# DEDICATION

The 1990 Echo Yearbook is dedicated to our School nurse Mrs. Brenda Warner. For the past eighteen years, she has dispensed everything from band-aids to sage advice. Common colds, headaches, upset stomachs and broken hearts are always treated with equal dispatch by this competent professional. Mrs. Warner always seems to know just what to do to make people feel better. Over the years she has been a key support person for the students, faculty and staff. She has sent many cards and bouquets of flowers to ill staff members and students. Also, she has been responsible for buying and wrapping hundreds of Christmas gifts for less fortunate students and community residents. Whether at the wheel of her bus, in her office, at a soccer game or at a Cheerleading Competition, Mrs. Warner has always encouraged students to do their best. If we follow her example, the world will definitely be a better place to live. Thank you Mrs. Warner for being our devoted school nurse and our friend!

## FOREIGN EXCHANGE STUDENTS

Angelica was the home for two exchange students this year. Marcelo Luis De Freitas, 18, and Ruy Alexandre Borges Ramos, 15. Marcelo was an active part of the senior class and resided with Mr. and Mrs. John Hecker. Alex who was a freshman this year stayed with Mr. and Mrs. Larry Mitchell in West Almond. Both Alex and Marcelo played on the boys volleyball team, and Alex participated on the golf team. Alex and Marcelo will return to Brazil in July. We have enjoyed knowing them and hope that they have enjoyed their stay in America. We wish them much luck in the future and we will miss them greatly.

Jackie: Congratulations and best wishes! Love Dad and Barbara

Nicki: I'd pick you up and hold you a little longer and baby's lungs will eventually get stronger. For the transition from booties to anklets is about one day, the miracle of life progresses. Nature has its way and when your old enough to learn to groom, we entered a new era called "The battle of the room". Then comes the big one "Mastering the teens" communicating, dating and designer jeans. But I grew as you grew and learned as you learned. If they passed out medals, it's the "gold" we earned. I once read, "to love something is to let it be free" and I knew one day this would apply to you and me. For one day your life is all yours once you've grown. But it also means you can always come home, so I'm thankful for the moments I held you a little longer and memories of treasured years darling daughter. Love, Mom and Dad
