Freshman Information

We invite you to attend the orientation session for parents of freshman students on Tuesday, August 20 at 6:30 PM in the OHS PAC. The session is led by our school administrators and a panel of juniors and seniors. Even though we have a separate orientation event for freshmen students on Wednesday, August 28, we also encourage freshmen to attend the Parent Night meeting if possible. Much of the information will be similar but it helps to reduce anxiety and increase understanding of schedules, procedures and resources. We also encourage your child to do a walk-thru of the building before September 3 to become familiarized with classroom locations. Also, see page 8 for school supply suggestions.

About Supplies....

Freshman parents often ask what school supplies are needed. Please find a list below for students in the core-subject areas.

English – folder, post it notes (2x2 or 3x3), and a highlighter

Math – folder, notebook or a binder with loose-leaf paper as well as a calculator - the math department recommends a TI-30XIIS or similar model. If the student plans to eventually take Pre-Calculus, AP Calculus or AP Stats, a TI 83 or TI 84 is useful to provide access to a graphing calculator outside of class time. Some families choose to purchase the graphing calculator now while others wait until the more advanced coursework. NOTE - the more expensive graphing calculator is not needed for Algebra, Geometry, or Algebra II.

Social Studies and Science – folder, notebook, or a binder with loose-leaf paper.

PE – The school does not issue uniforms for PE. Students will need to bring shorts, t-shirt and gym shoes from home.

Principles of Leadership – A 1-inch binder.

Students should also have an assortment of pens, pencils and dry-erase markers (2-3 - these are often used for individual white board learning activities). Some students have found it useful to purchase two 3-subject notebooks and use one notebook for morning classes and the other notebook for afternoon classes.
