# SPORTS

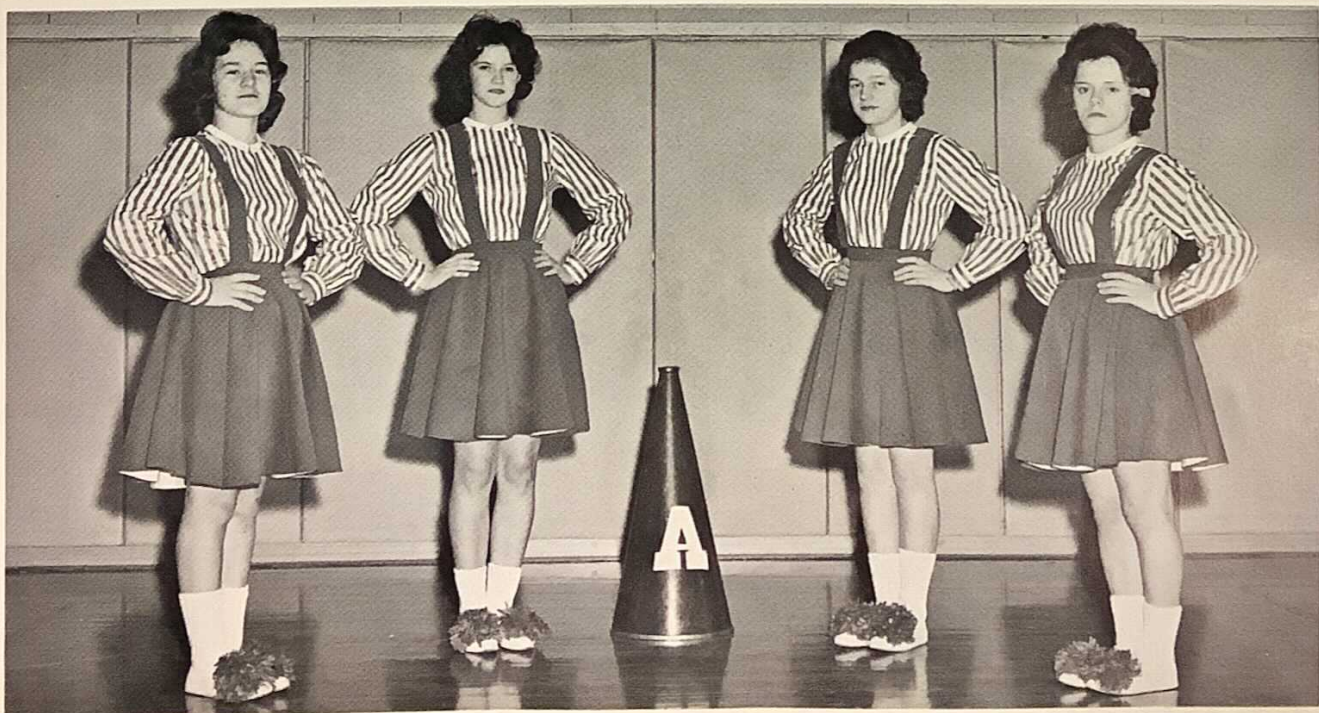

Angelica's varsity team set a record in Section V Class D as the first team to ever win the championship twice in succession. Seventeen wins and three losses constituted Coach Ruska's team's fine overall record.

## VARSITY BASKETBALL AND CHEERLEADERS

The Varsity cheerleaders did their share in promoting good sportsmanship and contributing greatly to our success of the 1962-63 season. The Varsity cheerleaders were Doreen Benjamin, Stephanie Barton, Bette Jennings, and Marie Schneider.

Being almost entirely made up of first year men, the Junior Varsity was lacking a little in experience. But their desire to play, outstanding drive, and fine training by Coach Ruska over-shadowed their lack of experience. They finished with a fine 7 win and 10 loss record.

## JUNIOR VARSITY AND CHEERLEADERS

The Junior Varsity cheerleaders gave an outstanding performance by supplying all the necessary backing so greatly appreciated. They were Gertrude Brandes, Diane Hurd, Nancy Short, Elaine Childs, and Cheryl Gosper.

Fielding one of the youngest squads in class D play, the baseball team finished in fourth place with a fine 3-3 record. Under the coaching of Mr. Dewey the team showed major league hustle and desire.

## BASEBALL AND SOCCER

The soccer team played in the sunshine, snow and rain, and finished their season with a 2-5 record. The team showed their fine condition by being able to withstand all sorts of weather conditions.

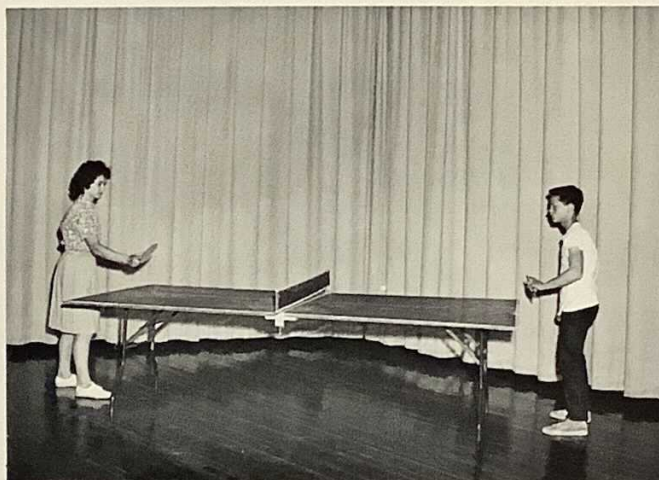

## BASKETBALL MANAGERS

# VOLLEYBALL TEAM AND CHAMPS

The volleyball team with Mr. Dewey at the helm represented our school at the annual county play day in Wellsville. Team members included boys from the Sophomore, Junior, and Senior classes.

The Senior boys and girls were crowned champions in the high school volleyball intramurals. Both teams won close matches over the Sophomore boys and girls for the championship.

MUSIC

This year's chorus began with 25 voices but soon grew to 36. We performed for the Christmas program, the Spring Concert and the County Festival at Bolivar. Two of our members, Jean Roberts and Stephanie Barton were selected to sing in the All-County Chorus which was held in Wellsville in February.

## CHORUS AND MUSIC COUNCIL

The music council, composed of the band and chorus officers, promoted the music activities of the past year. Their main project this year was trying to build up the equipment in the music department.

## ACTIVITIES

# STUDENT COUNCIL

The Student Council, the governing body of the school, consists of elected members from each homeroom; 7-12. Grades 7-10 gave two representatives each; one of which is the president of the class. The Juniors have 3 members; one being the president. The Seniors have 4 representatives; 3 elected by the class and the president. These chosen members have carried out their non-spectacular but vitally important activities, with efficiency and dispatch.

Vice-President . . . . .	Vincent Marinera
Secretary . . . . .	Diana Roberts
Treasurer . . . . .	Bill Wilkins
Advisors . . . . .	Mr. Nelson Spencer
	Mr. John Nelson

The majorettes practiced nights after school and worked out many routines. They displayed their accomplishments during the Memorial Day parade, and concerts in the park.

## MAJORETTES AND SENIOR BAND

Quality not quantity is our password. We started the year with 25 members. We played concerts in the park, went to the County Festival in Bolivar, played in the Spring Concert and had one member, Roger Graham, in the All-County Band.

Although a major purpose of the Junior Band is to train members for the Senior Band, it is felt that these people produce good music in their own right. This was proven in the Spring Concert when the band showed what it could do.

## JUNIOR BAND AND GIRLS QUARTET

A new idea this year was to have a girls' quartet based upon the men's barbershop tradition. At certain times during the weeks one could walk by the music room and hear the sometimes pleasant sound of four female voices. We look forward to more success and recognition in the future.

# TEACHER AND LIBRARY CLUBS

The Future Teachers Club with members in the 10th through 12th grades has an aim and purpose which is to promote an interest in teaching. The officers of the club are: President, Nancy Jennings; Vice-President, Shirley Mott and Secretary-Treasurer, Lucille Dibert. Their advisors are Mrs. Granger and Mr. Farnsworth.

The Library Club includes in its membership all interested sophomores, juniors and seniors who contribute in anyway toward the successful running of the school library. A new school service has been inaugurated this year by Library Club members, the "book cart," a sort of travelling library, which is enthusiastically welcomed by pupils of the upper elementary grades, as it makes its regular rounds in their wing of their building.

# ART AND PRESS CLUBS

The Art Club having no more than 25 members from the 9th through the 12th grades has held regular meetings since its organization. They put on a dime dance which was very successful. It is their aim to encourage artistic creativity in the school. The group enjoys working together and hopes to accomplish all of its aims.

The members of The Keyhole Staff, with the advisory assistance of Mrs. Chamberlain, publish the monthly edition of the Keyhole. The newspaper contains all the happenings of school including sports, dances, and other activities. Also, the Keyhole maintains a policy of editorializing on subjects pertaining to student interest.

# LANGUAGE AND ATHLETIC CLUBS

The Language Club is composed of 30 members from the Latin classes and 12 members from the French class. The annual banquet this year served about eighty guests. This is the event to which parents are invited with no strings attached except to enjoy themselves. The French students presented two skits and the Latin students sang a song in their chosen language. Everyone enjoyed this party and the students enjoyed showing their parents a good time.

The Athletic Association, with the motto "Our aim good sportsmanship at all times", has accomplished their purpose by advocating the ideas of honest rivalry and graceful acceptance of the results.

# MEDICS AND F.F.A. CLUBS

The Medics Club consisting of twenty-three members have done many things this year. They have made favors for the people at the County Home at Christmas, Easter, and Thanksgiving, have helped in packing Junior Red Cross boxes and with the pre-school clinic, and have assisted in giving students and teachers their shots and vaccinations. They also viewed several movies on different health careers.

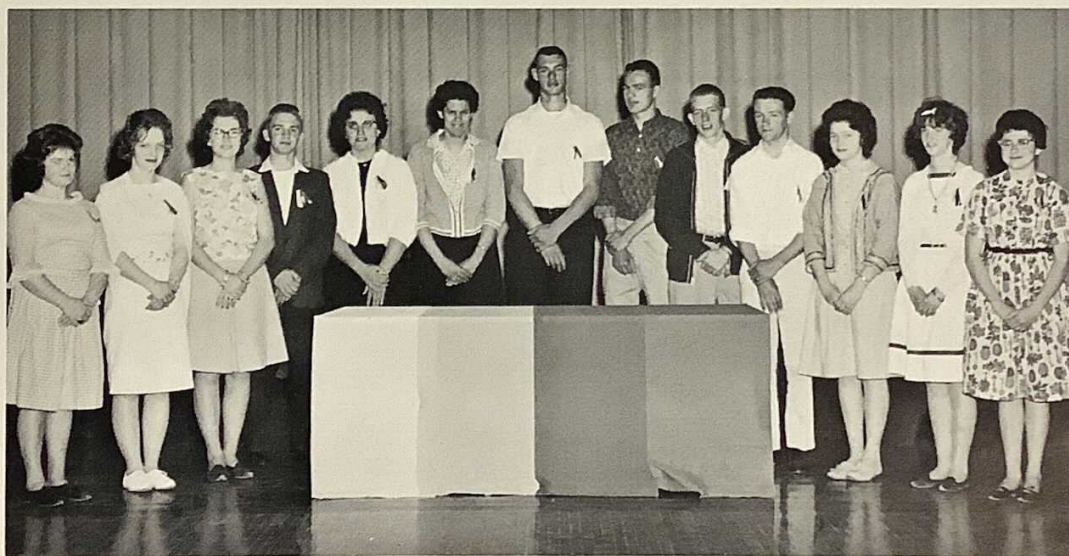

The F. F. A. Chapter is made up of high school boys interested in vocational agriculture. Under the guidance of Mr. Karnes the boys developed agricultural leadership, to promote good citizenship, and to further co-operation.

## NATIONAL HONOR SOCIETY

In May of 1963, a chapter of the National Honor Society was established in the Angelica Central School. The initiation ceremony was conducted under the auspices of the Wellsville Chapter. This organization is dedicated to the recognition of student accomplishment in the fields of character, scholarship, leadership, and service. We are confident it will fulfill a long felt need of student recognition found in none of the other student organizations and we are happy to welcome it to our midst.
