. Holding you for the first time was a moment I'll always have in my heart. I looked down at you thinking, what a beautiful little girl and she's mine. Your preciousness, and instant bonding that formed erased all pain of your birth. You are more beautiful than I could ever have known, my daughter, my friend. As you enter the next step of your life, always know I'll never be too far away. So like a butterfly, emerge from your cocoon to the next step of life and I promise not to hold to tightly.

Forever Love,
Mom

Sony -

You've reached a point in time where what you do in the path that you take, will reflect on the quality of life you'll enjoy, or not. I've had my input into your life, good and bad, and always tried my best. I'll always treasure our times together, past, present and future. Always know that I'll love and be proud of you no matter what! You're special to me!

Daddy

Erik and Brad -

Congratulations! There is a great future ahead for you, full of experiences each with it's own lesson. Listen to your heart, set your goals high, and never give up on a dream. Remember, we will always be here for you.

Love,
Dad, Mom and family

Nicole -

From the day you were born to this time has been so short. But to you, we know it seems so long. For us it has been but the time it takes for a tear to drop from cheek to paper. You in our eyes will always be our little girl, even though we know you have become a very special young woman. Just remember we are here and we'll always love you in our hearts and minds no matter how great the distance. Do your best in life and all will come to you. We are so very proud of you!

"Our daughter"

We love you.

Mom, Dad and Shawn

Jody -

May you rise each day with sunlight in your heart, success in your path, answers to your prayers, and that smile that we love to see always there in your eyes.

With all our Love,
Mom and Dad

SENIOR WILLS

Nina -

Viele gibt es, die erkannt haben, dass hinter deinem Versteck ein Mensch ist, wie sie ihn selber hinter ihrer Tarnung haben. Doch sie hatten nicht den Mut sich Dir zu sagen, dass sie Dich lieben. Wir lieben Dich.

Ruth and Peter

Doug -

We just want to let you know we think you're "Tops." Best wishes in all that you do.

Love,

Mom and Dad

You deserve to have the best life possible. There are no firm rules for happiness. William Shakespear wrote "This above all; to thine ownself be true" this applies to you. Only you can decide what you want for yourself.

TO YOU...

A FATHER'S DAY REFLECTION

If there could be only one thing in life for me to teach you, I would teach you to love...

To respect others so that you may find respect in yourself. To learn the value of giving, so that if ever there comes a time in your life that someone really needs, you will give.

To act in a manner that you would wish to be treated; to be proud of yourself. To laugh and smile as much as you can, in order to help bring joy back into this world. To have faith in others.

To stand tall in this world and to learn to depend on yourself. To only take from this earth those things which you really need. To not depend on money or material things for your happiness, but to learn to appreciate people who love you, the simple beauty that God gave you and to find peace and security within yourself.

To you, my child, I hope I have taught all these things, for they are love.
