

If I could save time in
a bottle;
the first thing that I'd
like to do . . .
Is to save everyday till
eternity passes
away; just to spend them
with you.

**1981
ECHO
ANGELICA CENTRAL SCHOOL
VOLUME 40**

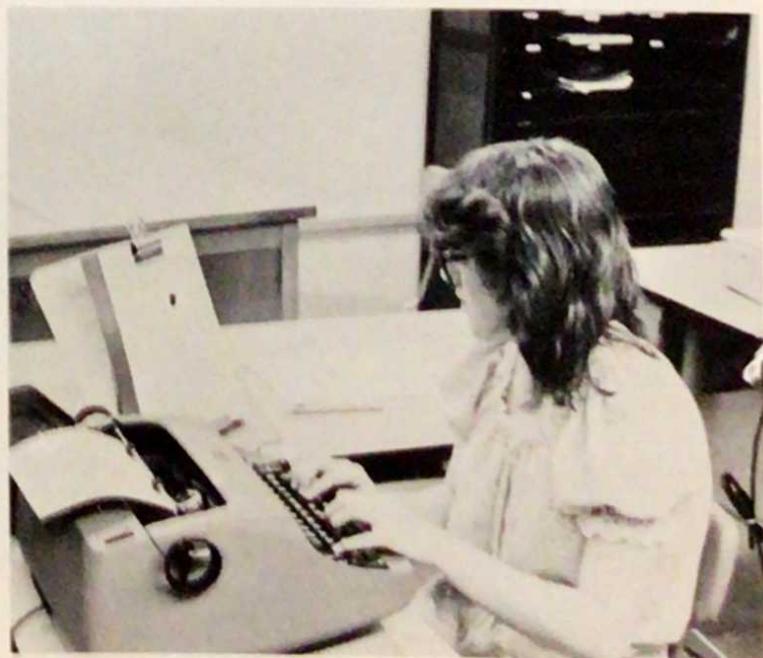

If I could make days
last forever!
If I could make wishes
come true . . .
I'd save every day like a
treasure and then
I would spend them with you.

If I had a box just
for wishes;
and dreams that have
never come true . . .
The box would be empty except
for the mem'ry;
of how they were answered
by you.

But there never seems to be
enough time;
to do the things you want
to do . . .
once you find them;
I've looked around
enough to know that you're
the one I want to
go through time with.

DEDICATION

Because of their dedication to us at a time when we needed a good start in growing up, the 1981 Echo is dedicated to the Elementary Teachers of Angelica Central School. They have dealt with our crying and whining and our "little accidents". They have helped us to grow and understand ourselves. They were there when we needed them and they guided us through those trying years.

We sometimes do not mention our gratitude to you, but it is ever present.
Thank you for your patience and for helping us to grow.

S E N I O R Q U O T E S

- Donald Case - Things have not happened to me, On the contrary, I have happened to things.
Timothy Clark - No man is a failure who enjoys life.
William Coombes - You have to live loving; in order to love living.
Kevin Demick - To be able to speak in many languages is valuable, to keep your mouth shut in one is priceless.
Bryan Faulkner - For man to understand others he first must understand himself.
Michael George - Why do it? Someone else will.
Corrine Harding - We all have different needs, but we all need each other.
Jeff Heitman - I'll take my future day by day and never let my past slip away.
Todd Hills - There are several good protections against temptation--but the surest is cowardice.
Shelley Hoffman - No life is so hard that you can't make it easier by the way you take it.
Paul Hollier - To be with nature, is the closest anyone can get to perfection.
Barb Hoppe - Giving and receiving are the two halves of the law of prosperity. We must give as we would receive.
John Irish - Exaggerators have big memories.
Lisa Jennings - There is no cure for birth and death, save to enjoy the interval.
Jerry Jones - The outdoor life is great, but the indoor life is a lot better!
X Baird Kaake - "The instant past"
Matt Kane - There are some things you can't do alone.
Chris Kelley - The true light is that which emanates from within man, and reveals the secrets of the heart to the soul, making it happy and contented with life.
Jack Lyon - If it weren't for the optimist, the pessimist wouldn't know how good off he wasn't.
Jill Lyon - In the race to be better or best, miss not the joy of being.
Eileen McCormick - Grant me patience Lord, But please hurry.
Sharon Miles - Happiness... Is to look at the sunset and know who to thank.
Johy Patterson - If at first you don't succeed...Your're only average.
Sandra Perry - When everything seems hopeless, the only thing left is to hope for a change.
Greg Ralyea - May the forgotten sounds of the roar of a big-block, and the whine of a gear-drive camshaft become the dominant force on the streets in the future.
Loreen Ralyea - Time is a sort of river of passing events, and strong is its current, no sooner is a thing brought to sight than it is swept by and another takes its place, and this too, will be swept away.
Doug Settles - People who look down on other people don't end up being looked up to.
Onis Swan - On track minds wouldn't be so bad...except they're usually on the wrong track.
Terry Tyler - Life is like a mirror reflecting on you. You face it with a smile and it will smile back at you.
Susan Werner - Doing what you like is freedom. Liking what you do is happiness.

WE ARE TODAY, THE RESULT OF OUR PAST THOUGHTS, AND OUR THOUGHTS WILL DETERMINE OUR FUTURES. EVERY MAN TELLS HIS OWN STORY BY THE THOUGHTS HE HOLDS.
