A special thanks to Miss Wieand, Mrs. Witcher, and the 5th grade students who contributed the poems you will read throughout the 1995 Echo.

50th Anniversary

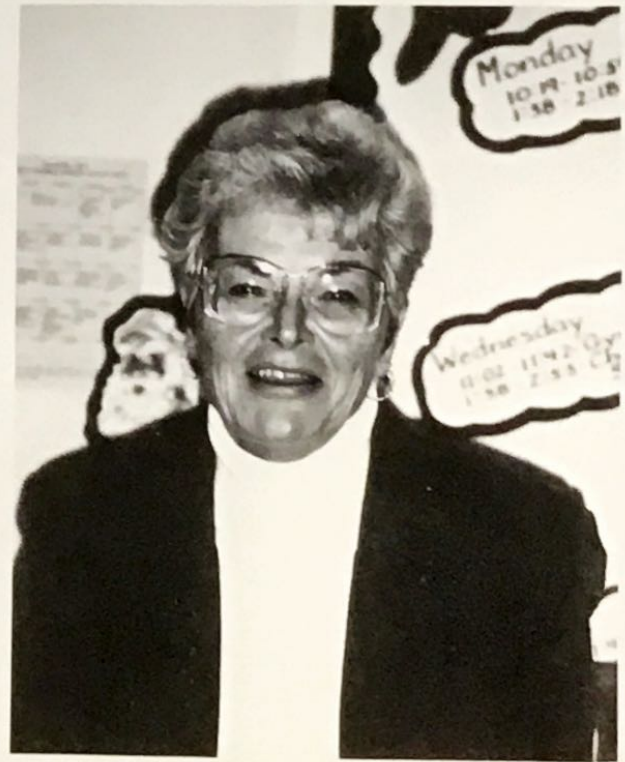

For the past ten years at ACS, there has been one teacher that has always seemed a little more unique than anyone else. Many students look forward to his classes because of his energetic attitude, offbeat jokes, and constant singing. He has helped students find an understanding in science through his humor and his "far and away" ideas. Whenever you want to talk to a teacher who will lift your spirits and make you laugh, this is a teacher to look for. Whether walking down the hall snapping his fingers, in his classroom getting his fingers smashed in the conservation of energy machine, or crowning some student with the class padoinness award, you will always catch this teacher with a smile on his face, and walk away with a smile on yours. Throughout his years at ACS, this teacher has always brought his good nature into his classes. This year, the Yearbook Staff is proud to dedicate the 1995 Echo Yearbook to Mr. Liberto.

Before

On April 23, 1994 a large turnout of parents, grandparents, friends, and community members met to build the new playground. This project showed what can be accomplished when the spirit of cooperation exists. May the children of the community enjoy your effort for a long time to come.

After

Today we'll start a new life
 And we'll say our last goodbyes,
 To all the friends we've grown to love
 With whom we've laughed and cried.
 Remembering the fun and laughter,
 The problems and the fears,
 And watching all our memories grow
 Throughout our high school years.
 The memories of the dances
 And the new friends that we've met,
 Vacation, teachers, talking
 And exams we'd rather forget.
 Yes, high school days are precious but brief
 Where all your dreams come true;
 It is not the end, but the beginning
 Of a life we'll start anew.

Help the homeless,
Old and young.
Move them into shelters.
Even those who don't need it so much.
Let me help them.
End this problem. Make them
Safe and
Sound.

Battling in a war,
 On and on and won't stop,
 Sarajevo a small town at war,
 Nato are trying to keep,
 I wish it would stop,
 A wish that I hope will come true

The memories began when we were so young,
 laughing and playing and having great fun.

Playing fun games, building with blocks,
 taking our naps in closed eyes and socks.

As we grew older, the bonds grew thicker,
 we were like siblings, and sometimes did bicker.

We helped each other learn, and made school more fun,
 and even helped carry books we thought weighed a ton.

Now as we are separating and going our own ways,
 I hope that no one will ever forget those days.

Carisa,
As you prepare to graduate and go
on to college, I begin to deal with
letting go. The past 10 years,
working at ACS has given me the
privilege of seeing you throughout
the day, everyday, only being a few
doors and a hallway apart. How
many mothers are that fortunate?
As you move beyond ACS, I will
miss your smiling face, the hello's in
the hall, eating lunch together,
running home when you forgot
something, and the daily kiss
goodbye with your words "Luv Ya"
as you left for BOCES. In the future
we may be miles, not hallways,
apart, but I'm never more than a
phone call away. I'm proud to be
your mother.

Love,
Mom

Dear Tina,
Congratulations to the most
wonderful daughter a mother could
ever dream of having. I am very
proud of you Chickie!
With all my love,
Mom

Dear Mark,
You've come so far over the years.
God gave me a wonderful gift in
you. You are such a joy - I'm glad
you're my son. You did good!
Love,
Mom

**Thanks to those
who love us, we
couldn't have
made it without
you.**

Dear Darin,
Thanks for being the son we are
happy to tell anyone we are proud
of. You are a good son, a good
person, and a good friend.

Eternal Love,
Dad and Mom

Jason,
Through the years we have enjoyed
watching you grow. We are proud
of you and will always be there if
you need us.

We love you,
Mom & Dad

Pre-K is providing an environment in which things can happen. We try to make that environment a special place and time where children may come and take or give as they are able. Their ability to do so depends on so many factors. What is important is the opportunity for them to grow and learn. This is accomplished by participation in a varied selection of activities in a happy and supportive classroom! Our wish is that each child will leave with pleasant memories of their time spent in Pre-K!!
