Early in the year, the Senior class presented the Senior play, "A Bargain Is a Bargain", which was a great success. We had dime dances and a special "Christmas Dance" with Dick Fisher and his orchestra. The profit from each of these was set aside toward the long awaited "Trip to Washington".

We awaited the Washington trip with a great deal of anticipation throughout the whole year. We left by train on March 23rd. We covered all places of interest and saw whatever was possible to see.

The event to which every senior looks forward is Commencement in June. We are hoping to present a pageant, which will be our last achievement in Angelica Central.

CLASS WILL

We the Class of 1951, of the the Angelica Central School, having come to our last hours, do hereby give, bequeath and devise all our worldly goods and possessions to the following beneficiaries, to wit.

Don Bailor hopes to leave the pavement on the road to Birdsall to Ken Patterson.

Sally Barker leaves her parties to Bob Case, because he also seems to enjoy them so much.

To Sylvia Graham, we leave Jeaneane Beckwith's ability to write to the servicemen.

We will and bequeath Jeannine Brundage's place on the cheerleading squad to Marilyn Maxson.

Louise Carpenter leaves her dancing ability to Herman Johnson.

We will and bequeath Doris Dodge's appetite and speaking ability to Phyllis Thomas.

We bequeath George Dowd's high marks and ability to get to class on time to Susanna Radley.

We leave Mary Lou Fleming's red hair and fiery temper to Dorothy Fuller.

To Beatrice Harding, we leave Barbara Frazier's quietness.

We will and bequeath Janice Graham's editing ability to next year's editor.

We bestow Tom Harding's love for the Navy upon Richie Reynolds.

We will and bequeath Ed Hoffman's knowledge of parking places to Pat Duffy.

To Neva Hoffman, we will and bequeath Bob Jones' ability to arrive at school thirty seconds before the bell rings.

CLASS HISTORY

As one looks back over the years, he sees that the history of the Class of '51 is not out of the ordinary, but much the same as that of previous senior classes.

Through the years, there have been a few additions and subtractions.

An analysis of us seniors would show that, when we entered the seventh grade, we thought it an honor to be passing from room to room for our different classes. However, this was not the only thrill, for we enjoyed such things as electing officers and being admitted to the activities of "upper-classmen". In seventh grade, we chose Ed Hoffman as president and Sally Barker as vice president. Mrs. Sleggs was our class advisor.

Before we knew it, eighth grade was stretching out in front of us. We had a very successful year with Ed Hoffman again as president and Sally Barker as vice president. That year the school nurse, Mrs. Heaney, was our Advisor.

Life was much the same during the freshman year except that we were allowed to choose our own subjects. By this time a number of us were in band and chorus.

In the year 1947-'48 Jim Nathan acted as president, and Doris Dodge as vice president. Mr. Farnum was our class advisor.

During the '48-'49 term, as Sophomores, we had a special event. At least we called it special owing to the fact that it was the first of its sort sponsored in our school. This event was "The Chamber of Horrors" on Hallowe'en. Mr. Nasal, our class advisor for the year, gave us the idea, and we brought it to completion. Our very capable officers, Ed Hoffman, president; Sally Barker, vice president, led us in planning our activities.

We went back to school in September, 1949, as "jolly juniors". The highlights of our junior year came first of all when the play, "Seeing Double", was put on and sponsored exclusively by the Juniors under the direction of Mrs. Weir. Mr. Dewey, our class advisor, for the year was Mrs. Weir's assistant.

We chose the following officers for that year: Ed Hoffman, president; Janice Graham, vice president.

In May, 1950, the Juniors put forth all effort possible to make a huge success of the "Junior Prom".

Although it was hard work, all of us enjoyed working at the Senior Stand before we returned to school as Seniors. Jim Nathan was elected president and Janice Graham, vice presient. Miss Runckel was our class advisor.

CLASS PROPHECY

While strolling through the Skyline Gardens, I came upon a wishing well. On it was a sign saying, "Toss in coins and make your wish come true." I reached in my pocketbook, withdrew some change and tossed it in the well. Wishing to myself, I said, "I wish to take a trip into the future to see what my classmates will be doing."

All at once, I found myself aboard a train for the city in the year 1962. As I looked around me to see if there were any familiar faces, I instantly recognized one person as Bob Jones carrying a portable typewriter. Being typing champ, he was on his way to Alfred to give his demonstration to the students of surrounding schools.

While I was enjoying the beautiful scenery, we passed a farmhouse. There out in the yard stood Doris Dodge with her twelve kids (the four-legged kind, that is). I surely wish I could have stopped and seen her awhile.

We stopped to refuel at a small country town where a big celebration was taking place. It was the annual Horse-Traders Convention. Up on a platform stood Jim Nathan just taking his oath of office as president of this association.

We stopped only a short time and then we were on our way. As I glanced through the newspaper I had with me, I came upon an article which read, Jeannine Brundage, nationally famous for her mudpacks and pincurls has just received an offer from the Ritz. I certainly was glad to see that Jeannie had made such a big hit. The train had just reached the city and my first stop was at the hospital to see my sick aunt. Upon my arrival at the hospital, I saw Nurse Mary Lou Fleming treating her last patient. Janice Graham and Jeaneane Beckwith, who are also nurses, had just wheeled him out under a white sheet.

After the visit, I left the hospital and hailed a taxi. We were going down Main Street when a cop pulled up and stopped the taxi in front of us. The cop turned out to be Don Waid, doing his duty by stopping Don Bailor, taxi driver, who had been poking at a mere fifty miles per hour and holding up a whole line of traffic.

The taxi left me at a big restaurant where I planned to eat. As I sat down, a very familiar voice said to me, "Would you like something?" I turned to see Connie Oaks all decked out in a waitress's uniform. There too, was Barbara Frazier working at the soda fountain. The three of us had a brief get together and we talked over old times. As I sat eating, I noticed a beautiful painting on the wall. I got up to inspect it more closely an I found the name Beverly Wilber in the corner. Connie told me she was a very well known artist and that she even had to have Louise Carpenter as her advertising manager.

We will and bequeath the tall handsome appearance of Leigh Morse to Tom McCollister.

Jim Nathan wills his wise cracks and girl friends to Chuck Stark.

Upon Gary Harding, we bestow Francis Norton's brush cut.

Connie Oaks leaves her talking ability to Mary Jane Tharp.

We bestow Janeanne Radley's power of concentration upon Jim Harding.

We will and bequeath Don Waid's quiet and reserved manner to Howard Harding.

To Rosaida Young, we give Beverly Wilber's trips to the Cloud.

To Mrs. Weir, we leave fewer tardiness and absence problems.

We leave Mr. Farnsworth an improved Senior Class.

We will and bequeath our happy times in Washington to Miss Runckel.

To Mr. Case and Mr. Lelear, we leave a larger school to clean.

To Mr. Chandler, we will and bequeath more good times in ag. and shop classes.

To Miss Minnick, we leave the ashes of nine chemistry books.

We leave to Miss Murphy a new electric typewriter that types one hundred and thirty words a minute by itself.

To Mrs. Weidman, we leave a larger cafeteria.

To Mr. Dewey, we leave reduced candy sales.

To Mr. Romanosky, we leave an escalator from his house to the school.

We will and bequeath Miss Wightman, a new Plymouth.

Upon Mrs. Kelley, we bestow the memories of the Junior Class of 1949.

We declare this to be our last will and testament.

Signed and sealed this eighteenth day of January, one thousand nine hundred and fifty-one.

Bob Case

(Witnesses)

When I had finished eating, I took the bill over to the clerk at the cash register. The cashier turned out to be Janeanne Radley and was I surprised. She explained to me that it was just a summer job and that she taught Math at one of the city high schools. Then guess what? She handed me the wrong change and to think she's a Math teacher too!

I decided to take in a basktball game that evening. On my way to the auditorium, two posters attracted my attention and I stopped to look at them. One concerned the "Hell Drivers", where in big letters was George Dowd's name. It stated that he had broken all speed records and was coming to the city soon. The other was a boxing poster showing an action shot of "Gorgeous Leigh", which turned out to be Leigh Morse, knocking out his opponent in forty-five seconds.

I arrived at the ball game just in time to see Coach Ed Hoffman and number one player, Francis Norton, come out of the dressing room all ready for action. I knew then without a doubt that this game could be tops. As the crowd yelled and cheered, I recognized one of the many voices clearly as that of someone I knew. I searched the many faces till my eyes came to rest on Sally Barker, whose interest in basketball players had not lessened, I noticed.

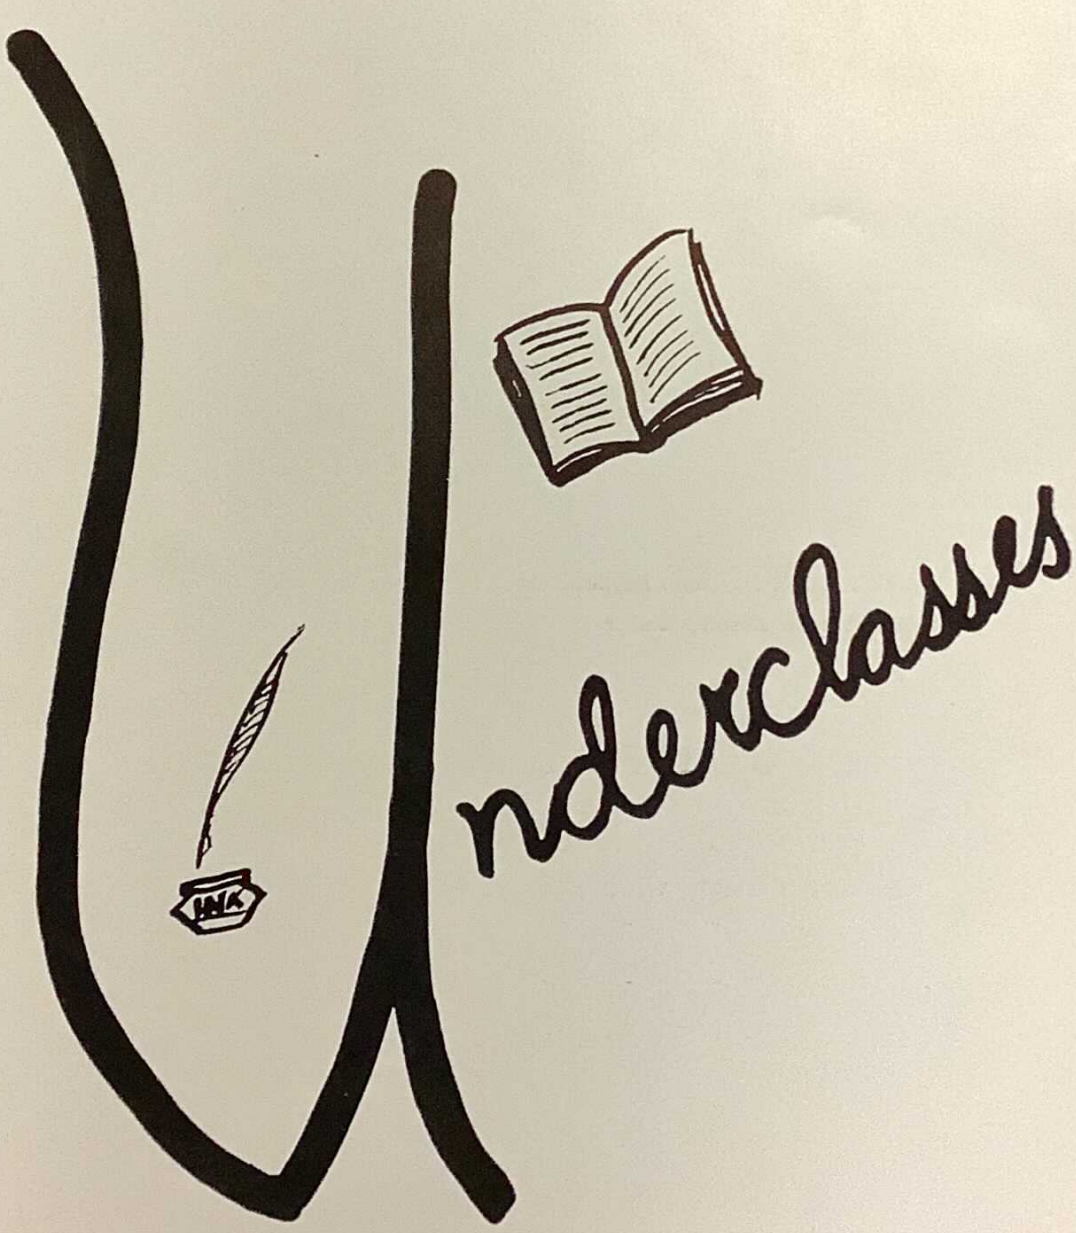

Then a girl behind me let out a great big scream and I turned around to find Pete Harding up to his old tricks of bothering the women.

As I was leaving the game, I met Chief Petty Officer Tommy Harding who informed me he had just retired after completing several years in the navy and after all these years was returning to the girl he loves.

After completing my journey, I decided to start back to the wishing well, glad that I could view my classmates' futures.

One of the memorable days of our junior year was the day when we received our Junior rings, October 4th. Another occasion was the night of our Junior Prom, which was held late in the Spring. Our class trip was enjoyed by all.

The class was much pleased by having the junior girls win the volleyball championship on March 9, 1951.

During the year, we have had much fun and of course some work. We held a few dime dances after basketball games, and at one dance we invited the opponents' team to remain. March 5, 1951, a Birthday Party for Mr. Romanosky was held in his room.

Together we enjoyed the good times and even the bad.

SOPHOMORE CLASS

At the beginning of the year, we assembled with 28 pupils. At the half of this year, we had lost one and gained two (leaving us with 29). The two new pupils were Kenneth Patterson from Wellsville and Phyllis Thomas from Nunda.

FRESHMAN CLASS

This year we had one more pupil added to our grade, James Fuller. The members of our class think that the new system in the library is very good.

Our class has been successful this year. We feel that we have learned many things of value in our classes. We had a trip to Wellsville and had a lot of fun. We also had a good time at our Christmas party. Miss Murphy and some of the girls played games, while the others sang songs.

We were then excused.

We had a class party March 1, 1951. Our chaperons were Mr. Romanosky and Mr. Enos. Some of us went to the show and some of us to the skating rink. We had a very enoyable time.

Two of the girls in our grade were Junior Varsity cheerleaders. They were, Marilyn and Maryanne Radley.

SIXTH GRADE

Twenty-eight pupils enrolled in the sixth grade when school opened in September. Kathleen Link came back after having been away for a year. Billy Deming, who had moved here from Andover during the summer, entered for the first time. Merle Wilcox, who left us for a few weeks during apple harvesting season, returned in December. In October Phillip Lawrence, who had been attending Alfred-Almond Central School, joined us. Clair Gordon of Canaseraga spent a few weeks with us but returned home just after Christmas.

During the year, we have enjoyed the usual parties and dinners. The Christmas dinner and party was the outstanding one.

All of us joined the Junior Red Cross and packed a box for a girl overseas. We also contributed to the March of Dimes.

The outstanding assemblies have been very good. We particularly liked the cartoonist.

Many of us have taken instrumental music lessons from Mr. Enos during the year.

All but seven of us have attended release time religious education classes.

In October, Frances Mascho came to us from Bolivar Central School and in November Willis Baker, also from Bolivar entered our grade. In December, Howard Scott left to attend Belmont Central School. Now we have seventeen boys and fifteen girls in our grade.

During the year we have attended some of the assembly programs. We especially enjoyed watching the cartoonist. The fourth and fifth grades put on the Thanksgiving assembly program.

Many movies and film strips have given us a better understanding of our social studies, science, and health courses. A new set of social studies maps and the installation of new lights have helped to make our work easier.

Eighteen girls and boys from our grade are taking special music lessons.

Most of us contributed to the Junior Red Cross, and to the polio fund. We packed two Junior Red Cross gift boxes to be sent to the children of Korea.

Parties were held on Hallowe'en, Christmas and Valentine's Day. We liked the Christmas party best. We had our Christmas tree, exchange of gifts, and games in our room. Then a delicious dinner was served to us in the gymnasium.

The girls and boys in the fifth grade have tried to be good citizens by helping with the many duties in the school room, such as, dusting, cleaning boards, watering plants, caring for the library and helping with the bulletin boards. They have contributed to their class work by bringing from home interesting material to supplement their school work.

However, we got some new pupils, in the meantime. Karen Korsaw came from Alfred-Almond and David Jones. Melvin Gordon, Benny Demick, and Charles Perham were promoted from second grade so now we have twenty-nine pupils.

We've had a very busy time this school year. In the autumn, we took several field trips to study trees and to collect pretty leaves. We waxed the pretty colored leaves.

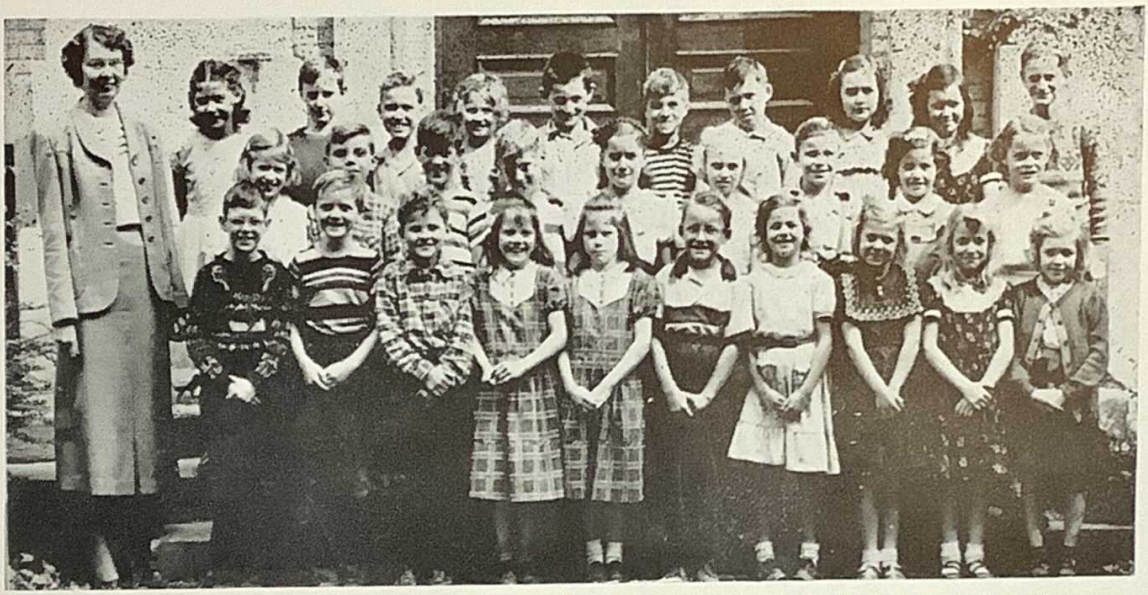

One of our social studies units was about different neighborhoods. We made a model of a farm neighborhood, a town and a city neighborhood.

Mr. Childs took us on a bus trip to visit the County Home. This was a very nice trip and it helped us in our social studies.

We had 100% membership in the American Junior Red Cross. Our grade also filled two Junior Red Cross boxes—one for a boy and one for a girl.

We have had several parties during the year. At Hallowe'en time, many of us dressed in costumes, and we paraded in Kindergarten and second grade. We also had the usual gay Christmas party—with a tree and exchange of gifts.

Teddy Carlton went to Florida, and Anita Frazier left. Carl Baker entered from Bolivar, making our total twenty-eight with still an equal number of boys and girls.

Improvements in our room this year were new shades and fluorescent lights.

This year we have seen the movies in connection with our work in our own room instead of having to go to the auditorium. We also saw some film strips. These have helped us to understand and enjoy our work.

Twenty-five of our grade contributed to the Junior Red Cross and twenty-one to the March of Dimes. Fourteen filled a gift box for a boy in Korea. Twelve joined the Varsity A. Seventeen joined the Audubon Bird Club as a result of our study of birds in science.

We had our usual three parties of the year—Hallowe'en, Christmas, and Valentine's Day. We played games and had refreshments on Valentine's Day. We exchanged gifts and enjoyed a good dinner at Christmas. On Valentine's Day we had valentines, played Bingo, and had candy.

To help us do better work in spelling and arithmetic, we had two charts. Seals, stars, colored spaces, and empty spaces showed the kind of work we did. Boys were against girls on the spelling chart. The girls won.

The fourth and fifth grades presented the Thanksgiving program, which consisted of recitations, exercises, plays, and songs.

We attended some special assemblies during the year which we appreciated.

Several nice books have been added to our library. Some of us had fine records of the number of books read during the year which were kept in bookiets made for that purpose.

FIRST GRADE

In September there were nine girls and twelve boys in our first grade. Charles Burdick left us to go to Cuba and Kent McNaughton moved to North Tonawanda. Dennis Beals came to us from Rushford, making our present enrollment twenty.

We have a movie projector for our room and enjoy the film strips we see. We take turns reading the story of the film.

We have several new library books for our room which we enjoy taking home and reading at school.

Mr. Dewey has taught us to square dance and to tumble in our gym class.

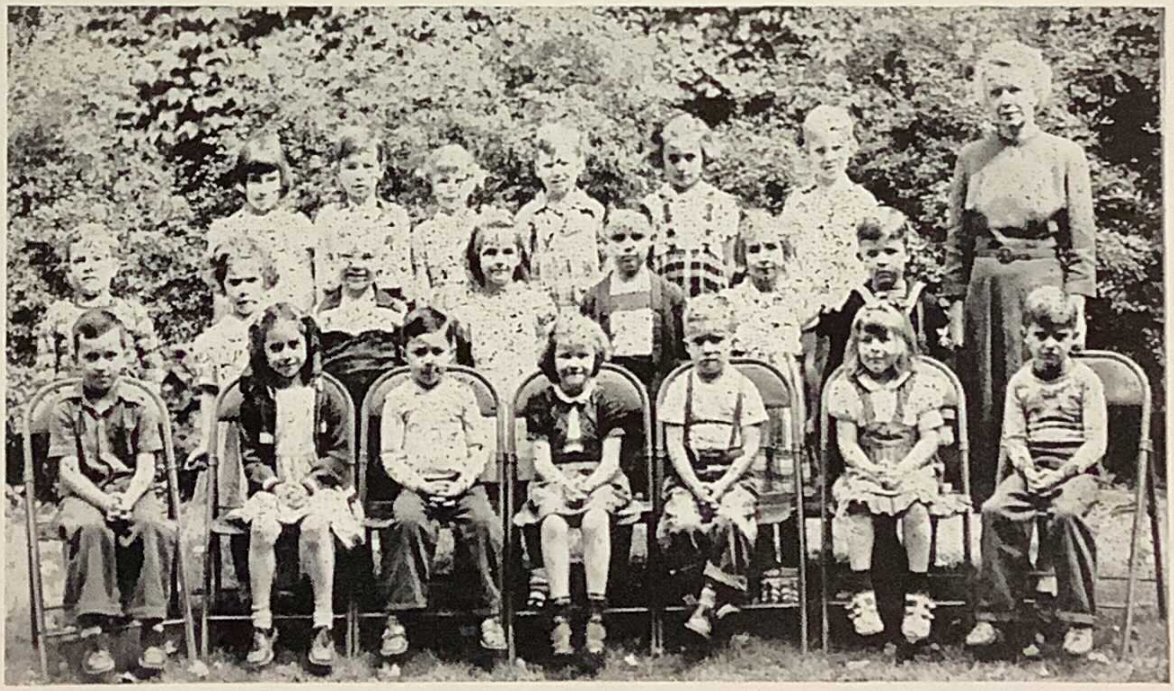

We had parties in our room at Hallowe'en and Christmas.

Several children from our room took part in the Christmas assembly program and also the Christmas P. T. A. meeting.

During the year we have enjoyed going over to cafeteria, special assemblies and movies.

In our art classes, we have drawn many seasonal pictures and pictures illustrating our reading stories.

We have visited the kindergarten and second grade and are all looking forward to being second graders in September.

SECOND GRADE

The "Class of 1961" is the biggest yet!

Watch us!

Most of us were born in 1943, entered Angelica Central School's first Kindergarten in September, 1948, adored our wonderful Mrs. Haggstrom, and were promoted to first grade at a formal "Commencement" program.

Mrs. Lois Perry was our beloved and very efficient first grade teacher in the old Court House on Park Circle. We read like whizzes and were asking for second grade books long before the end of first grade.

Our second grade room was in the southwest corner of the old Wilsonian High School building. Mrs. Muriel Coombs was our teacher. Mr. Harold Enos took us for music. Mr. Ambrose Dewey taught our gym.

Cafeteria was a small basement room under the gym balcony. Lunch cost us 12c apiece. Our lunch hour was from 11:10 to 11:37.

Twenty-nine of us came on buses and fifteen of us lived in town. We reached school at 8:20 or 8:40 and left for home at 3:20 or 3:41.

All of us went to our own churches for religious education the first hour each Tuesday morning.

SIXTH GRADE

(Continued from page 27)

Those of us who joined the 'Varsity "A" ' have attended the 'pep' assemblies before the outstanding basketball games. Some of us have gone on the bus to the out of town games.

Tony Dodge played the part of "Father" in the Christmas program put on by Mr. and Mrs. Enos.

Many parents came to our room on "Parents' Night" to see our work.

The fifth and sixth grade boys have played basketball games after school and before some American Legion games.

This year we have been able to have motion pictures and film strips in our own room which is much better than going to the auditorium.

We swapped our front "baby-teeth" with the "fairies" for an average of 10c apiece.

We read all the second grade books there were in school and got some new ones, filled seven workbooks with our manuscript, practiced Palmer Method script, wrote the years (and numbers) from 1 through 1951, learned addition and subtraction, sold garden seeds, celebrated Hallowe'en, Thanksgiving, Christmas and St. Valentine's Day. We took trips to the Allegany County Home, the Bank of Angelica, the Postoffice and the Angelica Advocate office. We watched people vote in the 1950 election. We enjoyed movies and film strips in our own room. We made Thanksgiving booklets and bird booklets. We saved our workbooks and our Weekly Readers.

THIRD GRADE

(Continued from page 30)

We've seen good movies and filmstrips. We enjoyed the colored filmstrips most.

Quite a few new books have been added to our library. We are allowed to take library books home, and many of us read to our younger brothers and sisters. Many of us bring our story books from home. Sometimes we read them to the class, and sometimes our teacher reads them to us.

These are only some of our activities. Don't you agree with us, when we say that we are busy third graders? You see, next year we want to be fourth graders so look for us in the fourth grade picture then. Goodbye now.

SECOND GRADE

(Continued from page 31)

The following changes in registration occurred before this yearbook was written: James Bull moved to Hornell about October 12th. Michael Closser had asthma from September 18th, 1950 through January 1st, 1951, and was treated in Syracuse. Inez Gray moved away October 26th. Penelope Carr moved to Scio March 3rd. Twins, Charles and David Lawrence, came from Alfred-Almond School on October 2nd. Robert Beals entered from Rushford November 27th. Bennie Demick, Melvin Gordon, David Jones and Charles Perham were with us until January 8th when they went into third grade.

KINDERGARTEN

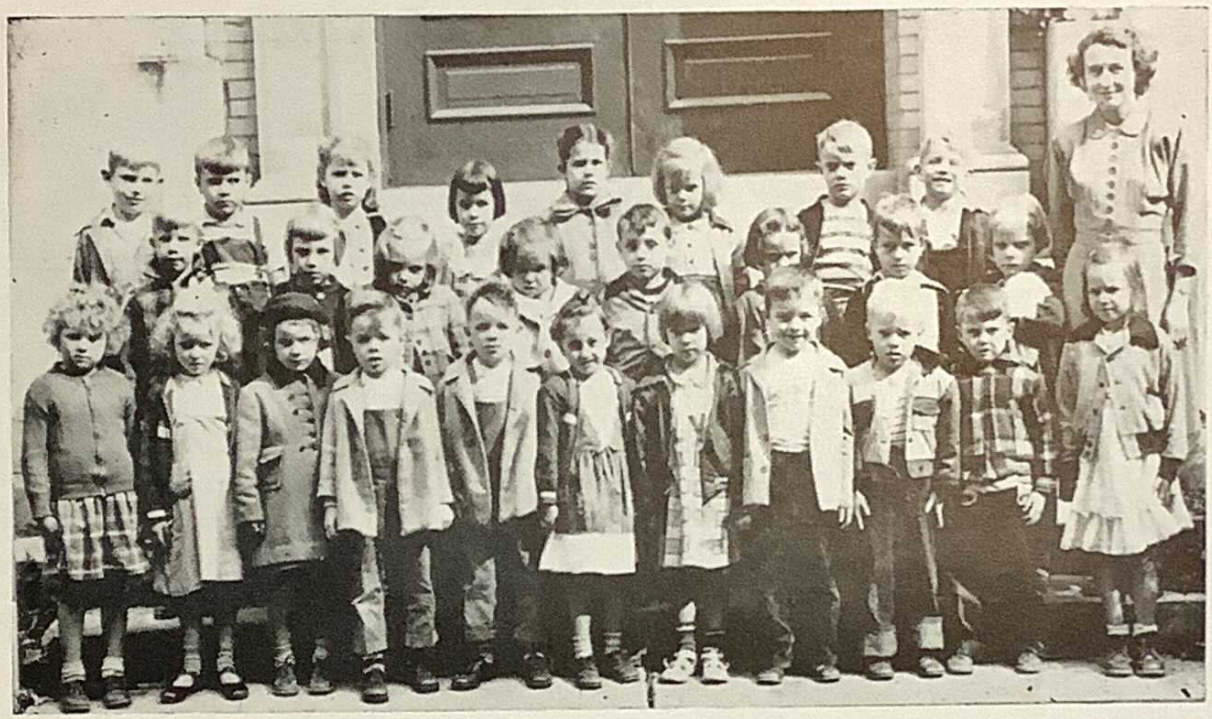

(Continued from page 33)

The development of a sense of rhythm has been one of the chief aims of the music in our kindergarten. A set of rhythm band instruments, a new addition this year, has done much to further this development. The children have also learned to respond bodily to the music as it indicates. Many singing games have been helpful in reaching this goal. Another important musical aim has been the improvement of the singing voice, particularly in regard to pitch. This has been accomplished through the use of many group songs—most of them with motions—, specific games for improving pitch, and the encouragement of solo, duet, trio, and quartet singing.

The group has used a new kindergarten workbook which has been helpful in such respects as learning to listen well, to follow directions to think clearly, and to know the numbers. Each day the children added the date to a large calendar. This has helped them learn the numbers, days of the week, and the names of the months.

An activity in connection with the story hour, which the children enjoyed a great deal, was their dramatization of some of the stories.

Some of the other enjoyable experiences this year have been trips to the public library, movies and visits to the first grade.

First row, left to right: Mary White, Judy Stephens, Phyllis Crittenden, David Fleming, Daniel Fleming, Sandra Brown, Jean Greene, Duane Farnum, Lewis Williams, Dale Austin, Edith O'Hara.

Second row: David Terwilliger, Edna Hecker, Janis Wojtulski, Margaret Nathan, David Child, Alice Demick, Donald Noce, Nancy Jennings, Mrs. Enos.

Third row: Billy Wilkins, John Main, Sharon Robbins, Kay Carr, Donna Speers, Patsy Hall, Bobby Miller, Bobby Shafer.

Absent from picture: Roger Graham, Gerald Patterson.

KINDERGARTEN

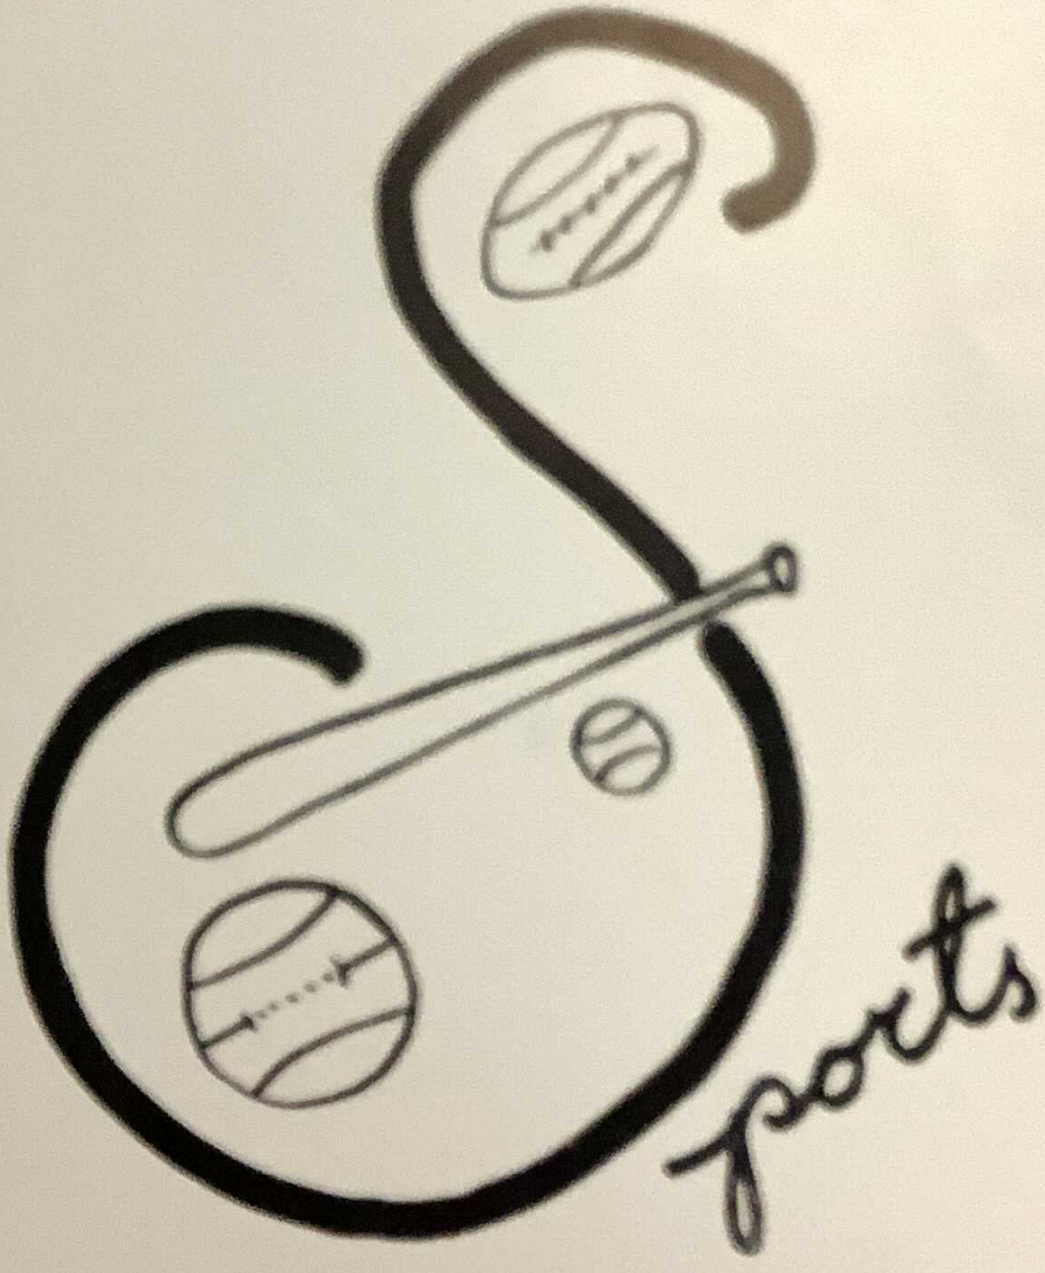

This year the kindergarten began with twenty-eight children, fifteen girls and thirteen boys. During the first half of the year, Gerry Patterson entered and Janis Wojtulski left, making fourteen girls and fourteen boys.

Activities in the kindergarten have centered around subjects in which the children have shown particular interest. For example, many members of the group brought colored leaves to school in the fall. This led to a discussion of why the leaves fall the difference in their appearance of that time, and of autumn in general. The children drew and colored leaves; they heard stories about autumn. Songs and singing games were related to the subject. A science table was set up, on which were placed the prettiest leaves brought in each day, different kinds of nuts the children had picked up, worms housed in jars, and a kernel of corn planted by one of the boys. This grew in the room for many months.

Another of the units carried on later in the year was about animals, also suggested by an interest on the part of the children. They took a trip to the zoo. Later, animal cages were made from pasteboard boxes, and animals to put into them. Other activities were in line with the animal interest.

Art activities, often pertaining to the interest at hand, included drawing, coloring, painting, finger-painting, cutting, pasting and clay-modeling. The children made candle calendars for their mothers at Christmas time, and picture covered match boxes for their fathers.

VARSITY BASKETBALL

The A. C. S. Varsity basketball team of 1950-51 consisted of thirteen players and was coached by Mr. Dewey. The Varsity did fairly well this year by winning 10 games and losing only 7.

The Varsity and the Junior Varsity teams spent an evening in Buffalo, on December 13, watching a double-header basketball game in the Memorial Auditorium.

The Varsity lineup and individual scoring is as follows:

Varsity	Junior Varsity
Gail Harding	Marilyn Tucker
Mary Spangler	Florence Clark
Neva Hoffman	Maryanne Radley
Gloria Harding	Lillian Nathan
Jeannine Brundage	Mary Lou Oaks
Susanna Radley	

As the result of illness we lost one of our Junior Varsity cheerleaders, Florence Clark. We also feel, even though we lost Florence, that Mary Lou Oaks, who filled her place, did a very good job.

This year the Varsity cheerleaders made new suits. They were red moire jumpers with white long-sleeved cotton blouses.

The cheerleaders were justly proud of their suits, not only because they saved the school $70, but because they made them themselves. Of course they couldn't have done this without much help by the directors, Miss Runckel and Miss Minnick and the cooperation of the other cheerleaders.

The cheerleaders wish very much to thank their advisors for spending so much time with them.

JUNIOR VARSITY BASKETBALL

The Junior Varsity, coached by Mr. Romanosky, relied on twelve players. This team won 11 games and lost 5.

BAND

The band has done well this year. We have been fortunate in the fact that few members were lost with the class which was graduated in 1950. There are forty-five in the senior band, which is under the direction of Mr. Enos. The instruments have been well proportioned with the proper number of clarinets, trumpets and saxophones, plus the percussion and low bass instruments.

The band took part in the Genesee County Festival, presented its annual Spring Concert, and marched in the Memorial Day Parade.

During the summer of '1950", the organization played several band concerts on Saturday nights in cooperation with the Chamber of Commerce. It is expected that several of the same kind will be given during the summer of "1951". These are excellent for school and community coordination. The concerts, which are played in the Angelica Park, are very enjoyable on the hot summer Saturday nights.

ALL GIRLS' CHORUS

The all girls' chorus, consisting of twenty-four members, has increased in size by six members over last year's chorus. The girls are divided into four groups. The first sopranos are: Inez Ackerman, Dianna Chaffee, Shirley Day, Carolyn Noce, Laura Norton, Doris Tyler, Lillian Nathan, and Mary Jane Tharp; the second sopranos, Florence Clark, Mary Duffy, Helen Fleming, Neva Hoffman, Arlene Hooker, Marygene Mull, Mary Spangler and Marilyn Hooker. The first altos are: Sally Barker, Jeannine Brundage, Virginia Hall, and Nancy Hanchett; the second altos, Gloria Harding, Evelyn Byroads, Mary Lou Oakes, and Doris Dodge.

The girls expect to take part in the Spring Concert, held at the school, and also in the Spring Festival. They may also take part in outside assemblies.

The chorus is directed by Mrs. Enos and accompanied by Dianna Chaffee and Mary Jane Tharp.

The chorus is under the direction of Mrs. Enos. Gloria Harding and Mary Jane Tharp are the chorus's accompanists.

This organization participated in the Christmas Pageant, in which it sang three songs. The names of these songs are as follows: "We Three Kings of Orient Are", "The Birthday of a King", "Lo How a Rose". The mixed chorus also helped with carol singing after the pageant. They sang many songs at the Spring Concert, and the Genesee County Festival.

We, the members of the mixed chorus, are thankful that we can have set aside for us the sixth period on Tuesdays and Thursdays for our meetings.

The Student Body this year earned a total of $569.55 in the magazine campaign. After the companies were paid, about $300 remained. With this, the material for six cheerleading suits was purchased. The cheerleaders made their own suits.

Also, the orange-drink dispenser was paid for from this amount.

A hamburger grill and a coffee urn were paid for so they could be used by any class needing them.

A filing cabinet is under construction for the records of the Student Council.

The Varsity A is now considered an organization in the point system. Each member gets 1 point; no additional points awarded for it.

FUTURE FARMERS OF AMERICA

The Future Farmers of America, or F. F. A., as it is commonly known, is a national organization that reaches from the State of Washington to Puerto Rico and from the state of Maine to Hawaii.

The F. F. A. is an intra-curricular activity having its origin and root in a definite part of the school curriculum—vocational agriculture. The foundation upon which the "Future Farmers of America" organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship and patriotism.

This year the F. F. A. has a charter; therefore the chapter belongs to the state and national organizations.

The officers of the F. F. A. are the following: President, Thomas McCollister; Vice President, Charles Stark; Secretary, James Nathan; Treasurer, Maurice Cairns; Sentinel, Clarence Young; Advisor, Mr. Chandler.

The following committees were chosen for the year: Refreshment, sport and finance.

Objectives: of the organization:

1. To earn enough money to buy F. F. A. jackets for all seniors in the F. F. A.
2. To earn enough money to donate a certain sum each year to the State F. F. A. Camp Oswegatchie, located in the Adirondacks.
3. To earn enough money to pay the expenses of one week for five boys at the State F. F. A. camp during the summer.

A new organization has difficulties in getting started. We hope to have even more successful years in the future.
