ECHO

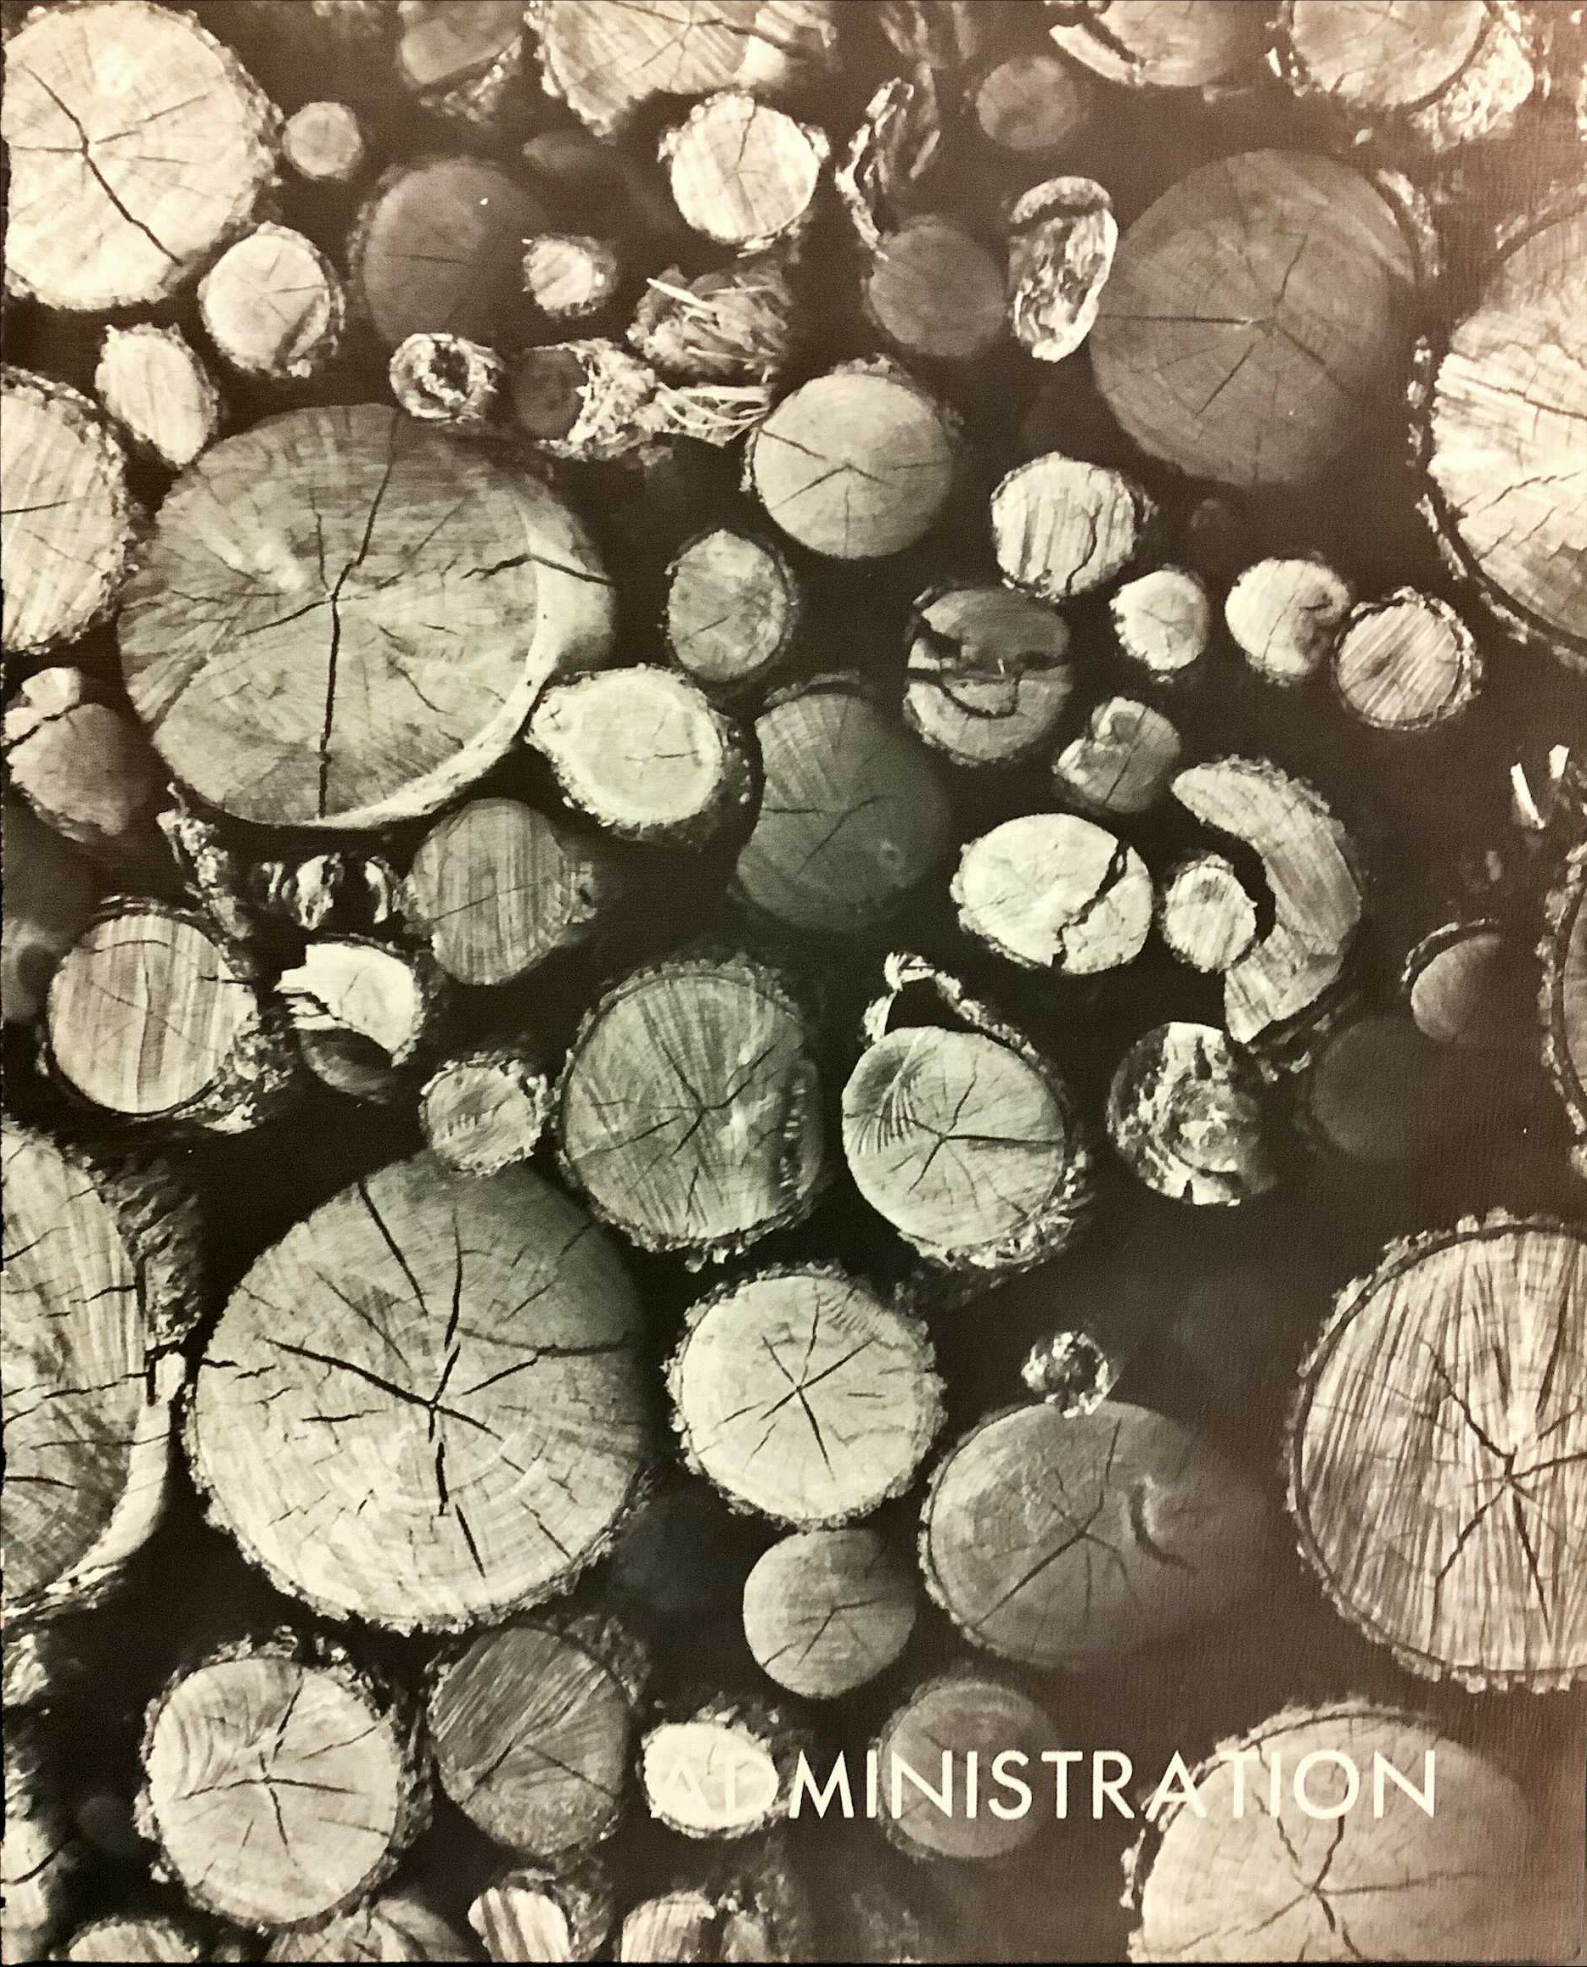

"The way to a student's heart is through his stomach"-but you have certainly reached our hearts in many other ways. Your patient understanding of our needs and your willingness to work extra hours for us will always remain with us as cherished memories of our school years. Any attempt to repay you would be futile. Most sincerely do we, the class of 1967, dedicate this edition of the Echo to you.

A teacher affects eternity; he can never tell where his influence stops. (Henry Brooks Adams)

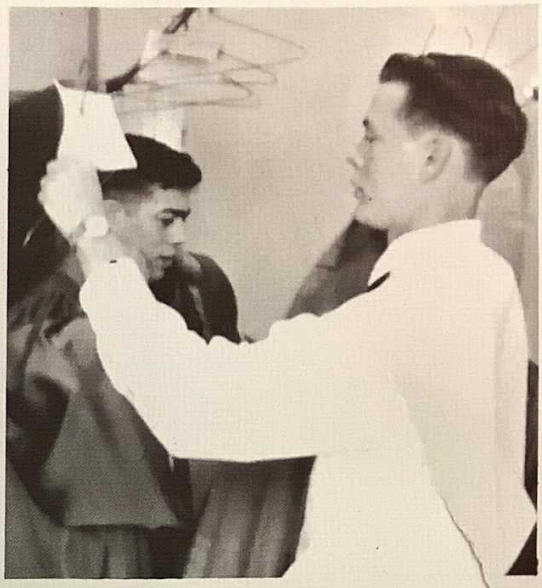

On behalf of all those who have known and studied under Miss Bernice Barber, the Senior class would like to express its gratitude and thanks. In Miss Barber's forty eight consecutive years of teaching she has done more than the ordinary teacher. Her hyperdevotion to her work has been unparalleled. To Miss Barber teaching is not a job but a way of life. We cannot thank you enough.
