The Journalism Staff of Belmont Central School Belmont, NY Presents CHANGES

Fourth Edition of Genesis

Dedication

We, the class of 1983, would like to dedicate this year's edition of Genesis to everyone who has helped us through these times in our lives. We dedicate this book to all our teachers, past and present. We dedicate this book to the administrators who handle all the paperwork. We dedicate this to the custodians and cafeteria staff who do things for us that we take for granted. We dedicate this to all the organizations, clubs and sports groups who provide us with entertainment and make us proud of our school. And we dedicate this to all our friends who have helped us to grow and to become who we are.

So here's the culprit!

Don, quit showing off!

All those in favor of saving his wretched life, raise your hand.

That's better.

Flash strikes again.

Guess which hand?

Who, me?

Whoops, sorry Dave.

Presents

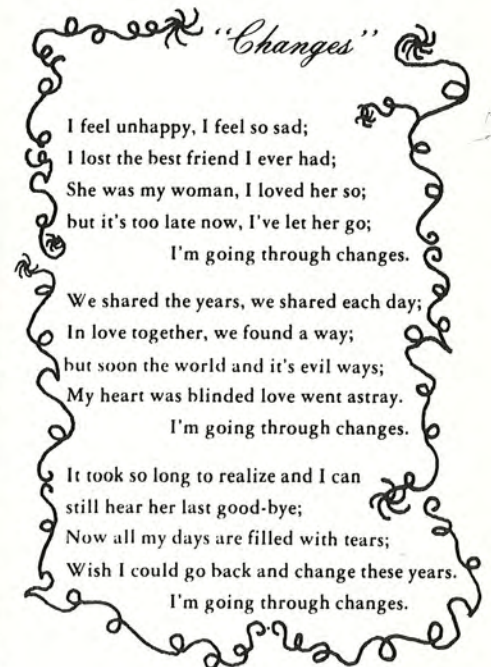

"Changes"

Our Prom was held on May 21, 1982. With "Changes" as our theme we were able to use a variety of ideas in decorating the gym. Rainbow colors fell in perfectly with the changing effect, offsetting our ceiling and stage decorations. The uniqueness of our split level floor turned out nicely; we decorated the stage with white fencing and steps which lead to smaller tables. The night resulted in many happy memories. A time, we the class of 1983, were proud to call our own.

The 1982 Prom court consisted of Andy Geffers and Deb Hand as Prom King and Queen; Kent Johnson and Molly Pike followed as first attendants. Second attendants were Seth Petrichick and Kim Baker with Brian Chilson and Mary Ann Witter as third attendants. Brian Watson demanded a recount!

Special thanks to the Legion and Hotel for letting us use their tables and chairs. Thanks also to the Conservation Club for letting us have our celebration at the Club afterwards.

I feel unhappy, I feel so sad;
I lost the best friend I ever had;
She was my woman, I loved her so;
but it's too late now, I've let her go;
I'm going through changes.

We shared the years, we shared each day;
In love together, we found a way;
but soon the world and it's evil ways;
My heart was blinded love went astray.
I'm going through changes.

It took so long to realize and I can
still hear her last good-bye;
Now all my days are filled with tears;
Wish I could go back and change these years.
I'm going through changes.

Student Council

The morning of the elections was tense; each candidate rehearsed his/her speech in hope of a successful win. As person after person got up in front of his/her classmates and teachers, the desired effect that they tried to achieve was indeed answered by applause and whistles. No one person had any idea who would be elected.

At the end of the day, the votes were counted and the names of the newly elected officers were announced. The winners were overjoyed at their success; the losers, well, they knew that it was the best that they could do and were happy with that.

National Honor Society

March twenty-fifth, nineteen hundred eighty-two was a very exciting and important day to five members of the class of nineteen hundred eighty-three. Kim Baker, Mike Hand, Linda Perkins, Debbie Wesche, and Don Whitney were inducted into the National Honor Society.

Induction into the National Honor Society is based upon a high school grade average of eighty-five percent or higher, and four important qualities: Scholarship, Leadership, Service, and Character.

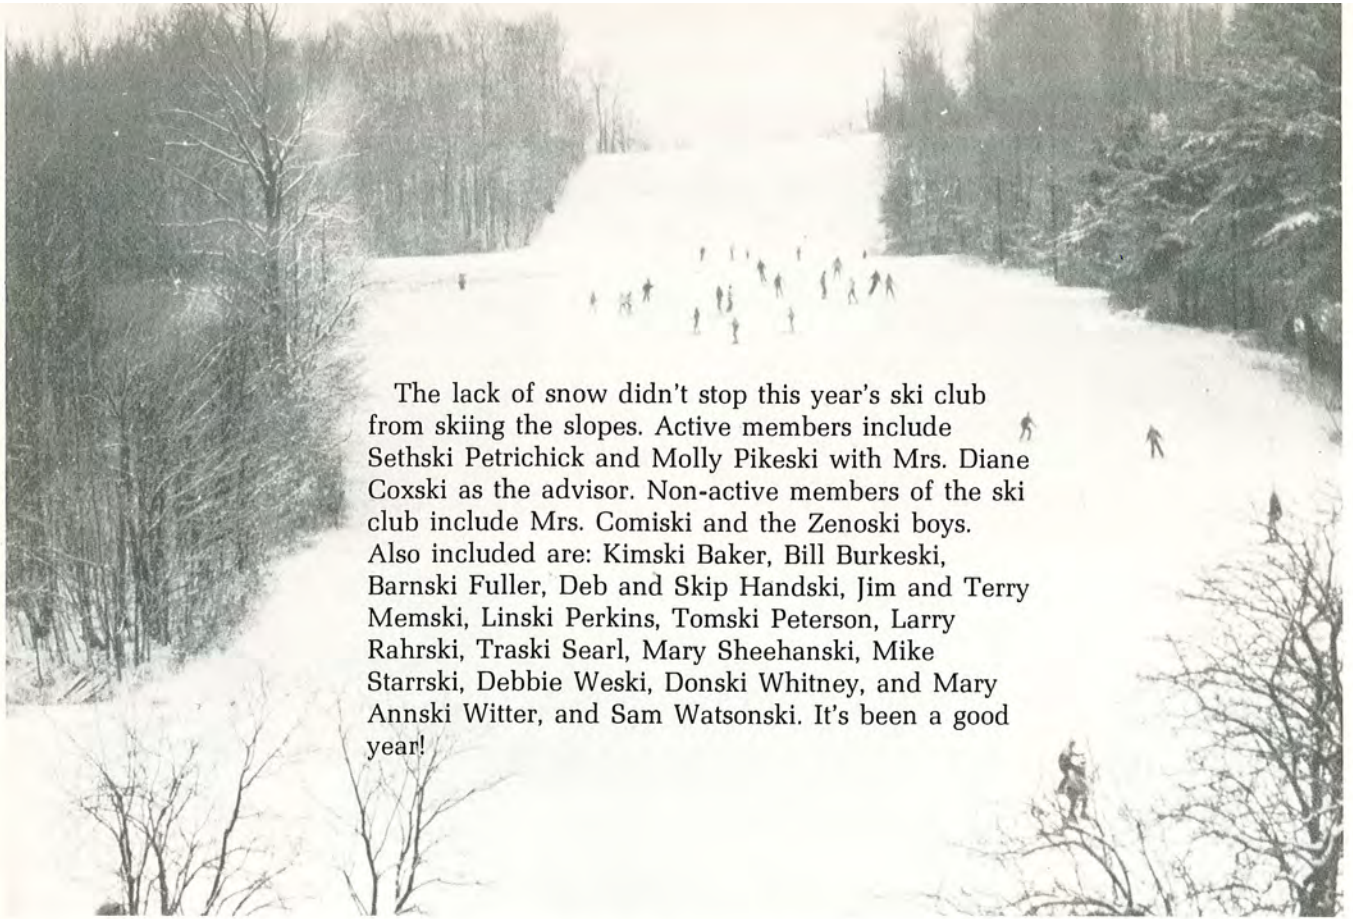

Boys' State

Boys' State last year was an enjoyable and enlightening experience. John Zlomek and I were introduced to the many facets of government. John and I also met with a few branches of the armed services (mostly the Marines).

Overall, the week at Boys' State was a good one, but meeting new people was the best part.

Donald L. Whitney

The lack of snow didn't stop this year's ski club from skiing the slopes. Active members include Sethski Petrichick and Molly Pikeski with Mrs. Diane Coxski as the advisor. Non-active members of the ski club include Mrs. Comiski and the Zenoski boys. Also included are: Kimski Baker, Bill Burkeski, Barnski Fuller, Deb and Skip Handski, Jim and Terry Memski, Linski Perkins, Tonski Peterson, Larry Rahrski, Traski Searl, Mary Sheehanski, Mike Starrski, Debbie Weski, Donski Whitney, and Mary Annski Witter, and Sam Watsonski. It's been a good year!
