Google Classroom

What is Google Classroom?

Google Classroom is your student's digital link to learning.

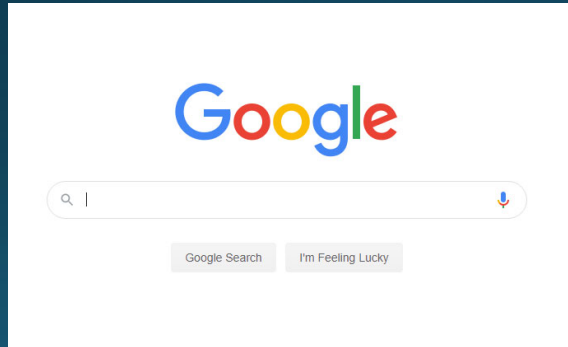

Google Classroom is an app that is part of the Google Education Suite that also includes your student's Google Drive and Gmail.

Teachers use Google Classroom to share assignments, resources, and much more with students.

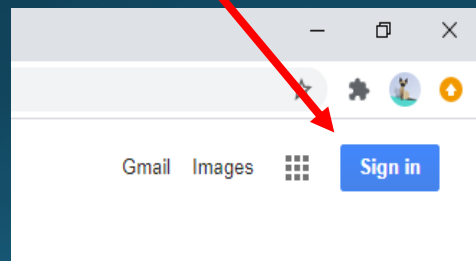

Google Classroom is available through any web browser at www.google.com. We suggest using a Chrome web browser.

1

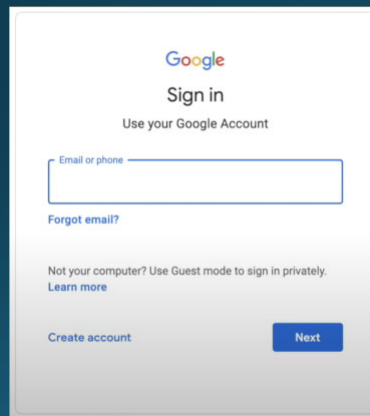

Click on ***Sign In*** in the top, right corner.

2

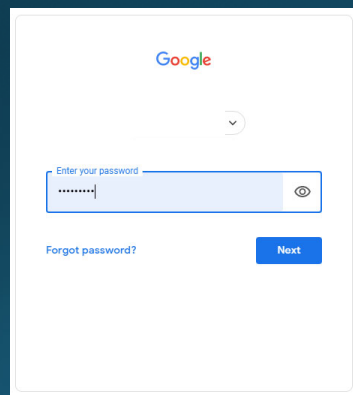

Type your student's GL Tech "email address" and click **Next**.

3

A screenshot of the Google Sign in interface. At the top is the Google logo, followed by "Sign in" and "Use your Google Account". Below this is a text input field labeled "Email or phone". Under the field is a link "Forgot email?". Further down, it says "Not your computer? Use Guest mode to sign in privately." with a link "Learn more". At the bottom left is a link "Create account", and at the bottom right is a blue button labeled "Next".

4

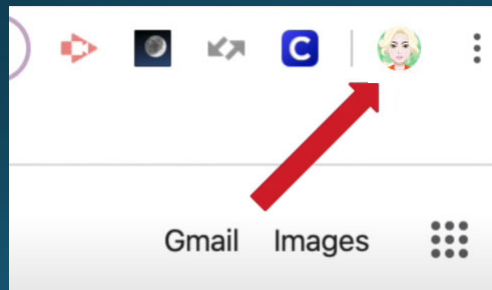

Type your student's GL Tech email "password" and click **Next**.

A screenshot of the Google Password screen. It features the Google logo at the top, a small dropdown arrow, and a text input field labeled "Enter your password" containing several dots. To the right of the field is an eye icon. Below the field is a link "Forgot password?". At the bottom right is a blue button labeled "Next".

Logging into Google

You are now logged into your student's GL Tech Google Account. In the top, right corner you should see their initial or icon.
