Ms. Elsea is a wonderful person, friend, and teacher to everyone. Her bright smile and warm personality has graced this school for the past eleven years. She has been an Art, Home Ec., Cooking, and Life teacher to all students who come through this school. Many people would not be where they are if not for Ms. Elsea. The love she has provided to her students and peers has made all the difference. From young to old, from past to present, Genesee Valley thanks Ms. Elsea for all she has done.

# Wills and Memories

**Alan Salyer:** I will Katrina Temple delicious lips; Imris Curry Dancin' On Edge GV rep, and Lauren Reisz the Albino Empire. Memories: Breanna's every weekend; Niagara Falls trip; Halloween dances; "Don't Trip!"; "Let's all wear pajamas on pajama day!"; "No Drinks!"; Spitting Arizona all over the staircase; Charlee's sayings; Campouts with Charlee and Breanna; Volleyball games with Charlee; Bird and Perch; Fun Runs; 007; Bradley Palmer; Poker Nights; Ram Odin & Temple; Halo Nights; Blowing up Brooke's kitchen; Prom 2013 and Prom Committee; Ksa's parties; Dinners with Imris; Happy Days; English Projects with Charlee; Chasing Charlee with ladybugs; French video project; Mr. Anger all four years; Last day at The Hotel; Gangsta at work with Daesha; Europe Trip; Being stage lovers with Ksa; Everything with Harley; Labor Day parties; Trick or Treating with Charlee and Breanna; Senior Stand; Movie theatre with Katrina and Imris; Amish dogs with Breanna; Dance Cruises.

**Noah Schmitt:** I will Brendon Schlafer full authority of the low saxophone section. May he beat up many tenor/baritone saxophone players for being silly; To Jen Setaro, I leave the responsibility to say "Hi" loudly to people in the hallway, especially people who look like they are about to fall asleep; To Tim Butler, I leave bus seniority. May he dominate the back seats of the bus and let no little kid, no matter how cute, stand in his way. Memories: I remember the first day of Earth Science class. Everyone was dead silent since we all heard the rumors about VT but within a week, it was one of the best classes ever. With "METER" and VT throwing a tennis ball at Dylan several times, it made some awesome moments. There are so many moments that are awesome and hilarious but I can't think of them right now so I'm going to wing it. Well, for one thing I am going to miss how Mr. Anger would beat up Aidan and throw markers at him in class; The things we did at Josh's house are priceless; making videos, playing hockey and airsoft, and sleepovers; Recording audio with Carson and interviewing myself in a school movie project... awesome; Pretty much always going to Math Competitions for the food; I have no idea if I'll ever forget that moment when the bus driver yelled at us for yelling "RAILROAD" every time we came to one and after she was done yelling at us and telling us not to do it anymore, Bryce Woolston then proceeded to whisper "railroad" to us. It doesn't seem very funny now but in first/second grade, it was the funniest thing in the world.

**Mckayla Temple:** Memories: Blowing up Brooke's kitchen; Halo nights with Brooke Kemp and Alan Salyer; Trig sharks with Brooke Kemp; Art Classes with Katrina Temple.

**Mackenzie Ward:** I will Jarret Ward the power to do anything he sets his mind to, the confidence to try new things and to make the best of high school. Memories: All the dances, the crazy parties and hangouts at my house; Going to Crosby's at midnight in our pajamas; Prom and prom committee; Creating prom with Alan Salyer!; Chasing Charlee around with ladybugs; "We're going to burn your books!"; Mr. Bradt getting pooped on at Wellsville's track meet!

**Noah Weinman:** I will all my athletic ability to my sister Hallie, because my brother Cooper already has his. I will my heart to my girlfriend Sydney. I will my love for classic music to Miss Imris Curry. I will my grand fishing ability of the Genesee River to Jake, T-Zlo, and Alex. I will my hardworking effort in school to my brother Cooper. I will my goal scoring ability in soccer to Baylee Perry, Sarah Pratt, Carolyn Dutt, Haley Burton, and Shelby Francisco. I will my speed in track to Mike Harrington and Phoenix Bliven. I will my position in band to Conner Ward. I will my hayloft hockey ability to Zach Deichmann. Memories: The 'short' bus ride back from the Hinsdale game; The late night hayloft hockey games at the Deichmann's; Madden tournaments at the Bennett's; Airsoft in the Deichmann's woods with all the gang; Fantasy football drafts at the Bennett's; Travel soccer and indoor soccer with all the boys from all schools; The late night sleepovers with someone getting slapped with a slice of pizza, most likely Josh; Spending time at dances and other events with Sydney; Playing football during recess way back in 4th grade with the gang; Being banned from hockey on our deck due to too many holes in the house; The great mouse hunt at 2 am at Bennett's house; Hanging out with Carson George, Tyler Bennett, Josh Deichmann, Tylor Davis, Brock Mapes, Noah Schmitt, Dylan Lehman, and of course, my brother and sister for all outstanding adventures together; Learning to play sports and learning how to be a good student from both my parents.

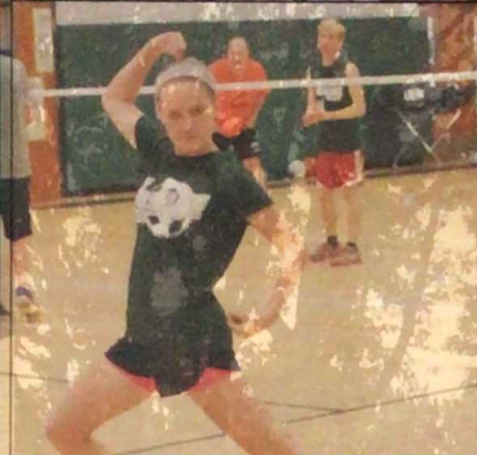

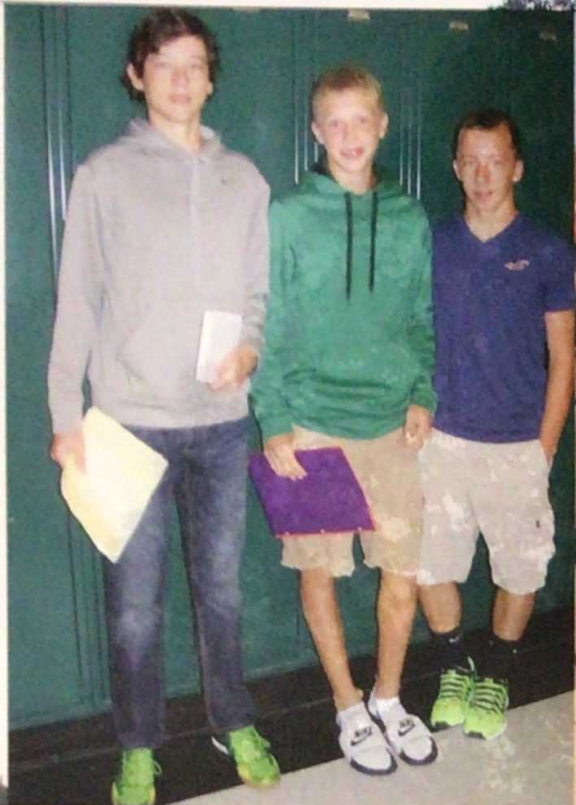

**Vincent Wilson:** Memories: Riding home from Hinsdale after a soccer game with a 10-0 win. Then having a short bus ride home; Hitting my first dive, and smacking my face off the water; Going to Catt. Little Valley for a day and them asking me to be their mascot; Being on Amity Rescue; Going on a lot of calls saving people's lives. Those calls where your heart is racing and those calls at 2 in the morning. Sitting and watching a house burn down is the hardest call to go on; Mrs. Stack making us do them 5 squat thrusts - always fun; And having a good soccer season. Wishing it would never end; The Senior lounge... enough said!

**Dylan Winterhalter:** I will Tyler, Alex and Jake success in what everything they do and to dominate the local fishing locations and sports. I will Vinny the ability to not eat the whole cafeteria. Good luck little hands. Memories: Mr. Van Tassel's Earth Science class; Kung Fu Rat and weird noises from Liberto while we were trying to take tests in Bio; Playing hockey in Olean and going to states; Soccer with Kim Stack and "5 Squat thrusts!" The bus ride home from Hinsdale was much shorter than we could have ever imagined; Slawson's "the mob, the mob, the mob."; All of the fishing with Tyler, Alex, and Jake; Mr. Abdo "6-12, 6-12...you need any help just ask"; Trig with Goldy Cox and "C'mon Coxy"; Mrs. Bullock; All the times staying the night at Andrews; "This is a job for a sponge"; Soccer with Rich Reynolds; "This is our Measuring Rod" "It starts today" "I'm coming home"; Chris Baker; "One touch Konrad"; Late night walks with friends; "Justice will be served"; Senior Stand with Sandy; Jim the lunch lady; Herbert whistles with Aidan, Andrew, and Joe; "WH" sounds in every word; Driver's Ed; Surviving GV 2013; Talking (arguing) sports everyday with Carson, even though he was rarely right; Canes vs. Sabers rivalry with Carson and Noah; Study hall with Linda; Mayhem Festival at Darien Lake the past two years.

**Sydney Zlomek:** I will Tyler to have a great and memorable Senior year. Memories: Middle School Olympics, black always winning; Band trips to DC and Cedar Point; "Capture the Flag" in gym; Cheerleading spaghetti nights; School dances; Four years of prom; Singing on the bus to every Track meet; "Boulder" with Daesha and Breanna; Night shift at Senior Stand; Trick or Treating with Brook; Getting prom queen; Having Mr. Anger all throughout high school; Cheer counties; Band competitions in Springville; One big happy Track team family; Spirit Week; Hot tub and pool nights; Sleeping on the bus before and after cheer competitions; Winning two Volleyball tournaments 2013; Our "senior hallway" upstairs; Weird talks at the lunch table; Playing Mario and Guitar hero in the Senior lounge.

# Retirees

## Mrs. Lois Lounsberry

Mrs. Lois Lounsberry has been a member of Genesee Valley and Belmont Central's teaching staff for 33 years. Her favorite thing about her experiences both at Belmont Central and Genesee Valley was the opportunity to work with the kids, always having great classes. She also loved being able to work with all of her wonderful colleagues. In retirement Mrs. Lounsberry plans on being able to spend time and travel with her husband, Kelly, her son, Sean, and also to continue participation in many activities and groups like her church and the Lioness Club.

## Mrs. Patricia Presutti

Mrs. Patricia Presutti taught at Fillmore Central four years, Angelica Central one year, and Genesee Valley for 19 years. Watching students progress and grow throughout the years is one of her fondest memories. Mrs. Presutti has been married to her husband, Steve, for 34 years. She has two sons, Zachariah, 29, Jacob, 28, and a daughter-in-law Brittany, 27. Also she is expecting a grandson, Lincoln, in the near future. During retirement Mrs. Presutti plans on traveling with her husband, enjoying time with her children and grandson, and of course to keep on exercising!

## Ms. Glenna Elsea

Ms. Glenna Elsea has been working for Genesee Valley as the Home and Careers teacher for the past eleven years. Her favorite things about working at the school are "obviously" the students and preparing them for the real world, as well as the freedom her curriculum allows.

Ms. Elsea has two children, Jessie and Joe, and a five year old granddaughter, Acacia. In her retirement, Ms. Elsea would love to travel and visit her family in Tennessee. Also a dream of hers is to do volunteer work, especially in a third world country.

## Mrs. Barb Baker

Mrs. Barb Baker has been an employee at Genesee Valley for 20 years teaching elementary students. Though she will miss the friendships she has developed, Mrs. Baker is excited for retirement to spend time with her husband of 38 years, Brian, and visit her children: Tony and Carrie, Debbie and Jeremy, and Marty, as well as her five grandchildren: Lillie, Henry, Raji, Sena, and Judah. She is also looking forward to gardening, traveling, and continuing her hobby of songwriting.

## Mrs. Bertha George

Mrs. Bertha George has been a teacher's aide at Genesee Valley for 23 years. She has enjoyed working at the school, but working with the students has been her favorite part of the experience. She also loves how the faculty and staff have become like family to her. She will miss her relationships at the school very much. Mrs. George has four daughters: Tracy, Tammy, Jamie, and Jennifer, one son-in-law, Quilvio, and one grandson, Elliot. In her retirement Mrs. George plans on being able to sit back and enjoy life while also being able to visit her family in Maryland. She may also come back and substitute because she will miss the kids and the staff.

## Coaches

Mr. Duttweiler

Mr. Bradt

Mrs. Duttweiler

The 2013 Genesee Valley Varsity Track and Field Team had big shoes to fill coming off the success of the 2012 team. Many newcomers and some veteran returners kept GV in the hunt in most of our dual meets, winning a few and losing a few (a couple by one or two points).

Row 1: Sydney Keesler, Brooke Kemp, Baylee Perry, Carolyn Duttweiler, Carena Humphrey, Ksa Curry, Madison Jones, MacKenzie Ward, Peyton Watson, Sabrina Harrington, Makayla Baird  
Row 2: Matthew Ringler, Andrew Miles, Alan Salyer, Timothy Butler, Trace Gould, Sydney Ziomek, Brooke Nicholas, Audrey Warner, Colin Bainbridge, Michael Harrington, Brendon Schlafer, Katrina Temple, Brock Mapes, Imris Curry, Sarah Pratt  
Row 3: Alec Bently, Noah Weinman, Justin Livergood, Joseph Musingo, Austin Borden, Brian Edmister, Charles Lohnes, Noah Schmitt, Emily Ringler, Phoenix Bliven, Cody Livergood, Chelsea Phillips, Lily McGovern

**Seniors:** Matthew Ringler, Charles Lohnes, Carena Humphrey, Brian Edmister, Ksa Curry, Justin Livergood

Winning individual Allegany County Championships were Charles Lohnes in the 400 Meters, Andrew Miles in the 100 Meters, Justin Livergood in the Discus, and the Boys' 400 Meter Relay Team of Michael Harrington, Charles Lohnes, Noah Weinman, and Andrew Miles. There were many other solid showings during the Championship Meet and throughout the season.

The following athletes were named to the Allegany County Track and Field All-Star Team: Carolyn Duttweiler, Madison Jones, and Carena Humphrey for the girls and Charles Lohnes, Justin Livergood, Andrew Miles and Brock Mapes for the boys.

Although somewhat apprehensive of their new roles as leaders on the team, the Senior class of Ksa Curry, Carena Humphrey, Brian Edmister, Justin Livergood, Charles Lohnes, and Matt Ringler provided great leadership and support to a young, improving team. They will surely be missed.

The team is looking forward to its continued improvement in 2014.

## Varsity Girls Softball

Row 1: Emily Chamberlain, Cassidy Mountain, Kristen Swann, Shelby Francisco Row 2: Jennifer Setaro, Kaitlyn Karns, Deanna Mountain, Haley Burton, Stephanie Baker, Katelyn Francisco, Sarah Bentley, Coach Clark-Hapeman Missing: Chelsea Halbert

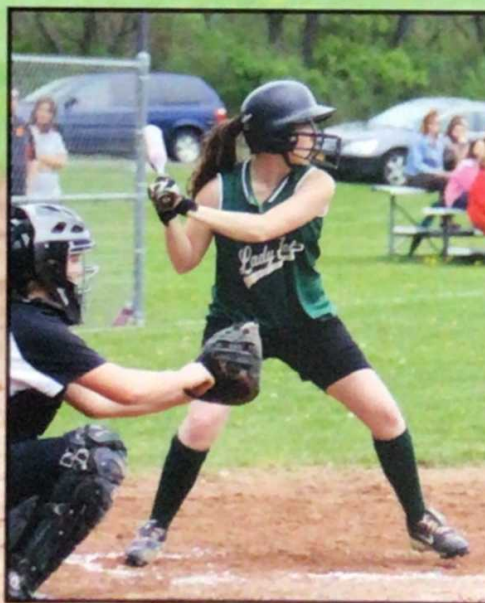

**Coach Clark-Hapeman**

**Seniors:** Emily Chamberlain, Katelyn Francisco, Deanna Mountain, Sarah Bentley, Kristen Swann

Our record was 5-13. We had a young team and low numbers. Having no JV program hurts us but hopefully in a few years we should be very competitive. Weather was a huge issue this season. It seemed like every time we were scheduled to play, it rained! We were seeded #10 going into Sectional play beating Hammondsport in the first round. We lost to #2 seed Arkport in the next round. We will be losing 5 Seniors: Dee Mountain, Kristen Swann, Emily Chamberlain, Katelyn Francisco, and Sarah Bentley. We also had 3 girls make All-Stars - First Team: Dee Mountain Second Team: Chelsea Halbert and Haley Burton.

## Varsity Boys Baseball

**Coach Whiteman**

Our overall record was 5-10. The season ended with a first round loss to Alfred-Almond. Dylan Johnson and Tyler Zlomek made First Team and Cooper Weinman made Second Team. Highlights of the year were beating Fillmore and Cuba Rushford, who were both very strong teams.

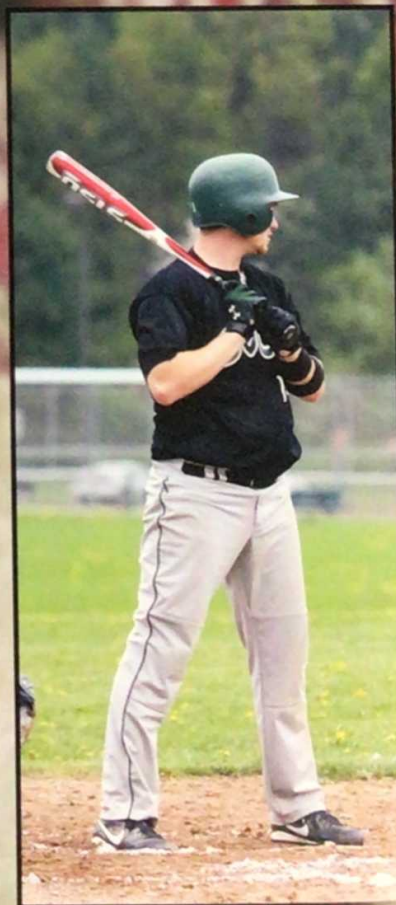

Row 1: Dylan Johnson(front), Will Burton, Cooper Weinman, Dylan Lehman, Nate Coble, Aidan DeTine, Vinny Biancuzzo

Row 2: Coach Whiteman, Tyler Bennett, Nick Fanton, Tyler Zlomek, Caleb McGuire, Tyler Landries, Andrew Weigman

## Varsity Girls Soccer

**Coach Scott-Schneider**  
**Assistant Coach George**

The 2013 season was an uphill battle right from the beginning. We were young and lost 83% of our goal scoring ability and all but one defender. I was proud of how the way the ladies battled during the year, but we just could not score. One could give up but these ladies held strong.

**Coach Reynolds**

The 2013 Boys' Varsity Soccer Team concluded the season with a 6-9-2 record. This squad was solid defensively but unfortunately struggled to finish scoring opportunities. This resulted in being on the short side of several outcomes. Regardless, they were a hard working group of young men, who competed every time they stepped on the field. They were respectful to their coach, their opponents, and to the officials. They were young men that their families and their community could be proud of. Noah Weinman, Dylan Watson and Cooper Weinman were named to the Allegany County All-Stars. In addition Cooper was named to the Section V Sectional Team.

## Girls Varsity Volleyball

**Coach Oldham**

The Varsity Girls' Volleyball Team finished their season with a 13-5 record and 2 in season tournament wins. Daesha Plummer and Alyssa Simmons were selected to the Tournament All Star Team at the girls' home tournament. Daesha Plummer was chosen as the Tournament MVP and Sydney Keesler was selected as a Tourney All-Star at the Bolivar-Richburg tournament. The Lady Jags finished second in the Allegany County League with an 11 and 3 record and earned a 3rd seed going into the Section V Tourney. The team secured a first round bye and beat Fillmore in the second round beating them in straight sets. GV was eliminated by Harley Allendale Columbia in the semi-final round. Three girls made the First Team County All-County Team: Daesha Plummer, Jennifer Setaro, and Alyssa Simmons. We have six Seniors leaving at the end of the school year. Thank you for the memories and make us proud. Best of luck girls!

The Genesee Valley Boys' Volleyball Team had an impressive season sweeping the league and accomplishing a 14 - 0 perfect season. The team capped off their season by defeating Cuba-Rushford three games to one to win the Allegany County Athletic Association Volleyball Title. The team was anchored by 5 Seniors: Tylor Davis, Joe Musingo, along with Noah Schmitt, Josh Deichmann and Brock Mapes who were also voted as team captains. Individual accomplishments included Tylor Davis and Dylan Watson earning All County honors. Brock Mapes and Josh Deichmann earned Mid-Season Tournament All-Stars along with being chosen for the All County Team. Josh was also named the League's Most Valuable Player for the 2013 -14 Season. This honor is given to the player that shows the highest abilities, skills and leadership on the team and through out the league. This was an impressive team that I was able to coach this year. I was able to see in this team the hard work that has been passed down from past team players. The team not only obtained a perfect record but their ability to work hard and build a strong team unity to create a foundation for the future of boys' volleyball at Genesee Valley.

**Coach Edmister**

Despite the late start this year due to the construction of the GV pool vestibule, the combined Cuba-Rushford/Genesee Valley Varsity Swim Team had an amazing year. The team worked very hard to make up for the two week loss of practice by swimming every moment they could find water to practice in! As the season progressed, it became apparent not only had they made up for lost time but had excelled to new levels **once again!** The team ended its season with a **7/4** record; this doesn't tell the whole story. The **8** swimmers from GV made respectful marks this year. Vincent Wilson (12th grade) was named 2nd Team All-Star in Diving and has managed to return to the board after a hard crash at Addison. Vincent will be diving at the Class C Sectional Meet. Andrew Edmister ended the season undefeated in any event, qualifying for Sectionals in everything except the 100 Backstroke and posting with the top times in Section V. He was named Swimmer of the League for 2013-14 and was named First Team All-Star in the 100 Backstroke and 500 Freestyle. Brooke Nicholas has qualified for the Class C Sectional Meet in the 200 Individual Medley, the 50 Free, the 100 Free, and the 100 Breast, earning her First Team All-Star for the season. Mike Harrington has qualified for Class C Sectionals in the 50 and 100 Freestyles as well as the 100 Back and is a member of the First Team All-Star 400 Free Relay. Seth Nicholas made qualifying swims in the 200 Free, 100 Fly, 50 and 100 Freestyles, and the 100 Back and has been named to First Team All-Star on the 400 Free Relay. Ethan Watson (7th grade) will be representing GV at Sectionals in the 200 Free Relay. Sebrina Harrington and Imris Curry posted personal best times again and again, all season long, and represented GV at the County Championships. Lastly, at least 6 swimmers will be on the Scholar Athlete Team.

This year the Genesee Valley Yearbook club took an interesting turn on the order of events in the book. Instead of the typical layout that everybody is used to, we decided a change was in order. The yearbook is in chronological order, reminiscent of the four seasons. We felt this was a new twist on the yearbook norm.

Hope you enjoy!

Wow, time flies fast. From a 1 lb. 11 oz., 24 weeker. Our trip to Children's Hospital. The possibility you wouldn't be perfect. The many life support systems, tests, and finally the feeding tube. Three months later up over 4 lbs., we can bring home. Which came with oxygen tank and monitor. Then we worried if you would be able to see or even get teeth. Lots more appointments and through it all. All we can say is what a miracle you are. No one would ever know by looking at you today. You are truly a fighter and a blessing with a mission and a purpose in this world. Keep making us proud. Thank you to everyone who supported and helped us.

Love, Mom and Dad

Look out world!! What a stick of DYNAMITE!! She's such an inspiration. She has it all: spirit, looks, talent, the will to get up and go. If she doesn't understand, you get a series of questions until she understands all details. There is nothing this young lady can't conquer. She is our inspiration, and we love her to pieces.

P.S. Just a word of advice - Don't ever do anything you can't be proud to say "I DID IT"!!

# Charlee Cobin

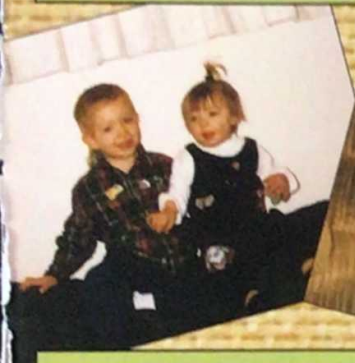

Charlee,  
Where have the years gone? It seems like yesterday I was holding my baby girl for the first time. I remember the day you started Pre-K and you beat me outside because you didn't want me to leave. Watching you grow through the years has been great and I wouldn't change anything. You have become such a wonderful young lady and I am so proud of you. You are the best big sister anyone could ask for.

Love,  
Mom

Charlee,  
It seems like just yesterday that you were my little CJ. Time really does fly by. You have grown into a fantastic young lady, and you have a very bright future ahead of you. I treasure all of the fond memories we have made and look forward to making many more in the future. I wish you lots of luck in college next year. Don't forget where I live :)  
Love you with all of my heart!

Your favorite Aunt Debbie

This picture was the start of a tradition which has continued every year to the present. Charlee Jean made and hung a May basket on our door, knocked and ran away. We chased her for a kiss. When I had surgery and was bed ridden for awhile, Charlee would jump off the pre-school bus, run to our house and see if I needed anything. She helped Uncle Joe take care of me. It has been a pleasure watching her grow into the young lady she is; it doesn't seem possible she is a senior already. I wish her all the best life has to offer.

Love, Great Aunt Joyce

Seventeen years ago this little bundle of joy entered our lives and have we ever enjoyed having you! We loved watching you grow up at camp with your dump truck. Forever the tom boy. You were changing tires on the car with Grandpa when you were only 5. You have grown into a delightful young lady and a "great" big sister. You are a mature, well-mannered and caring person. We are sure that whatever goals you decide on in life you will have no trouble reaching.

All our love, Grandma and Grandpa

# Carson George

You were such a good little boy when you were in the playpen at Grandma's house; there was a big hole in it...it took you a long time to escape! You always kept Grandpa on his toes. You were a good vegetable eater then. What happened? We will always have jelly sandwiches (grape), goulash, and chocolate cookies for you, so visit often. We are proud of you and wish you much luck in your future.

Love, Gram and Aunt Susie

We can't believe you are graduating this year! Where has the time gone? You have grown up way too fast. It seems like not too long ago we were dressing you and Dan up in dresses and you modeled them for Uncle Gary and Aunt Rita. We are very proud of you! One chapter in your life is finished. We will always be here to stand by you in everything you do. We wish you all the best in your future. We love you lots!!

Love, Aunt Rita, Uncle Gary, Amy & Dustin, Braedy & Jeremy, Kathy, & Daniel

From day one you have proven to be a well-rounded young man. You have grown up so very fast and have created so many memories. We want you to know how very proud we are of you and wish you all the best life has to bring as you enter your next chapter. Now to mention a few times Carson has put smiles on our faces: jumping on every bed in the house, always took a few seconds to smell the lilacs, layered all the PJ pants that he got as gifts Christmas morning at Gram's, wearing high heels at New Year's Eve, not missing a trip into town for shopping, Cousin Larry, providing valet parking at the home car washes, "Soccer Baby", lipstick kisses from Jennifer and most recent- tipping a church pew over on himself at a bon fire.

Love Always, Aunt Bert, Tracy, Tammy, Jamie, Jennifer, Quilvio and Elliot

It seems like just yesterday we put you on the bus in the morning for Pre-K and had to wake you up in the afternoon to get you off Arlene's bus. Now, here you are driving yourself to school. Time has a way of catching up on you, but we wouldn't trade a minute. You are such a fine young man. In you we see the feistiness of Grandpa Beaver, the gentleness of Uncle Lou, and so much that is ALL YOU! We are proud of how you carry yourself; you are strong in your convictions, curious about the world, and know more about sports than anyone on ESPN (you think). All of these will get you far in life, but don't forget one thing: you will always be our country boy at heart.

Love, Mom and Dad

It seems like yesterday we sat on the floor petting Molly while listening to you yell at Sports Center (like you knew what you were talking about). Remember doing "who can stand on their head the longest" contests on the couch? Or what about the time we played 'sock' with our 'wittle puppy', Gracie, when we surprised you with her that first day we brought her home. From the beginning you have always been my big brother, no matter how much you deny it!!!

Bears, Beets, Battlestar Galactica, Chelsea

We are very proud of you! We know you will do a lot of good things in life. Work hard every day and enjoy all that comes your way. Love, Grandma Peg and Grandpa Jerry

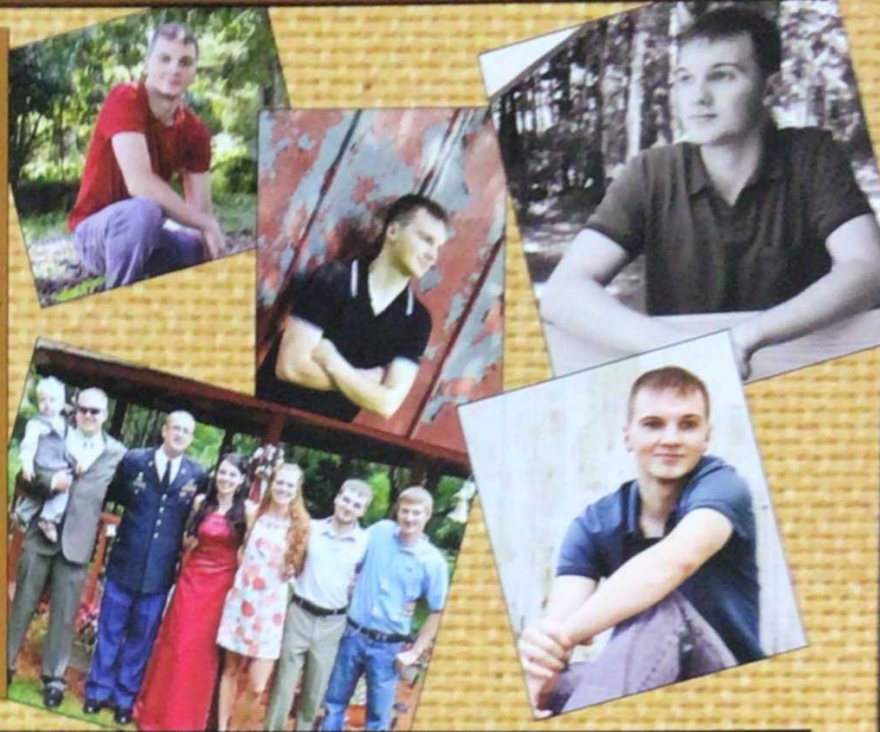

# Kaleb Gelser

My baby boy... it seems like only yesterday you were just my little man playing in the backyard and now you have grown into a handsome, intelligent young man with great morals, values and a heart of gold. I'm so proud of all that you have accomplished. Now you begin a new journey in life. Take it one day at a time, work hard, and remember what's truly important in life "happiness". I will always be here for you! I love you more then words can say.

Love, Mom

Life is just beginning, strive for excellence and keep your cool during the hard times. Michael

# Chelsea Halbert

One of the best days of my life was the day you were born. I am so blessed to have you in my life. From the time you were born you have been so active and full of life. Half of the time I don't know if I am coming or going with you, but it sure is interesting. I just can't believe we are at this point in our lives already. It just seems like yesterday I was picking you up from head start early because you missed your mommy and now time for you to graduate has come so fast. We have always been very close and I love you so much. It has been a great joy to watch you and Dustin grow up together. The love you have for each other is something I've experienced with you-it doesn't get any better than that. You have grown into such an amazing young lady Chels. I know whatever you set out to do you will accomplish. You always have. You have proven that thus far, nothing has stopped you yet except a few surgeries here and there. Your body just didn't want to cooperate-not your fault. I wish you the best in whatever it is you decide to do in the future. I know it will be great just like you. I love how your great big smile and personality light up a room when you walk in. You have such a big heart Chels and you always make me laugh. I am so proud of you. Congratulations Chels! IF YOU GET THE CHOICE TO SIT IT OUT OR DANCE, I HOPE YOU DANCE. Love you always and forever, Mom

You always make me proud because you are a very determined girl always doing your best in whatever you do. You are on your way in the big world and I know you will do great things for you and whoever you meet. I always told you that if you were born first I wouldn't have had any other children because you were a brat. But now I wish there were two of you so you would always be here. I love you, Dad

Well you did it! You are one step closer to becoming an adult. I am very proud of you and always have been no matter how I might show it. Hey, just know everyone is very Happy, Happy, Happy to see you succeed. Now it is time for you to further your education so you can begin your career. And Monkey- no matter what life throws at you, I will always only be a phone call away. I love you and you will always be my baby sister. Dustin

Congratulations! I'm so proud of you and the young lady you have become. Oh man, where to start? Well I have known you for the last 7 years, but I feel like you have always been my sister. I couldn't have asked for a better sister-in-law. We have hit some rough patches in the years, but I think it has made us stronger. I don't know what I am going to do without you when you go to school because I don't know who is going to help me keep your brother in line. I wish you the best of luck in school, and I can't wait to see what kind of woman you become. Please don't lose that strong personality you have because it will take you far. Always remember I am here for you no matter what. I love you lots! Amy

Wow! Where have all the years gone? Last thing I knew you were just a little girl sitting in your high chair pulling your own hair screaming... Now you're graduating high school and heading off to college to start a new path in your life. I am very proud of the kind, caring, helpful, strong young lady you have become. Please don't ever change that hard working, helpful, ready to accomplish attitude you always have had. You learned that young and some people never learn, so hang on to that. But most importantly I want to thank you for always being there for me through my bad times and sharing all my great times with me as well. And I know that if grandpa were still here today he would be very proud of the hard working young lady you have become. He loves you Nadar! Good luck in whatever you choose to do. I love you, Gram

Where to start... First off I want you to know I am very proud of the loving, helpful, intelligent, energetic, caring, beautiful young lady you have become. I am amazed how nothing stops you from what you want to do. The best part about watching you grow into the caring person you are today is when someone is down and having a rough time you find a way to help them no matter what it takes. You have become a very inspiring person I know a lot of people look at you and wish they were more like you, myself included. There has been times when I've been down and somehow you would find out and next thing you know you are right there by my side cheering me up. There is never a dull moment when you are around. In your next journey make sure you always stay the same redneck country girl that's not afraid of anything (especially a little mud). The memories throughout this first portion of your life will always be with me like the trip to Rochester. I love you Chels and am very proud of how far you have come. I think of you as one of my own. Keep up the good work and continue to not let things get you down. I know things get tough but you will always be tougher.

Love Always. Aunt Kim

It's hard to believe that 18 years has passed; it seems like yesterday that you were just a little girl. It has been such a joy watching you learn and grow into the beautiful young lady you are today. We truly feel blessed. We are so proud of all you've accomplished in your academics, the dedication you have shown to your friends, your music, athletics, and all that you do, because of this we know you will do well with whatever path you choose to take in the future. Please take the time to enjoy your senior year, it only happens once!

Just know that we will always be there for you...

Congratulations! All our love, Mom & Dad

I can't believe it is already time for my youngest grandchild to graduate from high school. It's been such a joy to see you grow and mature into the beautiful young lady you have become. College years are next & another phase of your life. I'm sure you will always meet life's challenges head on and succeed in everything you pursue.

May God bless you always!

Much love, Grandma Pat

I can't tell you how much I have loved having you as my son. You know I cry every time you take the stage. I can't wait to see what the future brings you, and what you bring to the future. I know whatever you do you'll do it well with fierce determination. I'll miss laughing hysterically with you about Imgur images and having our private jokes. I love you so much! -Mom

It is interesting that when you were a tiny baby, each time we saw you, growth had occurred and you were rapidly changing size and becoming a real "little person". Early on it seemed like you wished to be like your older brother, but that trend soon faded and you began to develop your own personality and your own likes and dislikes. We were fortunate to see you perform in grade, middle and high school at the various concerts in which you participated. While it was obvious that you were certainly athletic, it was also obvious that you were not going to apply your talent in the sports arena. Dancing, singing, and acting were, and are, your forte. It was great to have the opportunity to see you develop your performing skills while at the same time being a very good academic student. We wish you well as you continue to mature and follow your desires to be successful in the performing and directing arena. We know that your current level of dedication and work ethics will be enhanced. We hope you will continue to be the caring, loving and helpful person that we have witnessed over the years. So for you, we think it appropriate to say: "break a leg". We love you and wish you the best. Grandma & Grandpa Salyer

Alan, being your grandparents is the best! We love you so much!  
Don't change a thing!  
Gramma and Grampa

You are an amazing young man. I am so proud of you and the person you have become. Please continue being such a compassionate person. I love watching you perform and can't wait to follow your career, and the many performances you will do, and the places you will take us to. Remember when it gets hard your mom and I will always be here to support you. You truly march to your own drummer and that is what I love about you Paldo. Dad

It's amazing to think that now you are going to be graduating and going off to experience new things. I remember being a senior myself and having you in the same band that I was in and now you are the senior. You are by far the best singer/dancer/actor that I know and I hope that you can continue doing the things you love. No matter what you do, enjoy yourself and if you ever need anything your big brother will be there for you. I love you bud and congratulations. Love, Adam

When I sat down to write this, the first thing that came to mind was you in Pre-K with Mrs. Hannon and your red bucket and little shovel at the ground breaking ceremony for the new school called "Genesee Valley". You had a sign around your neck that said, "Class of 2014". I remember saying then that 2014 seemed like a very long way off. I can't believe it's here, and I can't believe this chapter of your life is done. I'm so proud of you and all that you have accomplished- music and drama productions, band, baseball, and National Honor Society - to name a few. You've grown from a chatty, busy little boy into an intelligent, funny, and handsome man. I will truly miss you singing to your loud music (yes, they are angry!), your crazy impressions, your hysterical accents (you're a beautiful man, Sharon), our serious chats that always turned into funny ones, and your energy that fills a room. It will be very quiet at home. I will miss you so much, but it's time for you to move on to chapter two. I'm excited for you. Work hard at college and become the successful "adman" I know you can be. Know that I am always here for you and that I love you with my whole heart. Mom

It is hard to believe that you are going to graduate this year. Some of my fondest memories are of you sitting on the floor coloring while you endured another BBA meeting, and of the many community and school productions you were a part of. You have been on stage since you were four or five and you have always been a "natural". You have an infectious sense of humor with a little sarcastic bite. I know the house and Belmont will be a little more quiet when you leave for college. I want you to know I love you very much and I am extremely proud of you. You have all the ability in the world, use it wisely. Love, Dad

I know we haven't always seen eye to eye, but I'm proud of you. You've never had a problem being your own person. That alone is how I know you'll be successful. Good luck and don't focus on school too much, have fun. - Zach

# Devin Carmichael

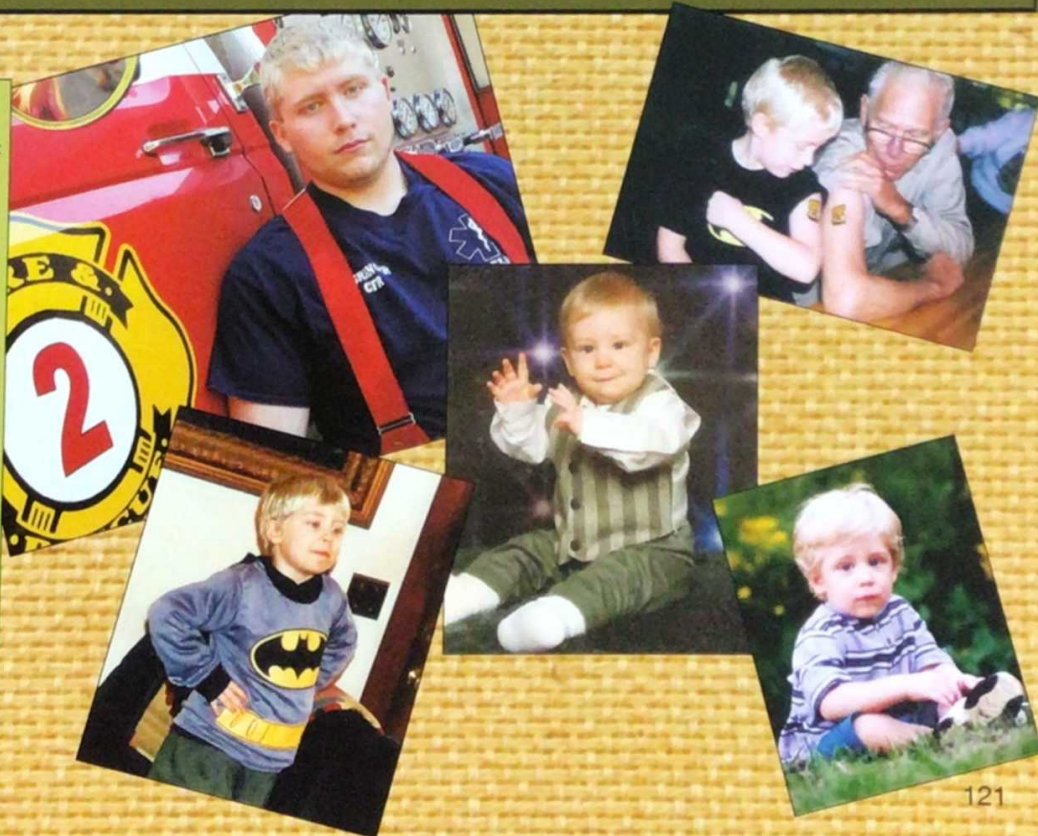

Devin's been a special child right from the start! She had a strong personality along with a loveableness and that makes her one of the joys of our lives. Time has gone by so fast, and we could never be more proud of the amazing young man that you have become. You have taught us the true meaning of strength, courage, and love, and shown us that any obstacle can be overcome with determination and drive. You are destined for great things, and your willingness to help others in need is truly an amazing blessing, as we are extremely blessed to have raised such an incredible young man. Congratulations on your high school graduation. Best wishes for the future – I know you will be a superb college student (hoping you won't have early morning classes).

We love you dearly!

It seems like just yesterday you were running up and down the hallway with your blanket tied around your neck pretending to be Batman and now you're graduating from high school. Where has the time gone? We have enjoyed every minute of our time with you and now it is time to let you go out into the world and spread your wings. We are proud of the young man you have become and are excited to see what your future holds. Experience all you can in life. You never know what you might like unless you try. We love you and as you go out and experience your life always remember where you came from and your values.

# Andrew Weigman

Saying we are proud of you seems less than adequate. I guess the characteristics that stand out most when I think of you are your common sense and your ability to reason a fair, mature solution to different situations. Also your willingness and genuine love for hard work has been something you've thrived on since you were able to push a broom. You possess a wit and sense of humor only you and your dad really understand. Despite this, it draws others to you.

Some of the most unforgettable times we have spent together have been our annual family vacations at Allegany State Park (12 summers in a row), your 4-H years (showing horses and dogs) when you were younger and over the last 6 years it has been baseball. Lots and lots of baseball!! Remember all the times dad took you out to practice and our many trips to Buffalo to practice or have lessons. Remember the great successes you have enjoyed being part of - a winning baseball team and being a NY State Champ!! Also remember the tougher times when it had nothing to do with winning or ability and everything to do with patience and being humble. These are lessons you have been so amazing at handling. Finally remember all of your varsity games and through all of it showing great patience and love for a game you value greatly. You always place great importance on fairness for the game and you set such a good example for your teammates.

I know your dad and I have so appreciated and cherished how easily you talk to us about what is going on in your life. Our long conversations on various topics or rehashing events from a recent game will always be a treasure to us.

You have become such a well rounded individual, possessing not only athletic ability, but a creative musical talent that you will carry with you in whatever direction you chose. God bless.

Love you, Mom & Dad

It is hard to put into words what is in our hearts as you approach this milestone and take the next step on your life's journey. God brought you into our lives only three short years ago when you became our son, and our love for you grows stronger with each passing day. Life can knock us down sometimes but you have continued to look toward the future and not dwell on the past. A lesson we all can learn from. We have watched you mature, and we are very proud of the man you are becoming. You have such a caring and sensitive heart, a beautiful smile and are always willing to help someone in need. Your creativity is inspiring, whether it is in the workshop or in the kitchen. Treasure these qualities always because they are priceless. We will always be here to love and support you. God has given you inner strength and determination that have brought you this far. Continue to rely on Him for your strength in the future. Congratulations! We love you so very much! Mom and Dad

WOW!!! Our little boy has grown up! The past 17 years have just flown by. We can't believe it's time for you to graduate. You have been such a blessing in our lives. We have enjoyed watching you grow, with very little growing pains (Midnight Rider & your Flight from Fillmore). We truly couldn't be more proud of the young man you have become. You're a strong but kind hearted guy who puts others before yourself. You've always tried to do the right thing and for that we are thankful. You're respectful, responsible, dependable and you're very hard working already, which tells us that your future holds no limits. You will get what you want out of life. You are already so much more than we could have ever expected you to be. We LOVE you and wish you all the best in the next stage of your life. Please know that we are here for you, for every exciting and challenging twist and turn to come!! We love you so much, Mama and Dad

Congratulations!! Where did the time go? We always enjoyed spending time with you. Let's go down memory lane.... Do you remember the good old days when grandma would pull you around from room to room in a box or laundry basket? Or the times when you would pull all the cushions off the couch and jump your heart out. Let's not forget the many games of hide the button. The one that drove your mom the craziest was when I would let you throw your socks at the ceiling fan just to see how far they would fly. We would have a hard time finding them. You always loved going out back to help Papa stack the wood. Papa always got his walk in when you were over. All the trips down to Fox's to make sure you were OK. Rob, always be the person you are today and you will go far!! Good luck in all you do. We Love you very very much!! Love, Grandma and Papa

18 years! Where has the time gone? You have been such a blessing to the both of us, bringing us such joy. We have loved all the taxing around we have done for you, from strollers, to laundry baskets, to big wheels, to blue tarps, to canoes, to chair lifts, to house boat, to canoes and kayaks, to the mini van. You have turned in to such a fine young man, someone we are extremely proud to have as our son. You have always given 100% in all you have done, we have great confidence for the future adult you will become. Dad is telling me to type a list of things that bring smiles and tears to my eyes at how time goes by in a snap, but I won't, you know what they are. As your good friend used to say - Calvin: It's a magical world, Hobbes, ol' buddy...Let's go exploring! Love you forever and a day, Mom and Dad

Well, I don't know what to say, it seems like yesterday you were teaching me how to escape the cold iron bars of my crib. You've managed to be everything in a brother I've ever wanted. You taught me to do almost everything I know how to do today. From all our early adventures, such as laundry baskets, early morning fishing trips with food and lawn chairs (I always appreciated you paddling so I could fish), army men, and dart wars. You were the person that I always had to play with, my partner in crime. The only reason I'm where I'm at in sports is from always trying to get as good as you, and without you there I wouldn't be nearly as tough as I am now. Thanks for being the person to always fish, play soccer, catch or shoot baskets with. Now that your leaving, I'm gonna have to teach Hallie all these things, you can still help with toughening her up. Thanks for making me the person I am today. Hope to still see you around, Cooper

Wow! We can't believe you are a senior and getting ready to take that next big step in your life. You have brought us so much joy and laughter such as running and jumping in grandpa's chair, hiding his bean bag, watching old movies, camping on the hill and of course our golfing. You are gifted in so many ways. We are so proud of you Noah and know that you will do well in college.

All our love and best wishes, Grandma and Grandpa

Congratulations Noah! Just so you know, I took it easy on you in badminton, Cooper and I are seeking revenge next summer! I will always remember the kickball games in the yard every night. Thanks for being the big brother who would always pick up my spoon and cups when I was in my high chair. My advice to you is whatever the choices are you decide to do, you will stop the obstacle and score the goal! I am so proud of you! I can't believe you are graduating already! I know it will be hard not being able to see your favorite sister everyday, but you will handle it. Good luck in everything you do! Love You! Hallie

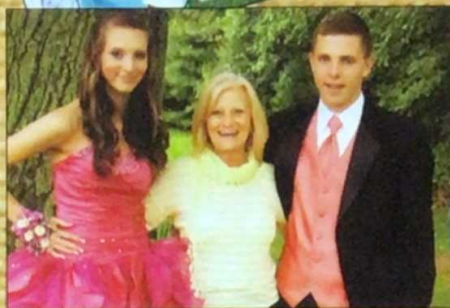

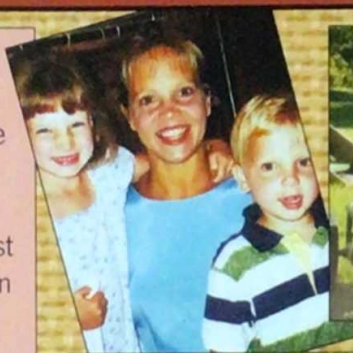

# Sydney Zlomek

Sydney Miranda Zlomek,

We receive many gifts throughout our lives, and in time we realize that the most precious gifts are the tiny moments that live in our hearts and make us who we are. You have given us so many of those memories to save...We were there to hear your first heartbeat...to watch your first steps, which were on your knees... go to dance class and develop your classic moves. We were there to see you develop friendships...to show kindness to those who needed it, to learn from your mistakes, and grab on to independence. We are so grateful to be watching and sharing your journey! Our wish is for you to have only the brightest of days Sydney, a world full of success, and to be honest and true to yourself. We love you and are so proud of you!

Much love, Mom and Dad

It is hard to believe it's your senior year. My how the time has flown by, it just seems like yesterday we watched you go out the door to start your adventure in kindergarten. We have watched you grow into a beautiful young lady, caring for others- respectful and giving. There has been Joys and Tears along the way.
