ADVISORS

We the Class of 1962, wish to take this opportunity of expressing not only our appreciation, but also our affection to Mrs. Smith and Mr.

OF THE YEAR

Dewey for their boundless patience, good will, and understanding sometimes, but not always, under somewhat trying circumstances.

HONORARIUM

It is with deep regret that we note the retirement of the dean of New York State School Superintendents, Mr. William H. Garwood, who through the years has been such a loyal, patient, understanding, and farsighted administrator in our school system. It has been during his term of office that our school has progressed from a local village school serving the community of Angelica to a central school used not only by the village of Angelica but also by the towns of Allen, Belfast, Birdsall and West Almond. It was our good fortune that these changes came about under the wise guidance of Mr. Garwood. And so it is that we note this retirement with not only regret but also deep appreciation and gratitude and the hope that tomorrow's fulfillment will exceed yesterday's expectations.

SPORTS

CHEERLEADERS

JR. VARSITY

Our Junior Varsity cheerleaders put special emphasis this year on promoting not only added interest in the games but increasing good spectator sportsmanship. They are as follows: Judy Harris, Lorraine Hoffman, Marie Schneider, Stephanie Barton, Nancy Jennings and Doreen Benjamin.

VARSITY

The Varsity cheerleaders consisting of Carol Benjamin, Bette Jennings, Eva Dyke, Patricia Lyon, and Betty Ellsessor did their share in promoting good sportmanship and contributing greatly to our success of the 1961-62 season

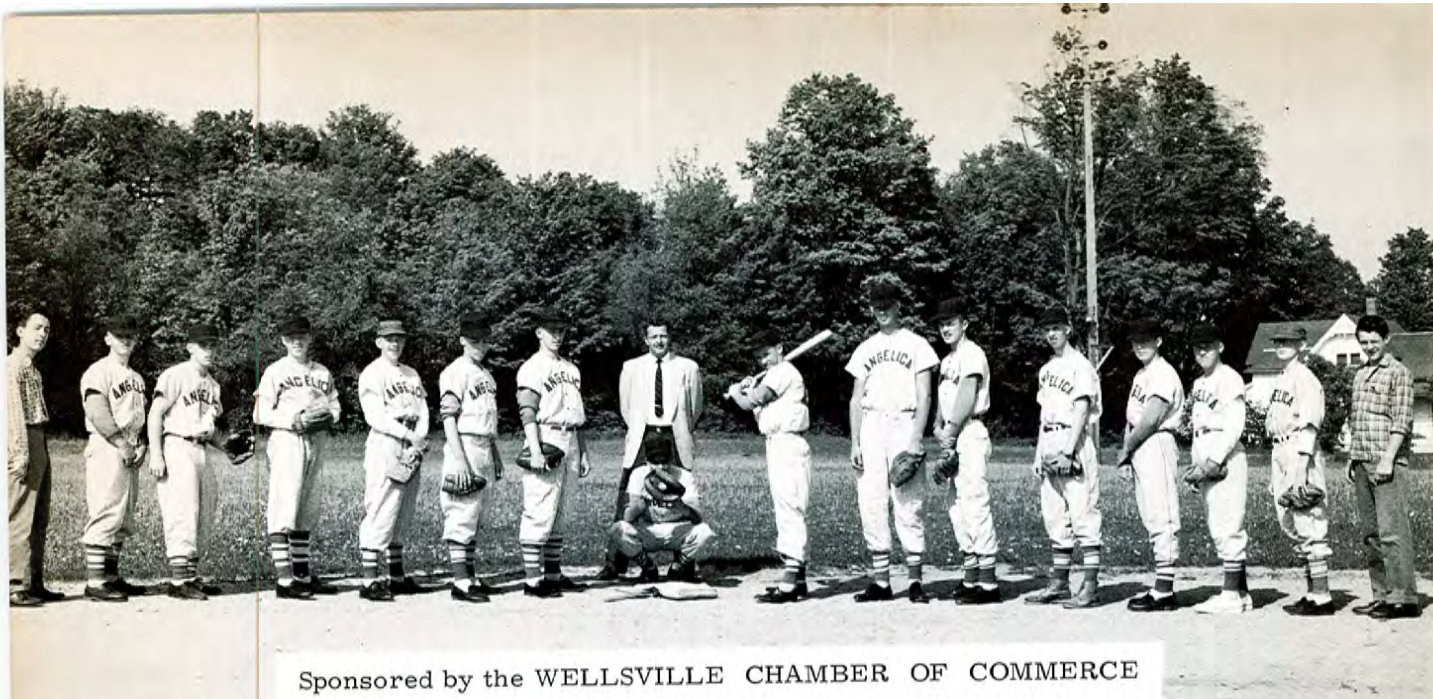

The Junior Varsity squad, although "green", finished in second place in Class "D" league. With Coach Ruska's coaching ability, a great deal of enthusiasm, and a desire to win, they were a credit to the game and our school. They had an impressive 9 wins 6 losses which was a fine record for the 1961-62 season.

JR. VARSITY AND VARSITY BASKETBALL

Coach Foreman's varsity team of 1961-62 enjoyed the best season in the school's history. This year was the first our school quintet has ever taken the Section V Class "D" championship trophy. The seasons record for the club was 14 wins against 5 losses. We had a long hard season ending with a very tremendous game in Rochester against Avoca Central School. Angelica's citizens showed appreciation of our victory by sponsoring a banquet for the team campaigning a local fund for new team jackets.

Sponsored by the WELLSVILLE CHAMBER OF COMMERCE

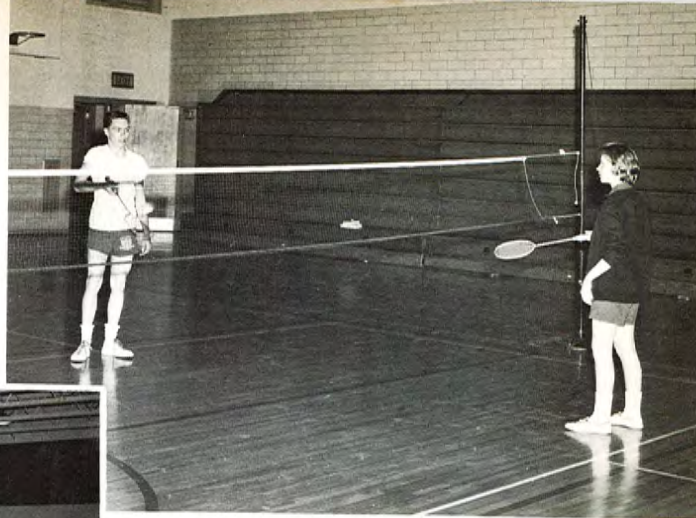

This year's baseball squad, under the coaching of Mr. Foreman, was one of the youngest in the county, as only two seniors played. After dodging cold weather and rain, the team managed to get in their spring training and conditioning for the opening game. The team was defeated in their first four games but came on to win their last two games defeating Whitesville and Belfast to gain a tie for fourth place.

BASEBALL AND SOCCER

Our rough and ready soccer team has finished a very successful season with an overall record of 6 wins and 3 losses. We completed the schedule with a 5-2 record, giving us second place in the Class D standings. In the play-offs we defeated Lima before being downed by Wyoming in the semi-finals. One of the teams greatest thrills this year was giving Scio its only loss of the season.

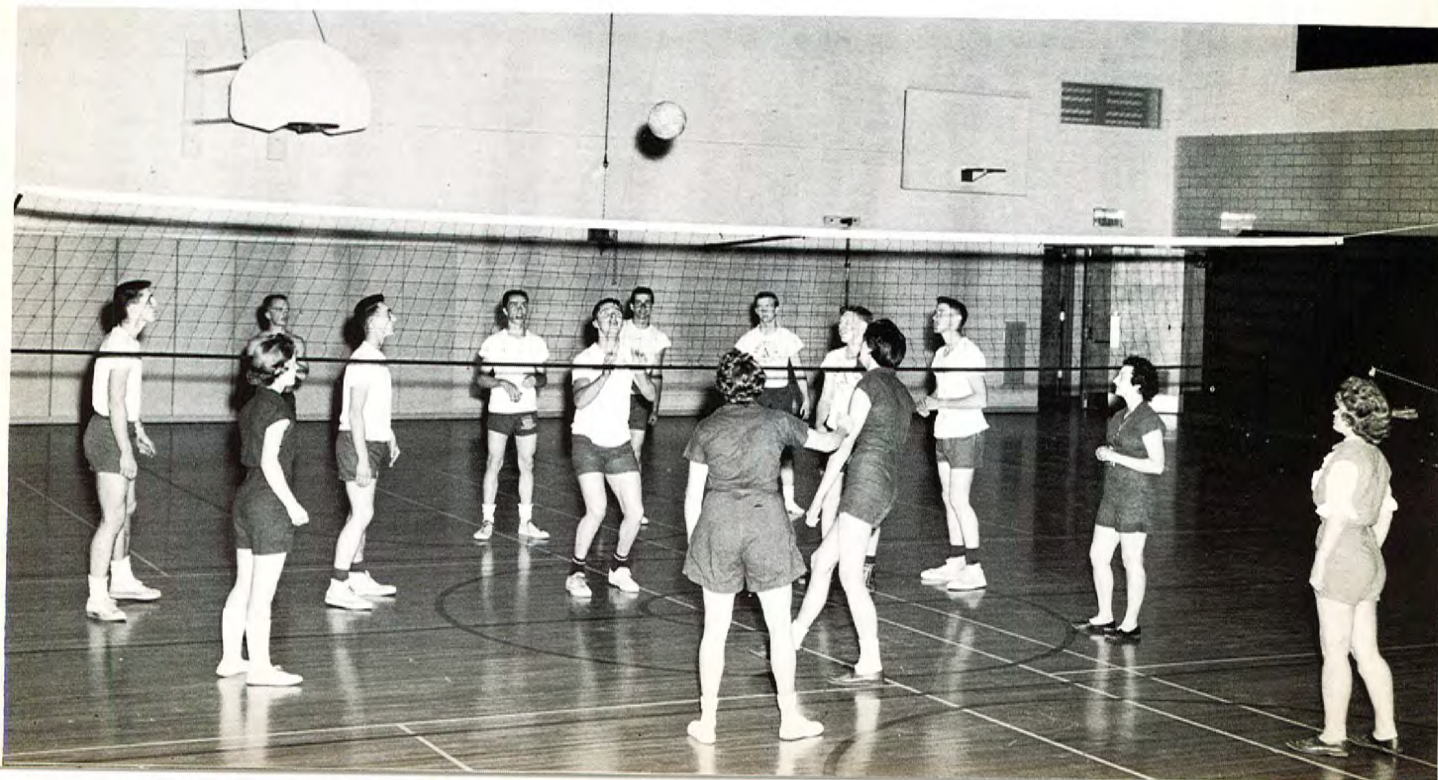

Rachel Sortore and Gary Lincoln are singles badminton champions for the high school this year.

The table tennis singles champions this year are Gary Lincoln and Ann Duffy. Russel Terwilliger played in Gary's place in the county play-offs due to a basketball conflict.

THE CHAMPS

The senior boys and the junior girls won in the high school volleyball contest. We feel the senior boys deserve special recognition for being undefeated even though they faced an all-star high school team.

MUSIC

The chorus under the direction of Mr. Gloskey had a very successful year. After many practices they participated in the Christmas program, attended the County Music Festival held on April 6 in Friendship, and sang in the annual Spring Concert held at the Angelica Central School on April 28.

CHORUS AND BAND AND CHORUS COUNCIL

The elected officers of the band form the Band and Chorus Council. The purpose of the council is to promote music activities and to administer the groups' business. Their main financial endeavor was the sale of candy to try to earn money for new chorus robes. The council meets under the direction of Mr. Gloskey

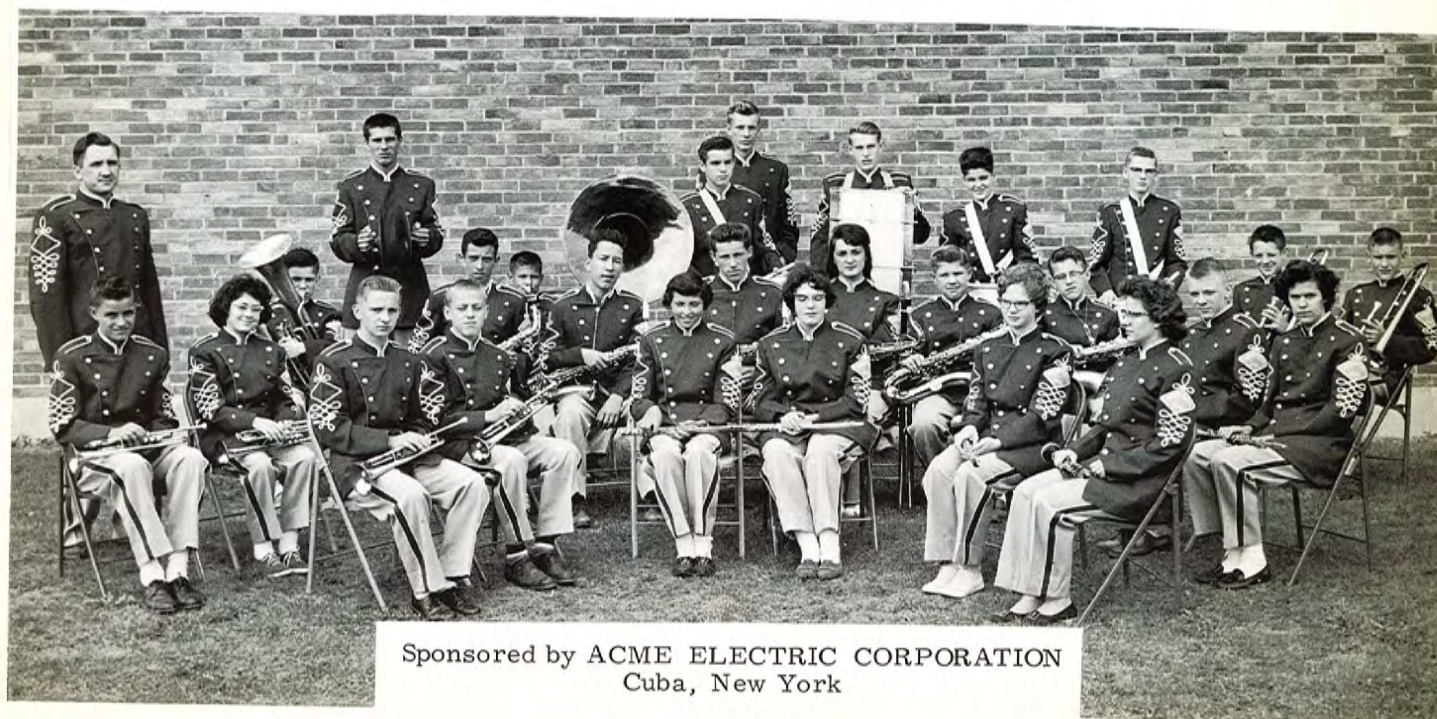

This year the majorettes were divided into two groups, the marchers and the twirlers. The band followed head majorette Eva Dyke and fellow marchers, Jean Roberts and Doreen Benjamin, to three concerts in the park and through the Memorial Day parade. Judy Harris, head twirler planned the routine she, Diane, Dawn, and Stephanie Barton used to demonstrate their adeptness at the final concert.

MAJORETTES AND BAND

The band is composed of musicians?! They presented their Fall and Spring concerts in the park. On April 7 they attended the County Music Festival in Friendship. The annual Spring Concert was presented in the school auditorium on April 28. They showed off their marching ability on Memorial Day. The band was also represented in area All-State and All-County Bands.

Sponsored by ACME ELECTRIC CORPORATION
Cuba, New York

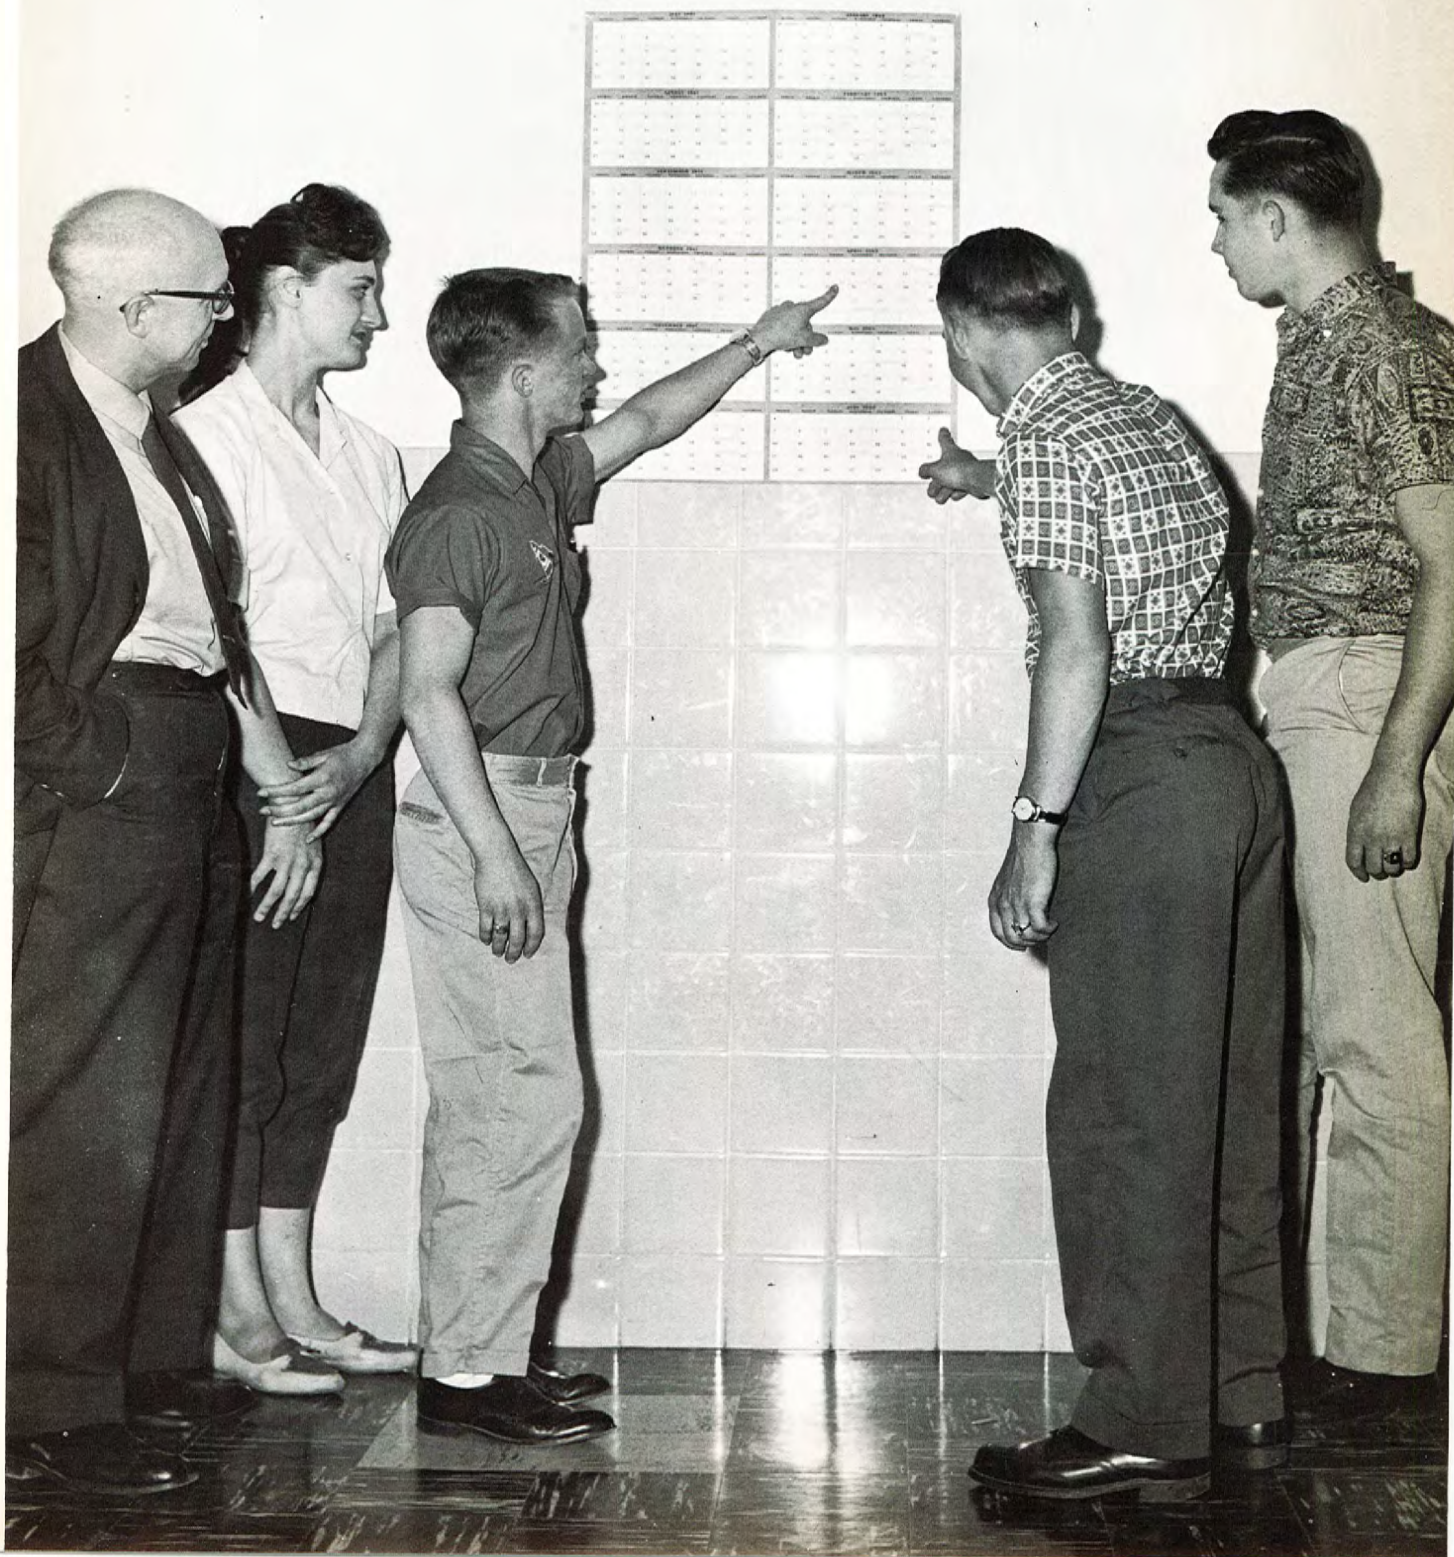

The grade instrumentalists receive practical experience in band work under the direction of Mr. Gloskey. The Junior Band practices during noon hours, and, after practice, lessons, and many hours, the members will graduate to membership in the Senior Band.

JR. BAND S.S.A.

This year for the first time the school has a Soprano, Soprano, Alto choir. The girls practice during noon hours and some evenings. They have taken part in the Christmas program and will entertain audiences later this year.

ACTIVITIES

The Student Council meets weekly to decide on dates and other matters concerning class parties, dances, or similiar school activities. This year the Council put added effort into revising and reprinting their constitution. The president and the vice president are elected annually by the student body as a whole; the other members are elected as representatives by their class.

STUDENT COUNCIL AND F.F.A.

The Angelica FFF Chapter is made up of a group of boys studying vocational agriculture under Mr. Karnes. The main purposes of this organization are to develop agriculture leadership, to promote good citizenship, and to further cooperation. Among the many activities of the organization is the crop demonstration.

STUDENT COUNCIL OFFICERS

President	James Gallman
Vice-President	Roger Graham
Secretary	Patricia Lyon
Treasurer	Robert Fisk
Advisors	Mrs. Swarthout Mr. Spencer

MEDICS CLUB

The Medics Club, under the direction of Mrs. Moran, is composed of twenty-three members. During the holiday season the members make and send favors to the Allegany County Home. They also attended a county meeting in Friendship, where they saw a film on nursing careers.

Each member of the Library Club weekly donates a period of his time, during which he checks books in and out, and arranges the books on the shelves for which he is responsible. Under Mrs. Granger's direction the club helps to prepare new books for circulation and put up bulletin boards concerning them.

LIBRARY CLUB AND LANGUAGE CLUB

The Language Club, composed of French and Latin factions, meets under the direction of Mrs. Chamberlain. The main function of the club is the sponsoring of the annual Language Banquet. The first year students, as slaves, serve the masters and parents who attend the Banquet. It is an affair very colorful with imitations of French and Latin dress. The slaves, if French, wear peasant dress, and, if Latin, wear a palla, a short toga-like affair with no ornamentation. The French masters are dressed like modern French men and women; the Latin masters are dressed in full length togas, made of sheets and ornamented with long necklaces, pins, bracelets and belts.

The purpose of the Science Club is to present interested students with movies, experiments, and other scientific information which they otherwise would not be able to acquire. It functions in free periods under the direction of Mr. Nelson and accepts only students taking science courses.

SCIENCE CLUB AND YEARBOOK STAFF

Meeting once a week under the supervision of Mr. Spencer and with the advice of Mrs. Swarthout, the Yearbook Staff compiles a picture record of the school functions. Although the Senior Class pays the cost of publishing the "Echo", the responsibility of the production of the book lies on the elected members of the staff.

The Future Teachers club is composed of high school students. During the year they hold regularly scheduled meetings with their advisors, Mr. Farnsworth and Mrs. Granger. Interesting students in teaching and giving them a general idea of the teaching profession are two main objectives of the club. In the spring they meet with children at the public library to read to them; throughout the year they observe students in the grade section.

FUTURE TEACHERS & AND ATHLETIC ASSN.

The purpose of the Athletic Association is to promote sportmanship throughout our sporting endeavors. The main projects this year have been the sale of season basketball tickets and the promoting of the "Red Raiders" to the game in Rochester.

The Keyhole Staff publishes the monthly school newspaper with the supervision and aid of Mrs. Chamberlain. Each year the new editors of the separate departments accompany Mrs. Chamberlain to "Press Day" at St. Bonaventure University where they learn new newspaper skills.

PRESS CLUB AND SPEAKING CONTEST

The annual Leonard J. Smith Public Speaking Contest was held February 28, under the direction of Mrs. Granger. The contestants were Carol Benjamin, Ophelia Brown, Eva Dyke, Thomas Hecker, Cheryl Roberts, and Patricia Lyon. Thomas Hecker obtained first place followed by Patricia Lyon in second and Cheryl Roberts in third.

The Chapter Star Farmer for 1962, Gary Hutchison, has served as Chapter Treasurer two years, Local Chapter President one year, and Allegany County Group FFA President this last year. Gary received the Empire State Farmer Degree at Lowville at the 37th Annual State FFA Convention. Only three boys from Allegany County received this honor in 1962. On the basis of his outstanding swine and sheep projects he earned the second award in Livestock Farming for 1962 on the state level and a cash award from the Future Farmers of America Foundation, Inc. We are justly proud of Gary's successes and of the honors he has brought our Chapter.
