

## PROGRESS ON THE POOL

This summer has shown a lot of changes in our day-to-day lives as we transition back to school and back to athletics and activities. However, a welcomed change has been the progress on the new Seneca Valley Aquatic Center!

The project is approximately 65% complete with its final completion scheduled for the end of December.

Recently, the roof perimeter blocking was installed, block partition walls in the locker room areas were grouted and excavation of the pool and backfill has started.

Check out some of the incredible progress below! ■

## 2020 HALL OF FAME ANNOUNCEMENT

Due to the pandemic and keeping in mind the safety of our inductees, their families and friends, the Hall of Fame committee has decided to cancel the induction ceremony for this year. The committee will have the same individuals and recognize them in the fall of 2021. Thank you for your understanding and continued support. ■
