In Loving Memory of

The class of 1984 would like to dedicate the fifth edition of Genesis in remembrance of our classmate and friend, Jennifer Rohver. Although she was with us for only a few years, we all grew to know and love her. She was a very considerate and friendly person and we were blessed with the opportunity to have shared a part of her life.

Thank you for being a friend
Traveled down a road and back again
Your heart is true,
you're a pal and a confidant

I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow

And if you threw a party
Invited everyone you knew
You would see the biggest gift would be from me
And the card attached would say

Thank you for being a friend

If it's a car you lack
I'd surely buy you a cadillac
Whatever you need any time of the day or night

I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow

And when we both get older
With walking canes and hair of gray
Have no fear even though it's hard to hear
I will stand real close and say

Thank you for being a friend

And when we die
And float away
Into the night
The milky way
You'll hear me call
As we ascend
I'll say your name
Then once again

Thank you for being a friend

What a year! Truly a memorable one for student council president Merritt Brown, vice-president Dave Witter, treasurer Brenda Bliven, and secretary Betsy Hanchett. Three of these had never held a student council position before but under the advisory help of Mrs. Comiskey, things were off to a great start.

If any understanding of government was gained through the activities of the 1983-84 council, it would have to be the fact that one school year is hardly enough time to carry out the goals we set up. Although it seemed that meetings were casual and that the true spirit of government was absent, our small group accomplished a great deal.

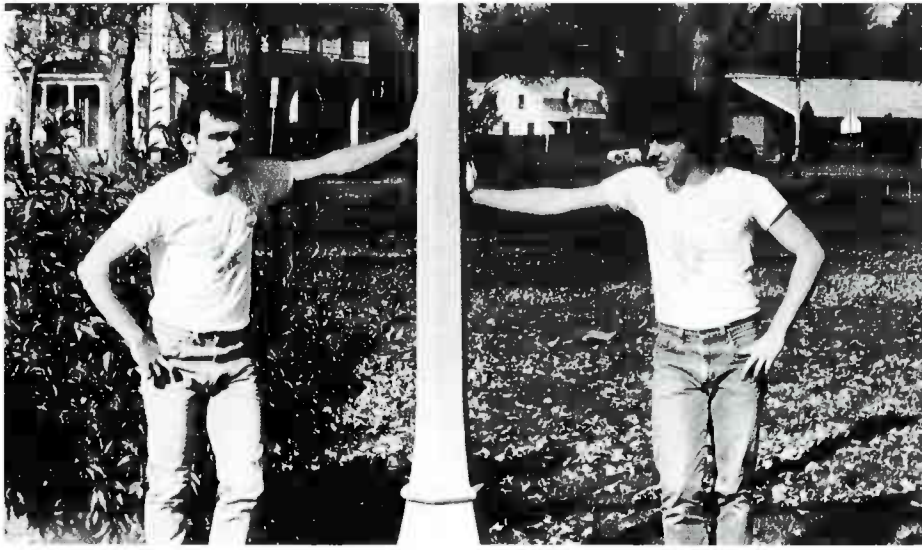

We started off the year with nothing in the treasury and ended up with more than four hundred dollars at the end. Charity fund raisers included Unicef, MDA, and the American Cancer Society all of which were successful. In spring we organized the annual High School Field Day; and, as usual, it turned out to be a lot of fun.

This unique group of students increased communication between the Board of Education and Faculty, with the main purpose of benefitting the student body. Looking back upon the year, we would all have to say it was a good one.

Boys' State

On June 26, we had the privilege of attending the 1983 American Legion Boys' State at Siena College near Albany. Having spent the week with Marine drill instructors, we soon learned their way of doing things. Besides talking to Marines, Sailors and Soldiers, the 1100 of us boys attended many assemblies and lectures.

With the guidance of counselors and the American Legionnaires, we set up governments on the city, county and state levels, with the highest position going to the Governor.

Siena College provided much of the sports program and the things to do were unlimited. We met a lot of people, learned much about our government, and had a great time which we will always remember.

During the week of May 20th, nineteen students were working like little mice, preparing the gym for the "Main Event." This was a TIME when the Junior class learned to get along and work with each other. The gymnasium was streamered with light blue, dark blue, pink, gray, and white with other symbols such as a lighthouse and a bridge built to hold the 1983 King and Queen and their court. The music was provided by the versatile band "West." The clock ticked 12:00 and it was time to wish upon a star. Mrs. Comiskey reached for the stars and announced the court. The stars of the moment were:

Senior History

In September of 1971, 45 scared to death children were the first at Belmont to attend under the supervision of Miss Disparti and Mrs. McDonnell. Out of the original 45 students, there are 11 of us left: Kim Abbott, Tracie Bliven, Merritt Brown, Lorie Kemp, Kari Manning, Kelly Pettit, Valerie Starr, Pam Swarthout, Tre' VanDyke, Kim Wheaton, and David Witter. We were very happy to be Miss Disparti's last class and take part in the Miss Disparti Day activities. We all remember the hard work we put into our graduation that we never had because of the flood of 1972.

First grade arrived and we were finally getting used to school life. We got a taste of reading, writing, and arithmetic. Jerry Wells dropped in to join us this year.

We entered second grade under the guidance of Mrs. Francis and Mrs. Pattersson. We built a birdhouse with the help of Mrs. Francis to help us with our bird study. We met John Mehmel this year.

Our third grade teachers were Miss Harris and Mrs. Allen. This year we were introduced to Elmer the Worm. We began to write letters and put them in our own mailbox. We were lucky to have the art cart this year.

It was a big move our next year to the fourth grade. Miss Harris decided to join us for another year along with Mrs. Potter. We were excited to have gym lockers. Sharon Nease joined us in time to take part in the mini-courses.

Fifth grade was a very busy year for us and our teachers, Mr. Jackson, Mrs. Megivern, Mrs. Arlene, and Mrs. Benscoter. We all have fond memories of our operations, Alice in Wonderland, and trips to Niagara Falls, Corning Glass, the Planetarium, and going to Mr. Jackson's house for supper and our first year in band.

We felt very important to be in our last year of elementary school. Our sixth grade teachers were Mr. Leone and Mr. Jones. We went to the Shrine Circus and the Buffalo Zoo and were the first to have a music class variety show. Michelle Roberts became part of our class this year.

Our first year of junior high was a major step for all of us. We took the responsibility of having our own lockers and changing classes. Mrs. Wells and Mr. Boyer were our homeroom teachers. This was also our first year of sports. Arlene Gleason joined us.

Our eighth grade year seemed to fly by. Our teachers were Mr. Baker and Mr. Kane. Mike Burke joined us in looking forward to our freshman year.

It began without the commotion of initiation. Our homeroom teachers were Mrs. Presutti and Mrs. Moore. Our class money-making activities included the fruit sale and the school fair dinner under the advisement of Mrs. Bliven and Mrs. Bosworth.

We came back our sophomore year to have Mrs. Comiskey for our homeroom teacher. This year we sold fruit and worked at the school fair dinner. We also ordered our class rings and went to Darien Lake for a day.

Our junior year proved to be very exciting for all of us. This year we returned with Mrs. C as our homeroom teacher. We started out this very busy year with fruit and magazine sales and went directly into trying to make decisions and ordering decorations for our prom. It was a lot of hardwork and fun but we managed to pull off one of the best proms B.C.S. has ever seen. Dan Gowdy joined us this year.

Our senior year is finally here. We are sad to leave our friends and faculty who have been close to us and have helped guide us. But we realize that our lives must go on. We must accept many new responsibilities and it won't always be easy. However, when we think back to the good times and all that we learned at B.C.S., the road of life will appear smooth and straight.
