# *COACH BLIVEN*

Coach Judy Bliven graduated from Belmont Central School in 1962. In 1966 she graduated from SUNY Brockport. Before beginning her teaching career at Belmont Central School, she taught at BOCES. Mrs. Bliven began coaching soccer in 1974.

She is the all-time winningest girls soccer coach in NYS history with a record of 391-80-31. She coached her teams and brought home 15 Allegany County Titles, 7 Section V Titles, and the New York State Girls Soccer Championship Title to the newly formed Genesee Valley Central School in 1996.

One of her players writes:

Dear Coach,

Who would have thought that ten years ago when I was manager in second grade for the girls varsity soccer team that I would be writing this letter to you, as a Senior, for your retirement. You have been a great influence, not only in my life; but in the life of many others as well.

You've taught us all so much more than just howto kick a soccer ball. You've taught us to: "do the best you can," "always stay positive," "remember, there is no 'I' in team," "learn from your mistakes," "be a good sport," and most importantly of all -- "no matter what coach will always be there."

Everyone looked forward to seeing your smiling face, seeing you wearing a baseball cap, and hearing that distinctive voice when mid-August rolled around. We were all so happy to be back together for our wonderful 9 A.M. strolls.

You did your best to make learning and practice enjoyable. Your motto was "Tell me when your not having fun anymore." You have been a part of so many unforgettable memories. Although winning isn't everything, we really enjoyed being State champs in '96 showing that two teams could come together and be a great one.

Throughout your years of coaching, you have experienced many changes--always keeping your positive attitude.

One of your many accomplishments was being the NYS winningest girls soccer coach. That is what many will remember you for. We will remember you as much more than a coach or a teacher. You are a friend who truly cares about others.

I, personally, wanted you to know how much you've meant to me and I know to many others. As we all go our separate ways we all wish you and your family the best of luck. You'll always have a special place in our hearts.

Love Always,
Wendy Frungillo

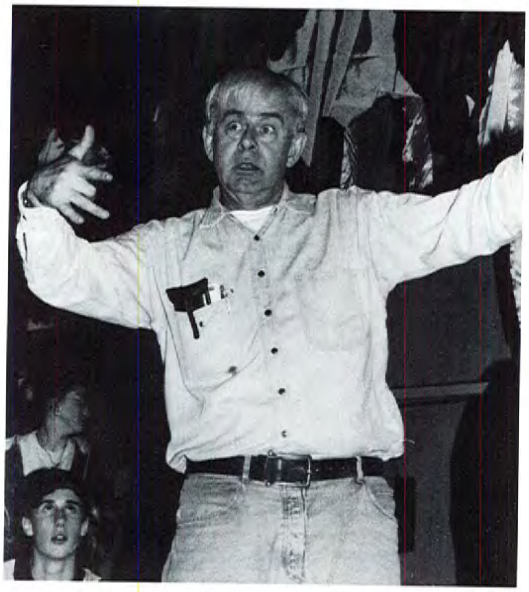

### *Gary Nevinger*

Mr. Nevinger began his career with Belmont Central School in September of 1967 as an Art teacher. He also was very active in the drama club. He spent time at the University of Hawaii gaining hours in Drama/Theatre.

While at Belmont, Mr. Nevinger directed several plays. His last one was "Finnian's Rainbow" in which he took an active role as you can see from the candid shots provided here.

We wish Mr. Nevinger the very best in his retirement. We will miss you!

### *Mrs. Ida Case*

Mrs. Case began teaching sixth grade at the Angelica campus in 1968. She took time out to have her family. She returned to full-time status in September of 1984. Mrs. Case retired in December, 1998. We wish her the best in her retirement years.

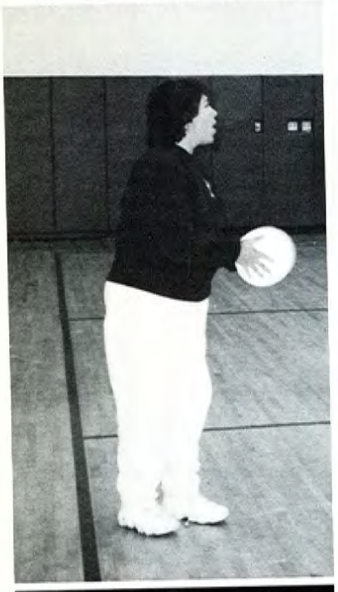

### *Ms. Natalie Martin*

## *What do you think the world will be like in the year 2020?*

I think in the year 2020 we will live not quite like the Jetson's but pretty close. I think that everything will be computerized. We will be learning with computers. Everything in our homes will be run with computers. We may even have cars that run by computer.

--Cassie Miller

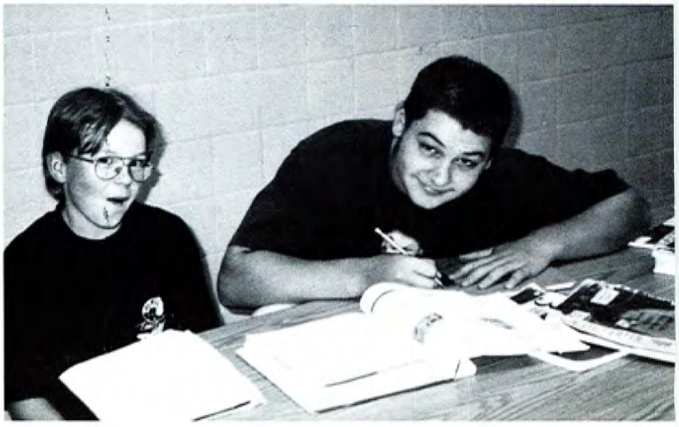

I think it would be a lot different and hopefully better. But, I fear that it will be worse; crime and gangs ruling the cities and people out of jobs and money. We might have harnessed the power of cold fusion and we might also have been able to travel to other galaxies. Or, we might have blown the earth to bits with our bombs. We might even be in the middle of World War III.

## *What do you think the world will be like in the year 2020?*

I think in the year 2020 it will all be technology in this world. I think that computers will run everything.

--Chris Irish

In the year 2020, everybody will have a clone, and the clones will have genes that make them fly. This could be good or bad depending on who it was who was cloned!

--Jessica Jennings

I think that more people than before will be homeless.

## *What do you think the world will be like in the year 2020?*

In the year 2020, I think there will be more technology and some people will probably be living on the moon. I also think all the cities will have houses like the Jetson's house.
--Gary Preston

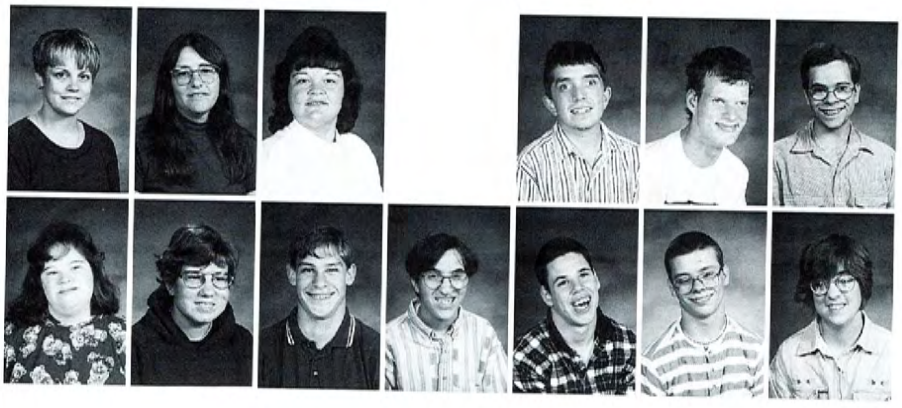

In the year 2020, I think there will be all sorts of new inventions--like hover bikes. I think that there will be a woman president. I also think that scientist will find a cure for AIDS, but there will probably be new diseases, too.

The 1998 Oddessey of the Mind team consisted of the following young people

Nita Norasethaporn

The team competed against other area schools at St. Bonaventure University in March, 1998. Although they did not take any prizes, the team had fun taking an inanimate object and making it come alive. Their object was a wig. They wrote and performed a skit as well as put words to a familiar tune, "The Brady Bunch."

## BOY'S STATE

BELOW--Left to Right:
John Buzzard

When asked about their experiences at Boy's State, we received the following replies:

John Buzzard: "Boy's State was truly a once in a lifetime experience 1000 of New York's "cream of the face" were placed in the control of the United States Marine Corp. For one week, we braved cold and rainy weather conditions to march in nothing but jeans and our issued Boy's State shirts. For one week, we established our own government, holding meetings and electing officials. It was a lot of hard work, but it was definitely worth it. We went in boys. . .we came out men."

Adam Middaugh: "I thought Boy's State was one of the good times I had this summer. I think that it should be a goal for all Junior guys to attend if possible."

**MUSICAL, "BYE, BYE BIRDIE," COMES TO GVCS**

In March, the GV players presented the story of how Conrad Birdie (played by Raymie Auman)--a singing, Rock and Roll superstar, has been inducted into the Army and will have to give up his career for two years. His manager Albert (played by Terry Grimes), and his very competent secretary Rosie (played by Talia Herdman), plan to have him go off in style by placing "one last kiss" on the President of his Sweet Apple, Ohio fan club Kim MacAfee (Laura Sortore). Kim has just been pinned by her boyfriend, Hugo (Andy Fanton), who is less than thrilled that his new found "steady" is going to be kissed on national television by that hunk of a Rock and Roller, Conrad Birdie. Kim's parents (Tom Kewley and Colleen Hannon) have enough to contend with by just having a Rock and Roll crazy teenager in the house, but things get far worse when they have a crazy Rock and Roll singer living ***in*** the house.

At the same time Rosie launches a plan to win the heart of her long-time love Albert and help him achieve his lifetime goal of becoming an English teacher. Needless to say things get pretty out of hand, as all good Broadway Musicals do, and we begin a riotous romp through the unsuspecting town of Sweet Apple.

Directed by Chris Koldewey--assisted by student director Lindsey Robbins--this musical promises to bring the community of Belmont a real treat. Watch for scenes from the musical in next year's Jag Pride. Here are a few snapshots of the GV players in action as they begin preparation for "Bye, Bye Birdie."

Performed at the Belmont campus February 19-21, 1998, "Finian's Rainbow" revolves around Finian McLonergan and his daughter, Sharon, who come from Glocca Morra to Missitucky, USA. they bring with them a crock of gold stolen fron Og, a leprechaun, who follows them in order to regain his gold. Romantic interests commence as Sharon falls in love with Woody, a Missitucky native, and Og falls in love with every girl he sees!

Far Right: Og, played by Mike Yudichak, oogles Sharon McLonergan, played by Kari Auman.
Right: Colleen Hannon, Beth Fleming, and Jill Freer perform as sharecroppers.

# THE CAST

Above: Laura Sortore does the final touches on Tiffany Marsh's hair.

Right: The "clean-up" crew decides to call a set strike!

Left: Henry, played by Andy Fanton, takes a pose.

## February, 1998, brought to GVCS the Spring Musical

# Finian's Rainbow

Kelcey Stack: "Playing in the pit band gave me the opportunity to see the play develop. I didn't like all the practicing, but the standing ovations all three nights was great!"

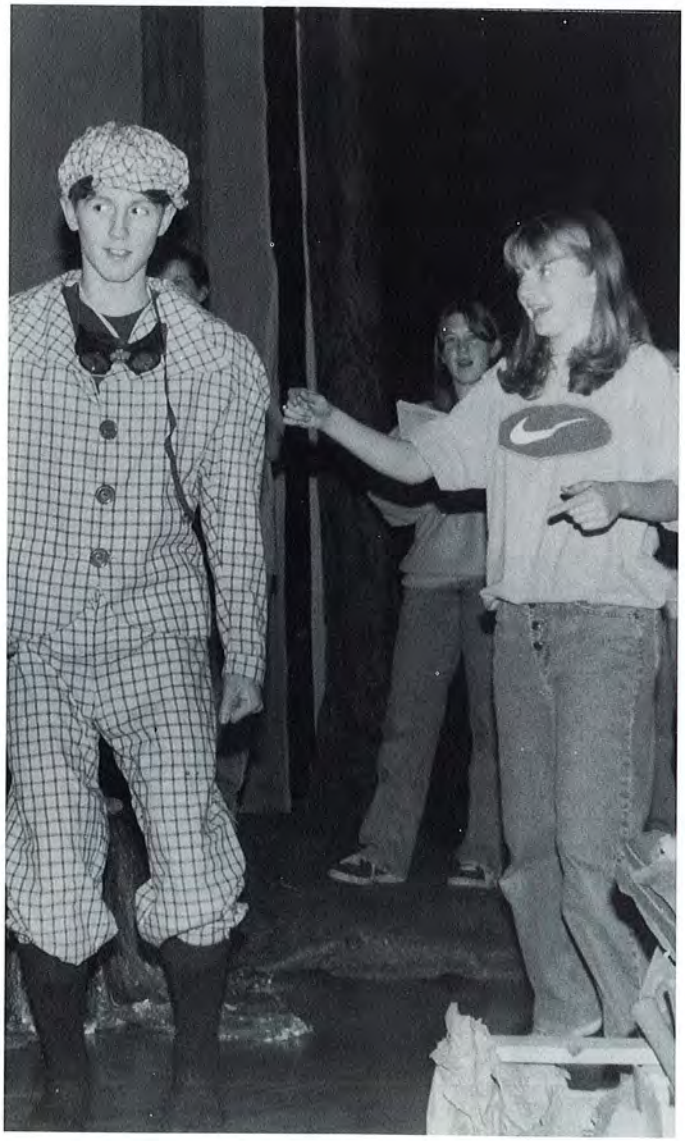

Laura Clancy: "As a sharecropper it was a pain to put pounds of cake make-up on. I really enjoyed the way everyone was hugging after the performance --especiallyMr. Nevinger!"

Angela Granger: "As a chorus member it was hard to paint myself black every time. The worst thing was trying to get the black out of all of my clothes --I never did get it all out!"

Adam Middaugh: "Playing the part of Finian was the best. I remember when Mr. Nevinger forgot his lines and I had to whisper them to him. Thanks to everyone for a good time!"

Director, Gary Nevinger, was in the process of completing his Master's degree at the University of Hawaii when he chose the project of presenting Harburg and Saidy's musical, *Finian's Rainbow*. His talents delighted audiences throughout Hawaii then; and, once again, those talents delighted those who attended at GVCS.

As the grains of sand flow through an hour glass, our days of being together slowly work their way down to the year's end. As one of the year's final activities, we come together to crown our king and queen.

# Field Day Fun

Field day gives everyone a day off from the studies before "buckling in" for finals preparation. It is a time for autographing yearbooks and friendly competition. One of the favorite sports is the pie eating contest. The class of 1999 takes the title of *champion* one more year.

# FALL sports

The 1998 Boys Varsity Soccer team had an outstanding overall record of 17-2-1. The Jags earned the #1 seed in the Section Boys Soccer Tournament and were also voted the #1 team in Class C and D in Section V for the regular season.

A disappointing loss in the Semi-finals of the Section V Tournament ended a fine career for 10 seniors who will be greatly missed: Dave Davis, Liam Kelley, Ian McCarty, Nate Rockey, Ryan Slocum, Nick Spangler, Justin Pierce, Rob Sandlas, John Buzzard, and Marty Baker.

*Winners come in many forms!*

You don't always have to win the game to be a winner . . . It's how you live, practice, and play the game that makes you a winner in life. This is a valuable lesson that the Girls Varsity Soccer Team and Coach must remember from this past season. Though many tears did flow that cool November night, we saw the big picture and after a little bit made that last bus ride of ours a singing and happy one. We all have wonderful memories.

The team finished the season with a record of 14-6. We played a tough league/non-league schedule. We were in the finals of our tournament, won the Fall Foliage Tournament at Cohocton, finished 2nd in our league and advanced to the semi-finals in sectional play. The season was characterized by players who cared for each other, their coach, and the game. They brought smiles and enthusiasm to the playing field and the hallways of our school. They loved to play soccer and had fun doing it. We tried our very best. Yes, we would have preferred to have kept our season going to the end of November, but we did play our best to win the game and because of that we are winners. Of the 21 regular season players, we had the following Seniors: Wendy Frungillo, Angela Granger, Josie Gosper, Jen George, Crystal Brownell, B. J. Abbott, Amanda Tracy, and Sarah Collins. We sincerely wish them all success in what lies ahead and thank them for all they have taught us. We congratulate all the other soccer teams GVCS put on the field this year. You were awesome. The Seniors and Coach wish everyone returning to soccer in 1999 the very best. You have a bright future ahead of you. We are proud to be Genesee Valley Jaguars.

## *FALL*
## *GIRLS VARSITY TEAM*

The 1998 Girls Volleyball team fell just a little short of their expectations in Coach Furlong's secondyear. Laying consistently seemed to be the biggest down fall for the 1998 campaign. We played very well against the good teams and played even with the weaker teams which caused us to lose a few games we needed to win to make the playoffs. The team worked very hard to improve every practice and every game which paid off individually for everybody on the team. Seniors Colleen Hannon and Janette Hanks led the way most of the year with Colleen receiving 2nd team All-Conference. Colleen also lead the team in several statistical categories including: kills--86; points -- 105 and blocks--28.

The Varsity Girls Basketball team had a winning season going 16-4 and making crossover tournament finals title second year in a row. Angela Granger score of 1000 points and making first team all-stars helped to make this a great season to remember. Josie Gosper made second team all-stars. I have really enjoyed working with this years Seniors and look forward to the other team members "keeping up the good work" in the years to come.

We are proud of the effort the girls made in Section V finals.

Growth and improvement would be the two words used to describe the 1998-99 Girls JV basketball team. From the first day of practice until the last day of the season, the emphasis was on improvement and the team did just that. After getting off to a shaky start, the team finished the year at just about the .500 level with a 7 and 8 record. Highlights include defeating Portville after losing to them earlier in the season, and getting a chance to play for the Allegany County Crossover Tournament championship. A consistent effort throughout the year allowed the team to accomplish goals that seemed unreachable at the beginning of the year. Below is the season at a glance.

***To Our Angela. . .(Chewy)***

As we watch you complete a major milestone in your life, it doesn't take much to realize how time has flown by over the years. Our little "tough tom boy" with the "baby attitude" has turned into a wonderful young lady with a lot of charm, wit and even "larger tude;" but you wouldn't be Angela without it, would you? Your confidence and strut as you fly through the front door as if to say, "Angela is now home" has always particularly amused your mother. . .But even more than anything is your athletic talent at any sport. We have been your biggest fans and always will be. We love the confidence you exude when you take the floor. You have blossomed out to be everything we knew you could be and hopefully will improve in college years. As you go forth, we hope you go with the confidence that you can tackle and accomplish anything you want if your heart is in it. But always realize that you have us to back you up and stand by you always. . .Best of luck sweetie!
We love you!
Mom and Dad

***To BJ, our fourth daughter!***

Nothing tickles us more than seeing you put Angela in her place. She can't get the best of you wrestling because you beat on her just as bad as she beats on you! We love it! Please keep her in line as you room together or maybe we should say good luck. Oh, one more thing. . .keep track of your portion of the food --she eats a lot. Best of luck to you also kiddo!!
We love you!
Your Second Mom and Dad

***Nic***,
Throughout your life, many times, I have watched you (and Kathy) go through "The thrill of victory and the agony of defeat."
I pray often that you will find the real meaning of life, through God, and the gifts and talents that He has given you.
I Love You,
Eric

***Brooke,***

It's hard to believe this time is here. You have made us so proud. No matter where you go from here, we know you will succeed.

Thank you very much for being the kind of daughter every parent dreams of.

We love you very much,
Mom, Dad, and Carrie

***Ian,***

You've given us so many happy moments and memories, and we're looking forward to so many more. You are a special blessing in our lives. May God grant you His peace for a lifetime.
Love,
Dad, Mom & Jesse

***Amanda,***

We want to take this opportunity to express our love for you and let you know how very proud we are. You were a beautiful and delightlful child and now you've grown into a beautiful and vivacious girl.

All the best to you always. We know you can succeed at whatever you put your mind to. You are always in our thoughts and prayers, and we always hold you in our love.

Mom and Terry

***Dear Cheylyn,***

You started your life doing things your own way (remember the crayons in Kindergarten?). Even though we raised our eyebrows more than once at "your way," you have always succeeded at whatever it is you do, sometimes with surprising results (100s on report cards). As you leave high school and your familiar surroundings, we are confident you will do fine. You have been participating in the adult world in a variety of ways for years now with outstanding results.

It will be quiet around home with you off to college, but remember we will always be here for you. Good luck in whatever you choose to do.

Love,
Mom, Dad, & Chantel

To Rob,

The time has come for you to leave the nest. When you were born GOD blessed us with the most wonderful gift--a baby boy. You have grown so quickly, and into such a fine young man. You are the kind of son others can only DREAM of having. Thank you for that and for being such a remarkable role model for your brothers and for all young people to follow.

Please remember how very much we love you and always remember to strive for nothing but the best in life and to always follow your heart!
Love Forever,
MOM and DAD

***Dear Betty,***

To my once little girl, now it's time to become a big girl!

Good luck in your future. Just remember we will always be here for you.
Love,
Dad and Don

"ONCE A SCOUT, ALWAYS A SCOUT."

RIGHT, BUD?

Dear Chasity,

You have given us such joy and we are so proud of the young lady you have become. May the future hold much happiness for you. Remember, we are always here for you.

Love you very much,

XO XO XO

Mom, Dad and Casy

***Stephen Fleischman***

Way to Go!

Steve,

We are sure that college will go smoothly because you have worked hard both in and out of high school.

We are proud of you and your accomplishments.

Love,

Dad, Mom, Mark, Erica and Lily

***Nathaniel Rockey***

*You made it! From Kindergarten to Senior Year!*

*The time has come to let go and let you become the man that God wants you to become. You already are a kind, considerate, yet strong young man whom we are very proud to call our son. Whatever you do or wherever you go, always keep your eyes on Jesus, your Lord and Savior. Remember, we will always be here for you, and we love you with all our hearts!*

*Love,*

To Our Own Irish Colleen:

When Irish eyes are smiling
Sure it's like a morn in spring.
In the lilt of Irish laughter
You can hear the angels sing.
When Irish hearts are happy,
All the world seems bright and gay,
And when Irish eyes are smiling,
Sure they steal your heart away!

May the Luck 'o the Irish go with you
All the rest of your days!!.....

Love, Mom, Dad, John and Bart

***Dear Marty,***
I'll always remember these days. . .

As you're watching out the window
For the school bus every day,
I'm thinking next year you'll be going too.
Guess I'd better take advantage
Of the little time that's left,
'Cause it won't be easy letting go of you.
But I see adventure in those big blue eyes,
And the wheels are turning in your little mind.

What will I do when you don't need me anymore?
What will you be when you grow up, my son?
I'm gonna miss your little footprints in the sand.
Mother, try to understand,
Your little boy will someday be a man.
So you better hold on to him while you can.

Mom - 1984

I guess this little boy has grown up!
Congratulations, Mart. We're proud of the young man you've become.

Love, Mom, Dad, Tony & Deb

***Melissa,***

That first day of school in 1986 seems like just yesterday! The excitement of that September morning has extended over thirteen years, creating memories that you can take with you as you go off to college. We were proud of you then. We're proud of you now!

Love,
Mom, Dad, and Steven
