Mrs. Sandy Meyers

This year the *Jag Pride* staff would like to recognize one of our own: Mrs. Sandy Meyers. Mrs. Meyers is an exceptional member of the Genesee Valley Central School faculty and staff. The care she gives to all members of our school community is endless. Mrs. Meyers looks at each person's potential and helps us to tap into it. Her support is evident in the classroom, hallways, and at the many school events she is at each year. As a teacher, advisor, wife, mother, and friend, she is an inspiration to us all. Thank you Mrs. Meyers -We Love You!!

Best Wishes on your Retirement

Mrs. Judy Servey began teaching at our school in 1980. She always loved to invite the parents, family and friends into her classroom for various activities. Students did Book Month, with visitors voting on who should win the award for each category. She had her classes do plays, recite poetry or sing songs as a production to invite others from inside and outside the school into the classroom.

Mrs. Servey encouraged the students to be creative both artistically and in their written work. She had patience with the students and always wanted everyone to love reading as much as she did.

Mrs. Servey served many years as the village Justice for Wellsville and friends lovingly referred to her as "Judge Judy." Judy and her husband, Paul, have four children. In her retirement, Mrs. Servey plans on spending time with the children and grandchildren, reading, and traveling.

We will miss you, Mrs. Servey. Thank you for your years of faithful dedication to our school. We hope you have a wonderful and healthy retirement.

Thanksgiving in Mrs. Servey's room was so much fun. We pretended we were pilgrims--reading books about pilgrims and cooking our own Thanksgiving meal.

--The Class of 1998

Mrs. Servey and Mrs. Lounsberry used a team approach to their teaching for the past 13 years. They have had many student teachers over the years. Here Mrs. Servey is pictured with Mrs. Lounsberry (right) and Miss Doyle (center).

Good Luck on your Retirement

Barbara Cronk

Barb Cronk started driving school bus for the Belmont District in 1966. For the last 20 years she has also worked as a substitute custodian. After 31 years Barbara decided to retire.

Barb remembers many days of picking up and dropping off students going to and from school.

During retirement Barb plans to redecorate her home and travel. She enjoys crocheting, reading and camping.

Thank you for your years of service, Barb. You will be missed by all of us at GVCS.

Congratulations on
your retirement!

Technology

Geneva Dorvit served the Belmont campus for over 20 years. She held many positions in the maintenance department during that time. Geneva worked mostly in the elementary and office areas. She always had a smile and a friendly "hi" no matter how busy she was.

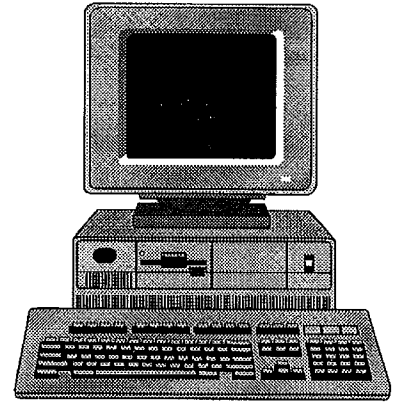

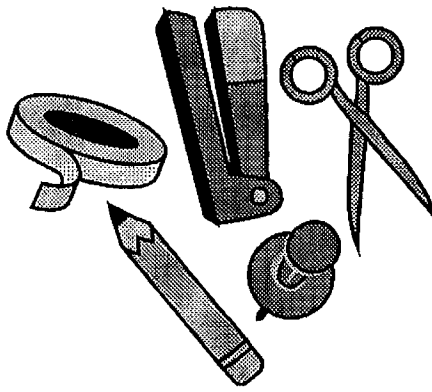

Geneva hopes to get to feeling better (her retirement was forced by a medical condition), go to basketball and soccer games at the school and to travel. Geneva enjoys crafts, dancing and gardening.

We wish her a very happy retirement. We will miss your smiling face at GVCS.

Administration Faculty and Staff

Dear GVCS Class of 1998,

I would like to take this opportunity to congratulate and commend you on the occasion of your graduation from Genesee Valley Central School.

During the past two years, our district has grown and changed in many ways, and you have been at the center of that change. Your class has contributed much to our school district, and you have added a great deal to what is rapidly becoming the tradition of GVCS. You have excelled in the classroom as well as in extracurricular activities, and you have represented our school district and our communities in a manner of which we can all be very proud.

As you prepare to leave us as a graduate of GVCS, take a moment to reflect upon the growth you have experienced in your 13 years of school. You have grown in many ways and will continue to do so in the future. Your potential is boundless. Continue to set high goals for yourself and strive every day to achieve them. You will be rewarded throughout life for your extra effort and determination.

Best wishes for continued success in the future. We will miss you...

Sincerely,

To Our Dedicated Class Advisors:

The Senior Class would like to thank you for all of your hard work and support throughout the years. We will take with us a lot of great memories that we have shared together including Parking Cars, Prom, Senior Stand, and our Senior Trip to New York City.

Because of your dedication we will leave here in June a family--one that the two of you helped bring together. We thank you for that. We'll miss you!

Love Always,
The Class of 1998

On behalf of the Senior Class and their Advisors, I want to thank the parents, volunteers, and community for the splendid job all of you did working the Senior Stand during the Allegheny County Fair. Decorations, food, food service, and hospitality were all first-rate. A hot and exhausting Senior Stand week in July was an outstanding success in every way, primarily due to the cooperative team spirit exhibited by both parents and students alike.

Efficiency accompanied by courtesy is a rare combination in today's world. The courtesy extended to the public and each other was impressive. This did not go unnoticed by Allegheny County and the six thousand people served by the GVCS Senior Stand. Our GVCS pride and spirit was on display everyday as a glowing reflection of hard work, diligence, and a heads-up attitude.

Many thanks to all the parents and advisors for the long hours and inconveniences. Flipping hundreds of hamburgers, slinging mounds of mashed potatoes, mixing gallons of milkshakes and baking dozens of pies are some unforgettable moments. We will remember your enthusiasm as well as the energy and expertise you freely gave for getting the job done.

4th GRADE IS...

About learning a lot, getting to go to a new school and enjoying new things, having fun and having friends, learning how to play an instrument and take lessons, remembering my good teacher, building loghouses, tiring, I got good grades, nice, I like who I sit by, playtime, a new year and a new age, playing clarinet, keyboard, and piano, getting a good education and learning new and interesting things, having a great teacher, where you get recess everyday, all about hard work you put into math, playing the trumpet for Mrs. Whitcher on the playground, making nice friends, cool because we do fun things like science projects and field trips, but we can't do that without a teacher!!

A Good Person

by: Leah
Gallman

A good person treats others like he/she wants to be treated. A good person understands his/her friends. A good person accepts people for who they are. A good person is trustworthy. A good person is helpful. A good person is polite. A good person has patience.

If you try to be a good person you will make the world a better place.

Playing Football

By: Shane Swans

I feel good when I'm outside playing football. And I make a great play as a wide receiver!

Love is in the Air!

By: Nikole Auman

I feel good when I play with my pets. When I play with my pets I feel the love inside. My pets are very gentle so I can wrestle my dog. I can tell him to sit or lie down. Then I start pushing him. I hope that if you have a pet that you will see the love that they can give you and you will show the love to them that they give you.

Feeling Good!

By: Kathryn Jackson

Dear John,

What makes me happy is when I curl up on the couch or under a tree and read a book. And what else makes me happy is when I draw or write a poem.

I hope you feel better soon!

"Getting along" is something we have been working on in Mrs. MacCartney's 1st grade. Many of us are doing very well with this new trait. We wrote sentences about "getting along" and drew pictures to go with the sentences we wrote. Here is an example of one:

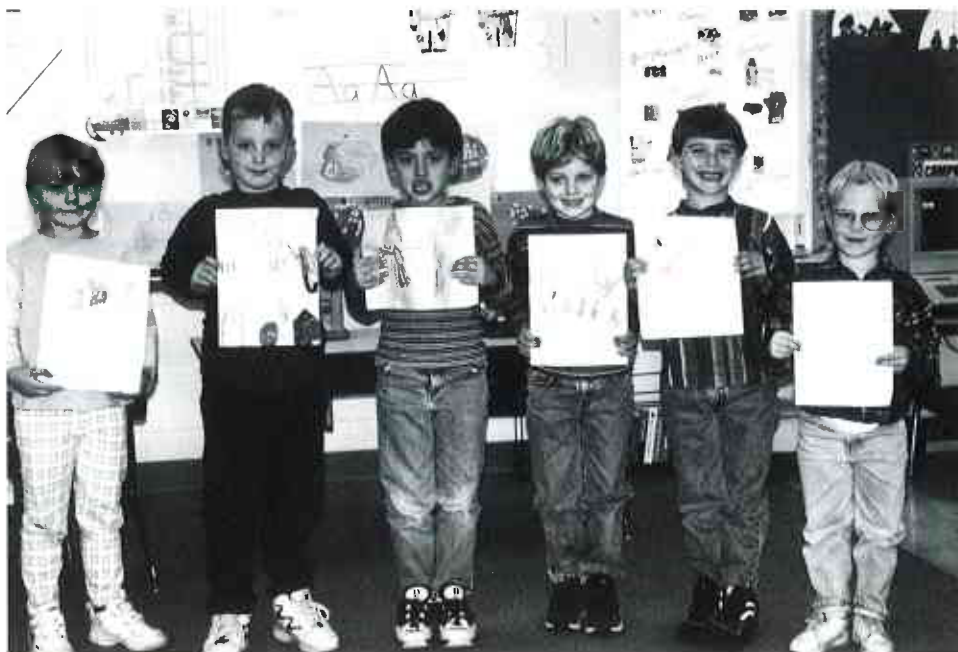

I am getting along with
my brother Kyle M

We would like to take this opportunity to thank Mrs. Mighells for the great job she did while Mrs. MacCartney was on maternity leave. All of her hard work was deeply appreciated.

BOYS STATE

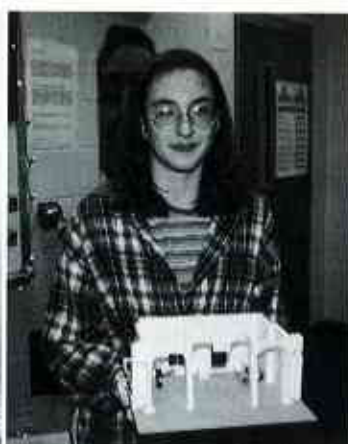

Chris Graham and Mike Yudichak

In June of 1997 Chris Graham and Mike Yudichak travelled to SUNY Morrisville in Morrisville, New York to participate in the American Legion's Boys State. Each year the Legion chapters in Angelica and Belmont send High School Juniors to experience a week of running their own state. The boys learned about all of the governmental positions it takes to operate a state, from the governor's position down to the town councils. The young men involved in Boys State also have the opportunity to be exposed to the United States Marines in daily calisthenic routines. Chris and Mike feel fortunate to have been able to go through the Boys State program. They learned a lot about government, got to live a little of a military life, and met many other guys from around New York State.

During those several days they experienced many things, such as: seeing the Mayan ruins of Chichen-Itza, sunbathing on one of the world's most beautiful beaches, and snorkeling or visiting the giant Galapagos Turtles. They also experienced a lot of fine dining and great bargain shopping. It was definitely a trip they will never forget!

This year many students in the choir participated in Solo Festival. These students had to choose a level from 1 to 6 and a song suiting their voice. They then prepared the song, preformed it before a judge, and received a grade. The Solo Festival was held in Fillmore Central School. Students may participate in vocal groups, instrumental groups, vocal solos, or instrumental solos. Approximately one-half of the GVCS choir participated this year. Nice going!

"You Can't Take it With You" is a three act comedy performed this year by the GVCS drama class and high school students, directed by Mr. Gary Nevinger. It is a tale of the Sycamore family, a seemingly mad, strange family living a very peculiar life-style. When Alice Sycamore, a young woman in the Sycamore family, falls in love with her boss' attractive young son, Tony Kirby, trouble brews. The Kirby's show up at the Sycamore's door on the wrong night and to Alice's dismay, give the Kirby's a night to remember in their mixed-up house. The visit of an ex-grand duchess turned waitress, Mr. Sycamore, a milkman who stayed for eight years manufacturing fireworks, a crazy maid and her friend make for an interesting setting. Ed's xylophone playing, Grandpa ducking taxes, and a Russian ballet instructor who intrudes on everyone's business, while teaching the fine art of ballet, makes the visit a hilarious one.

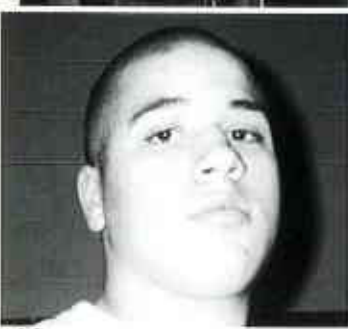

The play was a tremendous success starring Andrew Greene as Tony Kirby, Susan Knapp as Alice, Adam Middaugh as Grandpa, Jayme Raney as Mrs. Sycamore, Sean Histed as Mr. Sycamore, Jenn Ford as Essie, Paul Lowe as Mr. Kolenkhov, Andy Fanton as Ed, Trisha Clark as the Grand Duchess, Rose Brown as Rheba, Jason Hunt as Donald, Tom Kewley, Robbie Sandlas, and Heather Benjamin as the three government agents, John Buzzard and Jen Siegel as Mr. and Mrs. Kirby, Virginia Schweigert as Gay Wellington, and Jessica Schweigert as Henderson.

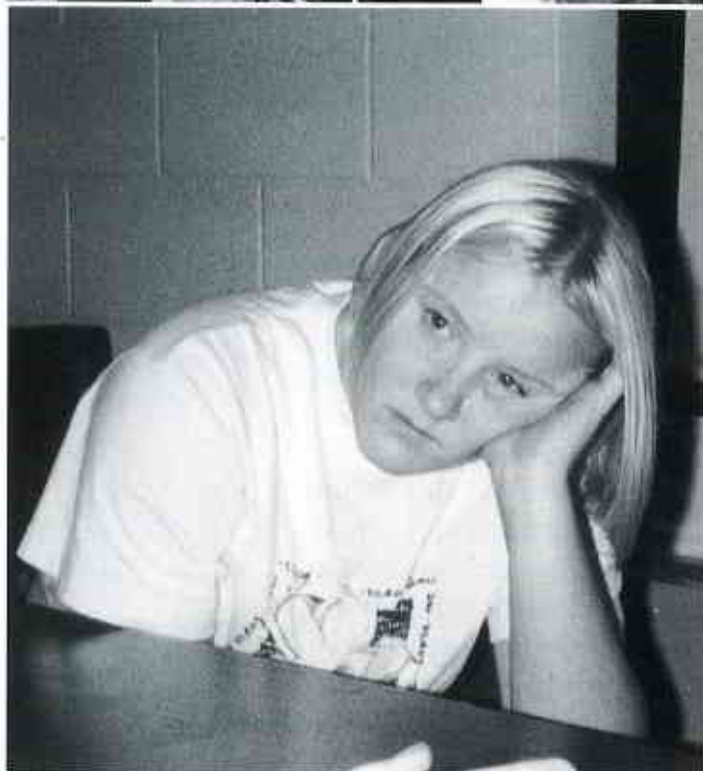

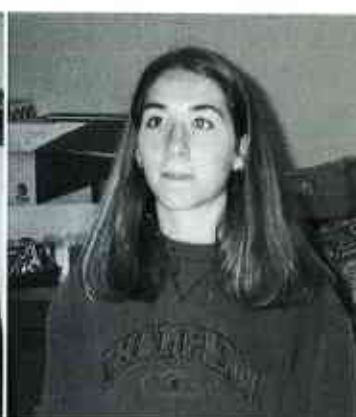

Last year, the newly formed Genesee Valley Central School band and choir students performed an excellent performance of the musical "Lil' Abner". This musical was based on the comic strip about a boy named Abner and his parents, a love-sick friend named Daisy Mae, a group of government people, and the rest of the dogpatch clan, who are fighting with the mayor to keep the town from being tested with atomic weapons. They are also travelling to Washington so Abner can have his mom's "Yokemerry Tonic" tested on others to see if they get tall and strong just like him if they drink it.

As all of this is going on, the town still has their Sadie Hawkins Day Race so the girls can "catch" the man they are going to marry. Of course, Daisy wants to get Abner, so the play steps it up to the next level to show you how much sneakiness it takes to catch the one you love. In the end, Abner and Daisy end marrying despite all of the obstacles they had to endure to get there. Like all plays, it was a lot of hard work, but everyone had a lot of fun, and many thanks to all of the people who helped make this excellent performance possible.

Field day '97 proved to be fun for all with activities including musical chairs, a pie eating contest, water balloon volleyball, soccer, basketball, softball, and relay races.

Field day is a day when students and teachers can relax, have fun, and engage in a little friendly competition between the grades! The Juniors provide the refreshments, and we all have a great time!

S O C C E R

This season was filled with adjustments, stress for teamwork, and leadership. We dedicated ourselves to playing the game the best we could and still enjoy our game of soccer. Much of the things we were able to accomplish were behind the scenes, but they will help us to be stronger individuals in life and a team next year.

TO OUR PARENTS & FRIENDS:

We say thank you for your loyal support and encouragement. You are so very important to us.

TO MY TEAM:

I just want you to know I deeply appreciate all you did this season. Each and every one of you are special people and have a special place in my heart. Good luck team!!

Love,
Coach Bliven

The J. V. girls soccer team had an outstanding year with 14 wins, 2 losses, 1 tie. The highlight of the season was defeating an unbeaten Allegany-Limestone team, 3-1.

The girls modified soccer team had 19 seventh and eighth grade girls playing. The girls had lots of energy and enthusiasm. Their record was 7 - 5 for the season. Each and every girl improved in some aspect throughout the season. One of our biggest highlights was receiving a second place trophy for sportsmanship in our GVCS multi-school contest. The other big highlight was beating Bolivar-Richburg (2 - 1) because B-R had already beaten them twice earlier in the season.

There were six Seniors on this year's squad. These guys will be greatly missed: Tony Ross, Warren Davis, Chris Graham, Mark Dowd, Dane Young, and Corey Clark. Next year's team will have some good talent and hopes to improve on this season's success.

Warren Davis and Rob Sandlas were voted to the first team All-Stars while Dane Young and Sean Kelley recorded second team honors.

The Genesee Valley Boys modified soccer team had a very successful year with a record of 7-3-1. Two of the losses came from a tough Andover team by one goal. The tie was against Belfast. We had wins against Avoca, Fillmore twice, Bolivar-Richburg twice, and Cuba-Rushford twice. Everyone on the team saw a lot of playing time and really improved on the fundamentals of soccer. Always remember that the outcome of the game really doesn't matter as long as you tried your best and had fun. The victories will take care of themselves. -- Coach Scholla

The 1997 Girls Volleyball season started out very slowly but finished strong. Because the team had several inexperienced players and the coaches were new, the team basically had to learn a whole new system and style of play. They went slow and progressed as quickly as possible. By the time we were playing the way we needed to all the other teams were that much more advanced. The team should be very proud of how far they came in such a short period of time.

Leading the team were Seniors Jen Ford, Kari Auman, and Tiffany Marsh. These girls will be missed. Receiving All-Conference 2nd Team honors was Junior Colleen Hannon.

The Boys Volleyball team was led by first year coach Paul Furlong and J. V. Coach, Shannon Hobin. One of the major goals for this year was to create interest in the program by increasing the number of players. With six Freshmen and three Sophomores on the team, it was a good start to develop a future team.

The win-loss record did not show justice to the hard work and dedication that this team had. With only two previous players this team showed progress with each practice and game. The 1998 team was led by Senior All-County player, Sam Hess. Great job guys!

The boys JV Basketball team enjoyed a very successful season. The boys finished as Allegany County Division I champions for the second consecutive year with a league record of 11 wins and 2 losses. The Jags had an overall record of 14-5 with a chance to win a second consecutive crossover tournament title with a win in their final game. T r a c k & F i e l d

This season marked our first experience of having a Track & Field program at Genesee Valley. Like any new venture it was a season full of hopes, anticipation, curiosity, surprises, and fears.

This year's team was made up of four girls and nine boys all of which had no prior track and field experience. Relying solely on their natural ability and competitive instincts performed beyond all others expectations, each member of the team strived for improvement everyday in practice and in competition. Personal records were broken at every track meet. The team performed so well that two wins were accomplished halfway through the season!

The team will return ten members next year, which means a very bright future for Genesee Valley Track & Field!

Everyone was proud of the accomplishments that were achieved this season--especially their coach. Each one should be commended for representing themselves, their school, and their families in a positive way.

The girls started the season strongly. They beat some big teams such as Scio and Friendship. They lost two close ones to Cuba-Rushford. The girls were seeded #3 going into sectional play, and were Division II champs. The girls were upset by #6 Hammonsport in the second round of play in sectionals, ending their season with a record of 11-7. We're looking forward to great success next year.

The 1997 JV Baseball team had an encouraging first year together. The team finished with a 5 and 9 record. Seven of the nine losses were by only one run. One game was lost by two runs, and the other by six runs. Some of the guys were playing both JV and Varsity. When they all get together on one team, they should be very good. Jeremy Elias led all Jag hitters with a .395 batting average, which included a home run in Belfast. Ryan Slocum showed great promise on the mound as a pitcher. Highlights of the season include a couple of big wins against schools in Fillmore and Bath.

Heather,

There are not sufficient words in which to express the love that Mom and Dad have for you. You are the greatest blessing that God could have bestowed upon our family. It has been a joy watching you blossom into the lovely young woman you are today. Thank you for all the wonderful memories you have given to us and for those yet to come.

Mom and Dad are extremely proud of you, and we wish for you a happy and wonderful future.

Love,
Mom & Dad

The key to success is making your dreams
come true."

Desiderata

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become bitter or vain, for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive high for ideals; and everywhere life is full of heroism.

Be yourself. Especially, do not feign affection. Neither be cynical about love, for on the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world.

**Be cheerful.
Strive to be happy.**

Dear Sara:

No words can describe how proud we are of your accomplishments. The time has come for you to venture out on your own and we are confident that you will continue to achieve any goals you set for yourself. Remember all that you have learned in school, at home, and in life. Most of all remember that we love you and our door is always open. Heaven shines upon you.

Congratulations.

Love, Mom and Phil

To Carl

Many windows broken, a few fenders bent,
We wonder where your school years went.
Used to play catch with Dad,
If the weather was clear,
Now you ask Mom to fix the ring in your ear.
From Baby steps to a giant stride,
We've watched you grow and change with pride.
Good luck, Dear son, as the world you face,
In our hearts, always, you've a special place.

Love,

Mom & Dad

Tony,

Our dream for you is to find a career that enriches your life and gives you satisfaction. Success is not measured with material possessions, but compassion for others, understanding, forgiveness and good judgement. There is much pleasure to be found in life's journey but also pain, sorrow and sadness. You must accept the pain and sorrow and thank God for the grace to make your life a time of spiritual growth and maturity. Continue in life's struggle with prayer and trust that your final goal is with God. Always continue to have the courage to stand for what you believe and know to be right. Fill your days with faith, hope and love.

We are so very
proud of the
young man you
have become!

All our Love,
Mom and Dad

Chris,

We're so proud of you
As you will graduate from GVCS soon.
We only have one request,
The hat must go, it would be best!!!

Love you always,
Dad, Mom, Dee & Tim

Congratulations
and
Good Luck!

Love from
Mom & Dad

Congratulations, Sean Histed.
I am very proud of you, son.

As you walk through life, always strive
to "... act justly, love tenderly, and walk
humbly with your God." (Micah 6:8)

Love Always,
Dad

From toddler to little leaguer
 From the kindergarten play to graduation day;
 You've always worked your hardest and strove for
 the best
 To say we're proud of you somehow seems a bit trite.
Blair, you're very, very special and you've made our
 family life bright

Love,
 Dad, Pat, Bryan
 Amanda, Abby & Onyx

KARI

Our little "Sueke Jane," you've grown into such a beautiful person. Keep believing in yourself! Hold on tight to your beliefs! Continue making "YOUR" dreams a reality! You've already accomplished so many wonderful things. Years from now when you look back on these moments may many happy thoughts come to mind. As you forge ahead into new territory, remember we are always right beside you cheering you on, ready to hold out a helping hand and loving you!

Jackie,

It was 18 years ago when your Mom and Dad received the most precious thing in this world -- that was you.

Our lives were changed forever and we both dedicated our lives to help, guide, and protect you.

Our work was cut out but it was a task we both wanted to do and as always you did not let us down.

You gained wisdom and wit throughout your years and your accomplishments did not go without being noticed.

Our love was always with you and your first goal in life has been accomplished.

Congratulations --
 Jackie -- our precious
 daughter for a job well
 done.

Our love will always be
 with you in the years to
 come -- in good times and
 bad times.

Love,
 Mom and Dad

Dear Sam,

I knew the first moment I saw you 18 years ago that you were very special.

Your personality and sense of humor will take you far in life, but it is your kind heart that will make you stand out among other people. You always have a hug for me when I'm down (remember the Christmas tree?) and sometimes for no special reason.

You have grown from a sweet little boy into a man I'm enormously proud to call not only my son but also my friend.

Love,
 Mom

Jim,

You have made us all very proud. May God bless you as you follow His leading.

We love you,
 Mom
 Grandpa

Dear Pal:

Our pride is exceeded only by our love for you and our wish for your happiness always.
 Remember:

In this world there's a whole lot golden,
 In this world there's a whole lot of plain
 In this world you've a soul for a compass,
 And a heart for a pair of wings
 There's your star on the far horizon,
 Rising bright in an azure sky
 For the rest of the time that you're given,
 Why walk when you can fly. . . .

And fly you surely shall.

Love you always,
 Mom & Dad
