## DONATIONS

- During the COVID pandemic, the USDA used federal funds to provide free school lunches to all students. This federal subsidy ended in June 2022, and many families are now having difficulty covering the cost of student meals.
- Many generous individuals and community groups have asked about making donations to help under-resourced families pay for the cost of their student's lunches. **Donations can be made in person at 501 N 11th Avenue. You can also call 406-522-6380 for more information or to donate online.**
